## **Essentially Yugoslavia:**

*Yugoslavia* National Intelligence Council (U.S.),2006      **Yugoslavia** John Joseph Horton,1990      **Yugoslavia's Bloody Collapse** Christopher Bennett,1997 An incisive and revealing history of how Yugoslavia plunged into violence in the 1990s Over the past two years the entire world watched in horror as one of Europe's most stable countries plunged into an orgy of violence and bloodshed that has invoked comparisons to the Holocaust Aside from empty threats and diplomatic hand wringing the West has done little to stop the ethnic cleansing the sieges and the brutality that has characterized the conflict in the former Yugoslavia Contrary to common wisdom the hyper violent disintegration of the former Yugoslavia is not simply and exclusively the product of inherent and irrational ethnic animosities and centuries of strife In this engaging book journalist Christopher Bennett traces the turning point to the 1987 struggle within the Serbian Communist party which was between adherents of a Serb nationalist ideology embodied by Slobodan Milosevic and the other Yugoslavs who clung to the vision of a multinational state As soon as Milosevic gained the upper hand he ruthlessly purged his rivals and launched a massive campaign of media indoctrination to stir up Serb nationalism This new nationalism which has repelled the world since 1991 is primarily Milosevic's creation and not merely the result of historical enmity As a student at two different Yugoslav universities in the 1980's Bennett witnessed firsthand many of the critical events which contributed to Yugoslavia's destruction He renders an incisive and accessible history covering the period from Tito's dictatorship to the present day

**Tito's Yugoslavia** Duncan Wilson,1980-01-03      Bosnia, Kosova & the West Mike Karadjis,2000      **Unstable Ground** Alex Alvarez,2017-07-25 Unstable Ground looks at the human impact of climate change and its potential to provoke some of the most troubling crimes against humanity ethnic conflict war and genocide Alex Alvarez provides an essential overview of what science has shown to be true about climate change and examines how our warming world will challenge and stress societies and heighten the risk of mass violence Drawing on a number of recent and historic examples including Darfur Syria and the current migration crisis this book illustrates the thorny intersections of climate change and violence The author doesn't claim causation but makes a compelling case that changing environmental circumstances can be a critical factor in facilitating violent conflict As research suggests climate change will continue and accelerate understanding how it might contribute to violence is essential in understanding how to prevent it      **That's "Yugoslavia"** .,1987      *The Legacy of Yugoslavia* Othon Anastasakis,Adam Bennett,David Madden,Adis Merdzanovic,2020-06-25 What are the consequences of Yugoslavia's existence and breakup for the present This book reflects on this very question identifying and analysing the political legacies left behind by Yugoslavia through the prism of continuities and ruptures between the past and present of the area After the collapse of Yugoslavia its former states adopted a nation building process which opted to eradicate the past as such an approach seemed more convenient for the new national projects The new states adopted new institutions new market oriented economic paradigms and new national symbols Yugoslavia existed for 70 years and to consider the current

political situation in post Yugoslav states such as Slovenia Croatia Bosnia and Herzegovina Serbia Montenegro North Macedonia and Kosovo without taking into account the legacy and remnants of Yugoslavia is to discount a vital part of their political history This volume takes a multi disciplinary and multi faceted approach to examining the legacy of Yugoslavia covering politics society international relations and economics Focusing on distinctive features of Yugoslavia including worker self management the combination of liberalism and communism and the Cold War policy of Non Alignment The Legacy of Yugoslavia places Yugoslavia in historical perspective and connects the region s past with its contemporary political situation *Yugoslavia and After* David A. Dyker,Ivan Vejvoda,2014-09-19 This new book presents contributions by leading authorities on the origins of the Balkan crisis the reasons for the decay and dissolution of the old Yugoslavia the nature of the new regimes the prospects for solution of the remaining conflicts and for the building of viable successor states

**Yugoslavia From "National Communism" to National Collapse: US Intelligence Community Estimative Products on Yugoslavia, 1948-1990** ,2007-04-23 Contains a collection of 34 declassified National Intelligence Estimates and memoranda representing the United States Intelligence Community s most authoritative analysis of Yugoslavia spanning four decades from the 1948 break with the Soviet Union until 1990 and the eve of the nation s collapse *Explaining Yugoslavia* John B. Allcock,2000 Traversing the politics economics demography and culture of the former Yugoslavia John B Allcock examines and makes sense of the region s troubled past and troubling present Though many think of the Balkans as a uniquely troubled region the author asserts that the continuities in Balkan history constitute the same processes of development that have occurred in other societies and are part of the ongoing process of global modernization Yugoslavia United States. Congress. Senate. Committee on Foreign Relations. Subcommittee on European Affairs,1992 **Dictionary of Genocide** Paul R. Bartrop,Samuel Totten,2007-11-30 Over 600 terms identify and explain the history and suffering of ethnic and religious groups experiencing genocide throughout the world The people places governments agencies documents legal terms and all other aspects of genocide are defined for new students and scholars alike Daily Report, Foreign Radio Broadcasts United States. Central Intelligence Agency,1965 The Tragedy of Yugoslavia: The Failure of Democratic Transformation Jim Seroka,Vukasin Pavlovic,2016-09-16 Once it was hoped that the Yugoslav federation might manage to defy the odds once more this time to become one of the world s few examples of democratic pluralism Instead we are witnessing another Balkan tragedy What went wrong In this volume scholars from Croatia Serbia and Slovenia examine the Janus face of pluralism with case studies of electoral politics in the republics and of what were once the country s institutions of integration the League of Communists the managerial elite and the army Among the contributors are Mirjana Kaspovic Tomaz Masmak Vesna Pusic Anton Bebler Ivan Siber Vucina Vasovic and the editors *Sharing Power, Securing Peace?* Lars-Erik Cederman,Simon Hug,Julian Wucherpfennig,2022-07-07 Does power sharing bring peace Policymakers around the world seem to think so Yet while there are many successful examples of power sharing in multi ethnic states such as

Switzerland South Africa and Indonesia other instances show that such arrangements offer no guarantee against violent conflict including Rwanda Yugoslavia Zimbabwe and South Sudan Given this mixed record it is not surprising that scholars disagree as to whether power sharing actually reduces conflict Based on systematic data and innovative methods this book comes to a mostly positive conclusion by focusing on practices rather than merely formal institutions studying power sharing s preventive effect analyzing how power sharing is invoked in anticipation of conflict and by showing that territorial power sharing can be effective if combined with inclusion at the center The authors findings demonstrate that power sharing is usually the best option to reduce and prevent civil conflict in divided states

**Boundaries and Borders in the Post-Yugoslav Space** Nenad Stefanov, Srdjan Radović, 2021-10-25 The disintegration of Yugoslavia accompanied by the emergence of new borders is paradigmatically highlighting the relevance of borders in processes of societal change crisis and conflict This is even more the case if we consider the violent practices that evolved out of populist discourse of ethnically homogenous bounded space in this process that happened in the wars in Yugoslavia in the 1990ies Exploring the boundaries of Yugoslavia is not just relevant in the context of Balkan area studies but the sketched phenomena acquire much wider importance and can be helpful in order to better understand the dynamics of bordering societal space that are so characteristic for our present situation
