Paul H. Ephross, Thomas V. Vassil

Essentials Of Social Group Work Skill:

Essentials of Social Group Work Skill Helen Upson Phillips,1973 **Essentials of Social Group Work Skill** Helen U. Phillips,1962 **Essentials of Social Group Work Skill** Helen Upson Phillips,1980 A Mutual-Aid Model for Social Work with Groups Dominique Moyse Steinberg,2014-02-24 Group work is a popular and widely used social work method Focusing particularly on the central role of mutual aid in effective group work this text presents the theoretical base outlines core principles and introduces the skills for translating those theories and principles into practice A Mutual Aid Model for Social Work with Groups will help readers to catalyze the strengths of group members such that they become better problem solvers in all areas of life from the playroom to the boardroom Increased coverage of evaluation and evidence based practice speaks to the field s growing concern with monitoring process and assessing progress The book also includes worker based obstacles to mutual aid their impact and their antidotes pre group planning including new discussion on curriculum groups group building by prioritizing certain goals and norms in the new group the significance of time and place on mutual aid and the role of the group worker maintaining mutual aid during so called individual problem solving an expanded discussion of anti oppression and anti oppressive practice unlocking a group s potential to make difference and conflict useful special considerations in working with time limited open ended and very large groups Case examples are used throughout to help bridge the gap between theory and practice and exercises for class or field help learners to immediately apply conceptual material to their practice All resources required to carry out the exercises are contained in over 20 appendices at the end of the book Key points at the end of each chapter recap the major concepts presented and a roster of recommended reading for each chapter points the reader to further resources on each topic Designed to support ethical and successful practice this textbook is an essential addition to the library of any social work student or human service practitioner working with groups

Perspectives on Social Group Work Practice Albert S. Alissi,2008-06-30 Not simply another how to book this provocative collection of readings does not advance a single viewpoint or approach to group work Instead the 25 selections present the full spectrum of classic and current perspectives providing student and practitioner alike with a sound basis for evaluating contemporary practice and for formulating a personal approach to social group work The historical and conceptual roots of modern social group work methods are examined in Part I Conceptual Foundations which contains some of the classic statements in the field Part II Current Perspectives explores the most widely influential contemporary models of group work social goals perspectives remedial perspectives and mediative perspectives The two part section that concludes the volume focuses on applications group work is first discussed in relation to family and community casework and administration then self help groups and other techniques used in the fields of medicine counseling and psychology are surveyed in light of their implications for social workers To encourage the reader s active participation in the development of an individual philosophy and approach to social group work Dr Alissi concludes each chapter with probing study questions

These open ended questions stimulate comparisons among the methods presented and urge the reader to relate new ideas to his or her own experience in the field. Introductions to each part and chapter also stress comparative aspects. An annotated list of articles and books on the subject of each chapter allows the reader to explore it in greater depth. A stimulating and systematic exposure to the most important ideas in social group work today. **Perspectives on Social Group Work Practice** expands the repertoire of working concepts vital to contemporary practice. **Theory and Practice in Social Group Work** Kenneth L. Chau, Marie Weil, Danna Southerland, 2019-06-04 Here is an important look at creative ways to successfully blend theoretical knowledge with skillful intervention in social group work. **Theory and Practice in Social Group Work** represents leading works in conceptual development that creatively connect practice with theory and also reflect the current diversity of interventions in group work practice. The book calls for more carefully articulated connections between knowledge and action and maps a strategy for strengthening social work curriculum and expanding group work practice. Some of the areas discussed include group work in medical and health settings, group work with people undergoing life cycle transitions, and group work interventions with vulnerable populations. A wide range of possibilities for applying theories in group work situations are presented in this thought provoking volume. Some specific examples discussed include group work interventions with persons affected by the AIDS crisis and persons at high risk of contracting HIV, a group model for the management of chronic pain, group intervention services for the homeless mentally ill delivered through a mobile outreach team, a bingo group in an SRO hotel, group work with adults molested as children, and a model of practice for work with minority populations and communities. **Socially Just Practice in Groups** Robert M. Ortega, Charles D. Garvin, 2019-01-09 **Socially Just Practice in Groups** A Social Work Perspective comprehensively covers all aspects of group practice in social work settings, integrating a unique social justice framework throughout. Drawing from their experience as group work practitioners, authors Robert Ortega and Charles D. Garvin walk readers through the basics of group practice, including getting started, doing group work, establishing the purpose, roles and tasks of the group, stages and phases of practice, and specific skills in assessment, monitoring, and evaluation. A social justice framework provides a fresh perspective during an era of widespread social change and provides social workers tools for effective group interventions. Chapters contain detailed case examples to illustrate concepts presented, as well as exercises to help students practice skills.

Publication, 1947 **The Mutual-Aid Approach to Working with Groups** Dominique Moyse Steinberg, 2013-05-13 This updated edition of *The Mutual Aid Approach to Working with Groups* includes four new chapters that address single session groups, short term groups, open ended groups, and very large groups. This book provides a foundation for practice, examining theories, concepts, and practice principles specific to mutual aid. Readers are directed to ample study resources in key areas via recommended reading lists at the end of each chapter. Case examples are used to help bridge the gap between theory and practice in an immediately useful manner, and handy tables and figures make important points easy to access and understand.

To view an excerpt online find the book in our QuickSearch catalog at www.HaworthPress.com **Handbook of Social Work with Groups** Charles D. Garvin, Lorraine M. Guti rrez, Maeda J. Galinsky, 2017-02-13 This comprehensive handbook presents major theories of social work practice with groups and explores contemporary issues in designing and evaluating interventions Students and practitioners gain an in depth view of the many ways that groups are used to help people address personal problems cope with disabilities strengthen families and communities resolve conflict achieve social change and more Offering authoritative coverage of theoretical practical and methodological concerns coupled with a clear focus on empowerment and diversity this is an outstanding text for group work and direct practice courses ***Making Joyful Noise*** Andrew Malekoff, Robert Salmon, Dominique Moyse Steinberg, 2014-01-02 This diverse collection of articles by group work professionals who work in the classroom and in the field captures not only the art and science of social work with groups but also its soul highlighting practice teaching and writing ideas that promote the power of group work and the people who do it Making Joyful Noise reinforces the value and uniqueness of group work as a positive optimistic empowering and affirming way of working with people The articles presented here cover a wide range of age groups populations and settings and include examples on the use of activity and discussion in groups a poetry club for children the meaning of camp for preadolescents a boxing group for adolescents who live in the inner city self defense classes for adults and caregiver support for the elderly The book also steps into the classroom to promote the teaching of social group work and the education of advanced group work practitioners and to encourage practitioners to write about their group work practice Finally the book presents and illustrates a number of concepts that are unique to group work and that encourage front line practitioners to be bold and to stay in the mess While organized as a tribute to the late Dr Roselle Kurland Making Joyful Noise is in and of itself an important collection of articles and essays on social group work and one that is certain to provide all practitioners who are interested in group work with a spark a smile and some needed inspiration for their important work Making Joyful Noise includes essentials for preserving promoting and portraying group work practice the critical relationship between human and professional ethics in group work six common mistakes that practitioners make in regard to group purpose using organizational analysis to improve group work practice creatively blending activity and discussion in diverse settings cultivating collegiality to reduce isolation and enhance practice developing a capacity to stay in the mess in group work with people of all ages skills for effectively working with transitions separation and loss in group guidelines for practitioners wishing to write for publication and much more This book is a rich and diverse collection that is required reading for anyone working to promote social work with groups **Theories of Social Work with Groups** Robert W. Roberts, Helen Northen, 1976 Available for the first time in English this is the definitive account of the practice of sexual slavery the Japanese military perpetrated during World War II by the researcher principally responsible for exposing the Japanese government's responsibility for these atrocities The large scale imprisonment and rape of thousands of women who were

euphemistically called comfort women by the Japanese military first seized public attention in 1991 when three Korean women filed suit in a Toyko District Court stating that they had been forced into sexual servitude and demanding compensation Since then the comfort stations and their significance have been the subject of ongoing debate and intense activism in Japan much if it inspired by Yoshimi s investigations How large a role did the military and by extension the government play in setting up and administering these camps What type of compensation if any are the victimized women due These issues figure prominently in the current Japanese focus on public memory and arguments about the teaching and writing of history and are central to efforts to transform Japanese ways of remembering the war Yoshimi Yoshiaki provides a wealth of documentation and testimony to prove the existence of some 2 000 centers where as many as 200 000 Korean Filipina Taiwanese Indonesian Burmese Dutch Australian and some Japanese women were restrained for months and forced to engage in sexual activity with Japanese military personnel Many of the women were teenagers some as young as fourteen To date the Japanese government has neither admitted responsibility for creating the comfort station system nor given compensation directly to former comfort women This English edition updates the Japanese edition originally published in 1995 and includes introductions by both the author and the translator placing the story in context for American readers

I[informational] S[ervice] C[ircular] United States. Social Security Administration,1960 Deconstructing Group Work for Human Service Professionals Dominique Moyse Steinberg,Eileen C. Lyons,2022-11-04 Spotlighting the skills of social group work this handbook offers practical guidance and theoretical knowledge enabling the reader to facilitate groups of varying types with increased clarity purpose and confidence The reader is helped to understand what skill to employ when and why New or veteran group facilitators are reminded to empower group members to both employ their strengths and engage in mutual aid the fundamental value and methodology that underlies social group work Specific skills help group members to coalesce as a cohesive group and optimize their capacity to reach their goals whether exploring therapeutic answers or accomplishing work tasks This book illustrates that there are basics to the method of human service work with groups that can help you to feel more at ease with and more effective at working with people in groups The group work method is delineated for you outlining 1 skills of working with groups ways of thinking or doing to make things happen 2 practice principles the moral reasoning that underlies what you choose to think and do in your practice and 3 theoretical underpinnings for those choices why your choices will achieve desirable ends Anecdotal material and skills in action provide explicit examples of what skills look like in real time Social work students and academics as well as students and professionals working in the fields of youth work counseling mental health clinical social work and related health subjects will find this book of interest *Task Groups in the Social Services* Marian Fatout,Steven R. Rose,1995-02-17 This work should serve as a sound foundation for students and practitioners as they begin their study of the significance of various groups in social work practice Choice Collective problem solving a powerful and effective means of assessing a situation

determining a course of action and accomplishing goals In the realm of social services this formidable method has been evidenced in the development of task groups in the textbook arena it is clearly and definitively presented in Task Groups in the Social Services Focusing on the role of the social worker the authors consider such aspects as the recruitment and composition of groups participation as a team member group shepherding and dealing with problem behaviors within the group Selected problem solving approaches including brainstorming societal judgment analysis and the Delphi technique are evaluated in terms of process and outcome From implementation through achievement the merits and methods of application for a variety of task groups are assessed This sophisticated work will be a vital resource for students of social work and social work practitioners alike **Federal Probation** ,1963 **Integrating Social Work Methods** Harry Specht,Anne Vickery,2021-11-07 Throughout its history social work has been seeking a means to state its purposes and methodology as a unity that transcends the purposes and methodology applicable in particular fields of practice or sanctioned by particular legislation or practised by a particular kind of worker Recent changes in society developments in social work practice new additions to the knowledge base of social work and current reorganisation of the social services had led to an intensified interest in this integrated approach Originally published in 1977 Integrating Social Work Methods introduces the reader to the main developments in the conceptualisation of a unitary method It clarifies what it is that is being unified identifies issues involved in the attempt to unify and discusses their implications for social work practice and training As such it represented the first substantial British text in the field and was widely welcomed by social work practitioners administrators and educators at the time Groups that Work Paul H. Ephross,Thomas V. Vassil,2005 Working groups play a major role in the development of health human services The authors discuss the skills needed for effective participation leadership within these groups Essential Theory for Social Work Practice Chris Beckett,2006-04-06 I can say without equivocation this text is without doubt the best book about social work I have read Chris Beckett explores the purpose values activities and theories of social work in an ever changing social context that is clearly identified and examined Stephanie Petrie University of Liverpool Every day social workers face decisions that will significantly impact others lives and it is essential that these practical assessments are supported by a sound understanding of social work theory In this innovative and highly accessible textbook Chris Beckett explains how an understanding of these theoretical issues can improve the knowledge and skills base of professional practice Essential Theory for Social Work Practice is an engaging and readable text with a distinctively realistic and honest approach to the realities of everyday practice Framed in a comprehensive and logical structure Part 1 establishes what social workers do and the tools they need Part 2 considers how to assess handle and support change in others Part 3 explores the wide range of roles that social workers must fulfil Part 4 strengthens these links between theory and practice Exercises case examples chapter summaries and practice notes are used to great effect in each chapter enabling students to apply theory to practice as they progress through the book The book is an invaluable core text for all

undergraduate social work students and offers excellent support for practitioners in their every day practice **Group Work Practice in a Troubled Society** Roselle Kurland, Robert Salmon, 2013-10-08 This book presents the wide range and diversity of effective group work practice in today's troubled society. Representing the best in current practice, chapters discuss modern group work and contain rich examples of practice and theory. *Group Work Practice in a Troubled Society* examines the social realities in which group work is now practiced and addresses present day social issues and problems. Contributing authors to *Group Work Practice in a Troubled Society* discuss innovations in practice programs and theory and a wide variety of work with clients in many different settings. There is a breadth and strength and diversity in contemporary group work practice and the authors, practitioners and educators from the United States, Canada and Hong Kong, represent the vitality of current practice and theory. Among the many topics they discuss are: contextual group work practice, latent content in work with groups, group work in administration, cultural sensitivity and diversity in small group practice, group work in other cultures and with immigrant populations, feminist group work and unique considerations in work with women's groups, group work with sexually abused children, incest survivors and with sexual offenders, group work in community centers, group work with mentally ill, chemical abusers, group work use in an innovative 12 step modality. *Group Work Practice in a Troubled Society* provides a wealth of information and ideas for social workers and students of social work who are interested or involved in group work and who wish to learn more about current practice and developments in the field.

Essentials Of Social Group Work Skill Introduction

In today's digital age, the availability of Essentials Of Social Group Work Skill books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Essentials Of Social Group Work Skill books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Essentials Of Social Group Work Skill books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Essentials Of Social Group Work Skill versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Essentials Of Social Group Work Skill books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Essentials Of Social Group Work Skill books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Essentials Of Social Group Work Skill books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Essentials Of Social

Group Work Skill books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Essentials Of Social Group Work Skill books and manuals for download and embark on your journey of knowledge?

FAQs About Essentials Of Social Group Work Skill Books

What is a Essentials Of Social Group Work Skill PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Essentials Of Social Group Work Skill PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Essentials Of Social Group Work Skill PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Essentials Of Social Group Work Skill PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Essentials Of Social Group Work Skill PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out

forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
