return to the farm to assist his parents never to leave again Because people seem not to wish to speak other than in vague and general terms about Frome s past the narrator s curiosity grows but he learns little more     **Ethan Frome** Edith Wharton,2016-01-25 I had the story bit by bit from various people and as generally happens in such cases each time it was a different story If you know Starkfield Massachusetts you know the post office If you know the post office you must have seen Ethan Frome drive up to it drop the reins on his hollow backed bay and drag himself across the brick pavement to the white colonnade and you must have asked who he was It was there that several years ago I saw him for the first time and the sight pulled me up sharp Even then he was the most striking figure in Starkfield though he was but the ruin of a man It was not so much his great height that marked him for the natives were easily singled out by their lank longitude from the stockier foreign breed it was the careless powerful look he had in spite of a lameness checking each step like the jerk of a chain There was something bleak and unapproachable in his face and he was so stiffened and grizzled that I took him for an old man and was surprised to hear that he was not more than fifty two I had this from Harmon Gow who had driven the stage from Bettsbridge to Starkfield in pre trolley days and knew the chronicle of all the families on his line He s looked that way ever since he had his smash up and that s twenty four years ago come next February Harmon threw out between reminiscent pauses The smash up it was I gathered from the same informant which besides drawing the red gash across Ethan Frome s forehead had so shortened and warped his right side that it cost him a visible effort to take the few steps from his buggy to the post office window He used to drive in from his farm every day at about noon and as that was my own hour for fetching my mail I often passed him in the porch or stood beside him while we waited on the motions of the distributing hand behind the grating I noticed that though he came so punctually he seldom received anything but a copy of the Bettsbridge Eagle which he put without a glance into his sagging pocket At intervals however the post master would hand him an envelope addressed to Mrs Zenobia or Mrs Zeena Frome and usually bearing conspicuously in the upper left hand corner the address of some manufacturer of patent medicine and the name of his specific These documents my neighbour would also pocket without a glance as if too much used to them to wonder at their number and variety and would then turn away with a silent nod to the post master     Ethan Frome Edith Wharton,2000 Ethan Frome is a poor New England farmer who lives a downtrodden existence with his wife in this story of pessimism and tragic waste from one of America s great authors
