(Im)mobile Homes Earvin Charles B. Cabalquinto, 2022 The home has been on the forefront of rapid economic political social and technological transformations for many individuals and families across the world As a country reliant on the exportation of human labor to sustain its national economy the Philippines exemplifies a valuable case study of the impacts of a globalized and networked society on the everyday dynamics of a transnational family arrangement Despite ranking among the heaviest Internet users in the world Filipino citizens are often left with no choice but to navigate digital and transnational environments orchestrated by the uneven distribution of both national and international resources and opportunities Im mobile Homes investigates the role of smartphones social media channels and various mobile applications in forging and sustaining intimate ties among dispersed Filipino family members Examining the digital lifeworlds of transnational Filipino family in Australia this volume draws on rich ethnographic study to explore the benefits of digital communication as well as the tensions enabled by the influences of socio cultural structures socio economic conditions technological affordances and institutional policies and processes on mobile practices It portrays the physically distributed yet virtually connected nature of the transnational Filipino family through diverse contexts such as observing family rituals performing intimate care and managing crises and foregrounds their unique strategies in addressing the interruptions of connecting at a distance Ultimately this volume underscores how mobile practices of the transnational Filipino family negotiate the pre existing and broader structural systems that re produce marginalization in a digital and global era Enriched by moving stories of transnational families Im mobile Homes offers a critical lens towards interrogating the possibilities and politics of a home from afar in the digital era

prepare a place for you John 14 2 NKJV This book is a collection of real life scenarios she has been witness to she wants to give you calm and peace as you transition to the next stage of light the only stage that all of us will experience death May you feel the promise that God will be there to meet you when you arrive in your new home No need for angst at the end Go in peace and live joyously and confidently knowing your final destination is already reserved Happy birthday as you breathe your last breath Enjoy the whoosh Bev *Weekly Compilation of Presidential Documents* ,2000 *With Mother's Approval*

Mike Wells,Robert Rand,2014-09-09 When the Seattle PD mishandles a string of brutal murders Detectives Allie and Jeremy Branson of the King County Sheriff s Department are called in to stop the elusive Call Girl Killer What they uncover is more twisted than they ever imagined a psychopathic killer with deep rooted emotional scars inflicted by his domineering long deceased mother As the Bransons close in they must face the ultimate question Can they outwit a man trained from birth to manipulate and destroy and stop his spree before he claims his next victim What readers are saying A dark twisted and compelling thriller that keeps you guessing until the very end The tension builds with each page hard to put down Gut wrenching graphic and harrowing yet typically Mike Wells unputdownable Fantastic character dynamics especially the realistic and witty banter between the detectives A gripping psychological thriller that explores the meaning of family and trauma
