Son,1906 *God and Time* Natalja Deng,2018-11-29 The God of Western religion is said to be eternal But what does that mean Is God somehow beyond time living a life that does not involve one thing after another Or is God s relationship to time much more like ours so that God s eternity just consists in there being no time at which God doesn t exist Even for non believers these issues have interesting implications for the relation between historical and scientific findings on the one hand and religion on the other This Element introduces the reader to the requisite metaphysical background and then examines reasons for and against thinking of God as timeless Christian Discourses Søren Kierkegaard,2007 The International Kierkegaard Commentary For the first time in English the world community of scholars systematically assembled and presented the results of recent research in the vast literature of S ren Kierkegaard Based on the definitive English edition of Kierkegaard s works by Princeton University Press this series of commentaries addresses all the published texts of the influential Danish philosopher and theologian This is volume 17 in a series of commentaries based upon the definitive translations of Kierkegaard s writings published by Princeton University Press 1980ff **Spink & Son's Monthly Numismatic Circular** ,1894 **LIFTING UP THE SENIOR SPIRIT** REV.
