**Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004 *Social Psychology and Human Sexuality* Roy F. Baumeister, 2001 Presents a selected group of influential articles dealing specifically with the social aspects of sexuality topics covered include differences between male and female sexuality virginity harassment rape and coercion and jealousy

Human Sexuality Eric Golanty, Gordon Edlin, 2011-03-02 Human Sexuality The Basics presents the core information underlying the vast subject of human sexuality in a concise no frills manner that is easy for students to read and comprehend Emphasis on the biological basis of sexuality provides students with a structure to understand the important aspects of sexuality presented in other chapters This approach also provides the basis for encouraging tolerance acceptance and understanding of different sexual preferences and behaviors Critical thinking questions at the end of each chapter along with learning objectives summaries and definitions of terms facilitate learning for students Book Jacket **Reproduction** Martin H. Johnson, 2018-01-11 Essential Reproduction provides an accessible account of the fundamentals of reproduction within the context of cutting edge knowledge and examples of its application The eighth edition of this internationally best selling title provides a multidisciplinary approach integrating anatomy physiology genetics behaviour biochemistry molecular biology and clinical science to give thorough coverage of the study of mammalian reproduction Key features Contains discussion of the latest on conceptual informational and applied aspects of reproduction New pedagogical features such as clinical case studies at the end of each chapter Better use of boxed material to improve separation of narrative text from ancillary information Highlighted key words for ease of reference relate to summary of key points Introduction now split into two sections Expanded content in Fetal challenges and Society and reproduction Substantial rearrangement and updating in Making sperm Controlling fertility and Restoring fertility Fundamentals of Human Sexuality Herant A. Katchadourian, Donald T. Lunde, 1980 **Essential Human Development** Samuel Webster, Geraint Morris, Euan Kevelighan, 2018-02-05 As our understanding of the human body broadens so does the need for a comprehensive text that encompasses all aspects of human development Essential Human Development is a great course companion that focuses on the human life cycle ideal for the undergraduate student new to these fields or for qualified practitioners looking for a reference guide Featuring key information points and self test assessments in each chapter the book is organised in an accessible manner beginning with fertilisation and embryology then moving on to obstetric medicine neonatal care and child health with the final section exploring gynaecological medicine Ensuring that information is placed in context to aid understanding Essential Human Development is the perfect support for the modern medical school curriculum as well as a vital reminder of the core information needed whilst on a women or child health clinical placement Handbook for Conducting Research on Human Sexuality Michael W. Wiederman, Bernard E. Whitley, Jr., 2012-12-06 Human sexuality researchers often find themselves faced with questions that entail conceptual methodological or ethical issues for which their

professional training or prior experience may not have prepared them The goal of this handbook is to provide that guidance to students and professionals interested in the empirical study of human sexuality from behavioral and social scientific perspectives It provides practical and concrete advice about conducting human sexuality research and addresses issues inherent to both general social scientific and specific human sexuality research This comprehensive resource offers a unique multidisciplinary examination of the specific methodological issues inherent in conducting human sexuality research The methodological techniques and advances that are familiar to researchers trained in one discipline are often unfamiliar to researchers from other disciplines This book is intended to help enrich the communication between the various disciplines involved in human sexuality research Each of the 21 self standing chapters provides an expert overview of a particular area of research methodology from a variety of academic disciplines It addresses those issues unique to human sexuality research such as how to measure sexuality variables how to design studies recruit participants and collect data how to consider cultural and ethical issues and how to perform and interpret statistical analyses This book is intended as a reference tool for researchers and students interested in human sexuality from a variety of disciplines including psychology sociology family science health communication nursing medicine and anthropology Journal of Health, Physical Education, Recreation Basics of Human Andrology Anand Kumar, Mona Sharma, 2017-07-24 This book addresses various aspects of male reproduction ranging from mind to testis The basis of maleness lies in the Y chromosome Reproductive functions depend upon the development of male organs from embryo to manhood Testis the male gonad produces hormones and sperms the latter is ejaculated in semen secreted by accessory sex glands The testicular events are under neuroendocrine regulation which coordinates reproductive life from puberty to andropause Biology is as important as psychology in the control of reproduction Behaviours are rooted in the brain Various brain areas and neural circuits regulate male behaviours Brain sexual polymorphism is the basis of homosexuality and transgenders Neurophysiology has always been complex to understand But this book presents it in a simpler way Reproductive organs receive systemic influences too The book describes roles of metabolic immune and thyroid status in reproduction The book has chapters on male reproductive pathophysiology Principles of diagnosis and management are also included The last section deals with contraception and yoga The traditional wisdom of yoga has been used for millennia to enhance sexual and reproductive experience This book will serve basic medical scientists urologists nephrologists surgeons andrologists endocrinologists gynaecologists nurses councellors and also the students of biological sciences who want to study reproduction in human male The language is kept simple so that an inquisitive person with a background of biology too may read it **Tools for Teaching Comprehensive** Human Sexuality Education Dominick Splendorio, Lori Reichel, 2014-03-14 A hands on resource filled with interactive activities to engage students thinking and skill development This book contains ready to use lesson plans referencing both the National Sexuality Education Standards and the National Health Education Standards and is arranged into chapters by
