**The Book of Promethea** Hélène Cixous, 1991-01-01 In writing *Le Livre de Promethea* Hélène Cixous set for herself the task of bridging the immeasurable distance between love and language She describes a love between two women in its totality experienced as both a physical presence and a sense of infinity The result is a stunning example of *Pécriture* feminine that won kudos when published in France in 1983 Its translation into English by Betsy Wing will extend the influence of a writer already famous for her novels and contributions to feminist theory In her introduction Betsy Wing notes

the contemporary emphasis on fictions of presence Cixous in *The Book of Promethea* works to repair the separation between fiction and presence trying to chronicle a very present love without destroying it in the writing     *Diamond on the Bird*
