Illusion In Loving:

ILLUSIONS ,2022-11-05 ILLUSION deals with a beautiful theme called imagination or perceptual experiences An illusion is a sensory distortion that reveals how the mind normally organizes and interprets sensory stimulation **Merleau-Ponty: An Ontology of the Imaginary** Annabelle Dufourcq,2024-11-19 This study brings to light the original concept of the imaginary that emerges from Merleau Ponty s thought It elucidates the main influences that contributed to shaping Merleau Ponty s theory of the imaginary and aims to show that this novel concept constitutes one of the most crucial yet challenging keys to his philosophy and ultimately his ontology This book develops the ontology of the imagery sketched by Merleau Ponty and examines its practical implications As its originally ambiguous and inseparable underside the imaginary is just as central to Merleau Ponty s philosophy as perception The author argues to enlarge the notion of reality by recognizing the imaginary dimension and texture of the real and that Merleau Ponty s ontology of the flesh cannot be separated from an ontology of the imaginary This monograph examines Merleau Ponty s conception of the imaginary against both his aesthetics and his political philosophy and appeals to students and researchers working in phenomenology and continental philosophy **Pure Love** Dada Bhagwan,2015-04-28 For those wondering how to become more spiritual or how to lead a spiritual life Pure Love emerges as an essential value Naturally one begins inquiring into the ultimate meaning of love what is love what is true love and what is unconditional love Other questions may also arise such as To cultivate unconditional love is forgiveness required If so how can I learn to practice forgiveness prayer Does unconditional positive regard evolve into unconditional love In the context of unconditional love what is marriage Can a husband and wife relationship transform into living for love and ultimately become an example of love supreme In the book Pure Love Gnani Purush embodiment of Self knowledge Dada Bhagwan offers a profound explanation of unconditional love meaning and describes how Pure Love grows naturally with spiritual development Dadashri explains that the knowledge of Self the beginning of spiritual awakening and that the blossoming of Pure Love is one of the signs of spiritual awakening Among the many spiritual books available today this resource on the topic of Pure Love will prove invaluable **Sacred & Profane Love** Arnold Bennett,1912 *The Fra* Elbert Hubbard,Felix Shay,1912 *The Woman who Rode Away* David Herbert Lawrence,1928 *The Veiled Beyond* Sigmund Bowman Alexander,1888 *The Adelphi* John Middleton Murry,1925 *Sacred and Profane Love* Arnold Bennett,1919 *Illusion in Loving* Joel Shor,Jean Sanville,1979 *The One in Search for Love* Dan Duțescu,2024-09-27 As the opening motto recites IN THIS WORLD LOVE IS THE ONLY CURE FOR A SICKENED SOUL Dan Du escu immediately establishes the essential character of his poems it is not society that consents to love but the very planet a sign the poet is certain that the values he believes in are shared by all his fellow beings Poignant words that emerge from the depths of his essence the author generously strips himself of any superfluous structure Every word is pinned down with candour and strength in an endless expanse that falls into the abyss into the sea and then always rises up and rises again because the

strength of love is impregnable and eternal Dan Du escu born in the town of Craiova in the southern part of Romania in a landscape of rare beauty with mountains on the horizon and rapid rivers crossing the forests near the mountain area All this marked his childhood years The greatest Romanian poet namely Mihai Eminescu repeatedly visited the grandparents house His father fought in the Second World War having the rank of lieutenant in the Romanian army being wounded at Stalingrad and his mother was a graduate of the Academy of Economic Studies in Bucharest A family of intellectuals with a childhood marked by joys but also by many shortcomings related to the lack of food clothes suitable for different seasons and the persecution of the communist system against his father who throughout his life was followed and even investigated by the security organs of state of the dictatorship regime established by Nicolae Ceausescu Dan graduated from both departments of the Faculty of Law in Bucharest the first in 1985 and the second in 1992 and nowadays is still a lawyer in the Craiova Bar Association Throughout this period and until now he has been preoccupied with putting down on paper feelings of love towards people nature God and things related to the small and big universe He likes to paint play the piano and last but not least play tennis Spiritual letters of archbishop Fénelon. Letters to women, tr. by the author of 'Fénelon, archbishop of Cambrai'. (Half-a-crown eds. of devotional works). François de Salignac de la Mothe Fénelon (abp. of Cambrai.),1880

Søren Kierkegaard, 2025-07-15 Following his acclaimed translations of *Fear and Trembling* and *The Sickness unto Death* Bruce H Kirmmse presents a new translation of Kierkegaard's discourses on love Bruce H Kirmmse is among the very best translators of Kierkegaard working today Christopher B Barnett A founding figure of existentialism Søren Kierkegaard is perhaps best known for his writing on anxiety and despair particularly in such works as *Fear and Trembling* *The Concept of Anxiety* and *The Sickness unto Death* Yet love too is a common theme in Kierkegaard's oeuvre underlying his various collections of edifying discourses as well as *Either/Or* *Stages on Life's Way* *Christian Discourses* and especially *Works of Love* First published in 1847 *Works of Love* is the most important explicitly religious work Kierkegaard published under his own name Intended to awaken rather than convince replicating in Socratic fashion the stinging impatient character of a gadfly the book consists of two sets of deliberations on love the first set addressing love as a duty and the second examining the applications of love Throughout Kierkegaard contrasts romantic love and love of one's friends with the selfless Christian love or agape of the New Testament ultimately contending that the only way to purge self-interest from love is to love one's neighbor as oneself and oneself as one's neighbor who is indeed unconditionally every person Although careful to distinguish his deliberations from clerical sermons Kierkegaard insisted that in order to grasp the full meaning of the texts that constitute *Works of Love* one must hear them Kierkegaard makes this point repeatedly in his journals and indeed the preface of a work he published a few years after *Works of Love* begins with the words My dear reader If possible read aloud If you do so let me thank you for it While previous translations have not given sufficient attention to this critical aural aspect of the text Bruce H Kirmmse's translation preserves it thus making the same request of its readers that Kierkegaard once made of his to hear the argument by reading it aloud Featuring an illuminating introduction by Kirmmse this new translation of *Works of Love* promises to become the standard for generations to come [Living a Spiritualized Life](#) Amanda Riley, 2016-11-07 *Living a Spiritualized Life* Transformational Bridges to Our Inner Universe offers metaphysical guidance on how you can transcend negative habits addictions and other discordant behaviors It provides transformational spiritual bridges to your inner universe as it moves you through profound inner changes leading from fear to love These bridges to a deeper spiritual awareness include the following Taking responsibility Practicing forgiveness Expressing gratitude Setting intentions Choosing happiness Surrendering and allowing Demonstrating willingness Accepting what arises **Awakening to the Power of Peace—Love—Joy—Gratitude** Jean Maalouf, 2019-08-09 Humankind is at the present time reaching a critical point in history A disaster of apocalyptic proportions could erupt at any time I know not with what weapons World War III will be fought predicted Albert Einstein but World War IV will be fought with sticks and stones What we are to do in order to prevent such catastrophic events We are to change the way we think insists philosopher Maalouf We are to see people and things in different ways We are to see with God's eyes We are to witness the birth of a new consciousness For philosopher Jean Maalouf who holds two Ph.D.s and who has published more than forty books one needs to go beyond the symptoms he

affirms and find the root causes of our crises His new book Awakening to the Power of Peace Love Joy Gratitude goes straight to the very core of our crises and points the way to their solutions The truth is that the battlefield is not primarily on the land where people confront and kill each other The true battlefield is where decisions are made in the people s minds hearts and souls This is also where solutions should be found Dr Maalouf invites us to change the way we perceive reality so that a new way of living can emerge If we don t learn to love one another and to live together in peace we will continue to kill each other and we will perish together We are interconnected We are interdependent What we think about how we see things and what we say and do and the way we live our life matter greatly We ly all of us together we should live in peace love joy and gratitude

Struggling for the Soul of Our Country Preston M. Browning,2016-05-20 Struggling for the Soul of Our Country is a book in search of answers what does it mean to struggle for the soul of a country and how does the life of citizenship influence our common future While discussing major cultural and political issues Browning addresses the deeper questions haunting many of our citizens and reflects upon the spiritual dimension of the crises America faces today With titles such as American Global Hegemony vs the Quest for a New Humanity Why I Am a Christian Socialist and American Dystopia these essays examine aspects of American political and cultural life in an effort to shed light on the pathologies that Browning claims undermine the health of the country s soul This book invites the reader to examine the development of America as a militaristic empire initiating multiple wars abroad including a disastrous war in Iraq and fostering at home a culture of violence that led to the assassination of an American president John F Kennedy by agents of the US government
