Memory as Life, Life as Memory William E. Marsh, 2016-09-07 This book is about memory the power of memory the weight of memory the presence of memory Its about how memory works and its about how memory moves and shapes us profoundly and deeply every moment of every day Most of all however its about how memory points us to some questions that try as we might we cannot elude altogether questions that force us to confront the very nature of existence Suppose that no one no one at all remembered us Suppose that no one no one at all remembered the universe How can we make sense of a world that one day will be utterly gone and forgotten Memory makes us speak of things we may not want to accept or understand thrusts us into things lying beyond what we can picture imagine or know Twisting itself around our heart and burrowing into our soul memory stretches us It stretches us to ponder purpose it stretches us to consider meaning Memory forces us to think about how unbearably complex we and this bewildering world can be if nothing precedes or follows them Memory opens our heart to God

Young, 2024-10-31 It is often said that it is lonely at the top But this loneliness can be dangerous not only to the leader but also to the led It turns out we hold our environments as we are held If we are not held in a caring and daring fashion it shows up in how we live and lead *The Basecamp Manifesto* is a formative work on developing and sustaining leadership skills Here Terence Young outlines the development of a changed narrative around leading organizations Rather than the often stereotyped perception of leadership as a solitary ascent to the top followed often by an equally solitary descent down the leadership peak Young has

created a framework for leadership that relies on developing a basecamp of companions Like the familiar basecamps of extraordinary physical ascents of Mount Everest and other spectacular and spectacularly challenging peaks a leader's basecamp is a secure base of trusted and trusting peers that shape and nurture you during the ascent to leadership Young presents the gifts that current and future leaders should find in a secure base greater clarity in the sense making process enhancement of agility in navigating dynamic situations building endurance to face challenges and fostering generativity for greater productivity and innovation in one's life quest The Basecamp Manifesto is written for leaders of all organizations whether for profit or nonprofit Whether a business leader an educational leader a political leader a religious leader or other society facing leader all leaders face particular and specific challenges in leadership How do I lead and navigate with those in my circle through a world of increasing volatility uncertainty complexity and ambiguity For the sake of those you lead Young's groundbreaking work says to leaders find your people find your secure base find and shape and nurture the circle of trust that can make you a quality leader The Basecamp Manifesto can help you to become intentional about shaping relationships where clarity agility durability and generativity can be found and fostered

Rooted and Grounded Ryan D.

Harker, Janeen Bertsche Johnson, 2016-01-28 For many of us the connection between the ecological crisis and humanity's detachment from the land is becoming increasingly clear In biblical terms Adam humanity has severed itself from the Adamah soil and we creation are reaping the consequences This collection of essays and the conference from which it took shape calls the church to root itself more deeply in the agrarian biblical text and ecclesial tradition in order to remember and freshly imagine ways of living on and with the land that are restorative reconciling and faithful to the triune God's invitation to new life in Christ When we listen attentively to and patiently learn from the biblical text church history and theology the land itself can become a conversation partner and we are summoned to recognize that the gospel is reserved not simply for humanity but for the whole of creation

Speaking of Religion . . . Roy

Hammerling, 2022-03-21 Of late speaking about religion has become a problem Whether we are in our homes at worship on the street in college classrooms or anywhere that conversations happen speaking about religion often can turn into a heated exchange As our political and religious divisions widen so does our inability to cross over to meet others halfway with compassionate convicted and civil dialogue Speaking of Religion not only offers ways in which we might open ourselves to hearing and caring about others but also seeks to help us understand our own convictions more fully Such dialogue is not

often easy but it is essential if we ever hope to find our way into a future where fear hatred and cruelty can be set aside As Plato is reputed to have said We can easily forgive a child who is afraid of the dark The real tragedy of life is when adults are afraid of the light Speaking of Religion seeks to look for light in a world that all too readily gets lost in the night of religious ignorance *In Unison* Jeremy Camp,Adrienne Camp,Amanda Hope Haley,2020-04-07 And the greatest of these is Jeremy Camp became a GRAMMY nominated singer and songwriter released four gold albums and received two American Music Awards nominations While on a three month long tour Jeremy met and built a friendship with the lead singer of another band In a beautiful and inspiring story their love unfolded taking them both by surprise After 16 years of marriage Jeremy and Adrienne have experienced devastating losses and incredible joy and have grown alongside each other They continue to build a friendship as they juggle life and frequent separations due to tour schedules with the demands and stressors of parenting their three kids In Unison is the story of the lessons they ve learned in love and marriage told from each of their voices They vulnerably share the highs and lows of life together and offer practical advice for how to deal with conflict manage finances move through grief and work to build your own family culture You can t do marriage without Jesus and when you keep Him in the middle together you can build a lasting love **Empty Promises** Pete Wilson,2012-04-09 We all long for more of something in our lives In our endless pursuit to feel worth and acceptance we find ourselves sacrificing everything for the promise to be a little more beautiful a little richer a little more powerful and successful a little more loved How do we break free from these empty pursuits and start chasing the only Promise that will ever satisfy How do we uncover the hidden idols that are driving us and turn our devotion toward the one true God Join Pastor and best selling author Pete Wilson in discovering the joy and freedom that comes with seeking after God with your whole life Learn how to replace and not just relinquish life s empty promises by turning your focus and worship toward Him It is the only thing that will set you absolutely free from the endless pursuit of everything else *Rest* Siang-Yang Tan,2003 Come to Me all you who labor and are heavy laden and I will give you rest Bringing a distinctly Christian perspective to the subject of finding true rest in the midst of daily pressures Siang Yang Tan diagnoses what ails us and provides thoroughly practical steps to help us respond to Jesus invitation In this book Siang Yang Tan draws from a richness of experience to write with warmth and compassion Since he himself knows the difficulty of slowing down in these hyperactive times he is able to give practical guidelines to others drawn from a wealth of information found in the Scriptures empirical research and psychological reports If rest is not easy for you to put into practice learn from an author who is growing at a healthy pace and willing to bring others along on the journey from the Foreword by Dr Gary R Collins SIANG YANG TAN is professor of psychology at Fuller Theological Seminary He also serves as Senior Pastor of First Evangelical Church in Glendale California He has authored or co authored eight previous books including Disciplines of the Holy Spirit and Understanding Depression He is an associate editor of The Journal of Psychology and Christianity *Under the Wings of God* Cornelius Plantinga,2023-01-24 Longing Hope Love Fear These are
