McLaren, 2009-08-30 **WARNING** This is not just another book on evangelism It's a simple idea of evangelism through friendship first and the opportunities to share your faith that follow It will bring friendships you already have to a new level and create opportunities for new authentic friendships with those you will eventually meet OUT Evangelism as sales pitch as conquest as warfare as ultimatum as threat as proof as argument as entertainment as show as monologue as something you have to do IN Disciple making as conversation as friendship as influence as invitation as companionship as challenge as opportunity as conversation as dance as something you get to do You're more ready for this than you realize and so are your friends **The Collected Letters of Katherine Mansfield**

Vincent O'Sullivan, Margaret Scott, 2008-06-05 The fifth and final volume of the Collected Letters of Katherine Mansfield covers the almost thirteen months during which her attention at first was firmly set on a last chance medical cure then finally on something very different if death came to seem inevitable how should one behave in the time that remained so one could truly say one lived Mansfield's biographers like her friends have wondered at the seemingly extraordinary decision to ditch conventional medicine for the bizarre choice of Gurdjieff's Institute for the Harmonious Development of Man at Fontainebleau These letters show the clarity of mind and will that led to that decision the courage and distress in making it and the gaiety even once it was made She went against what her education her husband and most of her friends would regard as reasonable as she opted to spend her last months with Russian migrants and a strange assortment of Gurdjieff disciples which she was not But Fontainebleau gave her the space and the incentive to shake free from the intellectualism that she thought the malaise of her time as she worked at kitchen chores took in the details of farm life tried to learn Russian and attempted to reach total honesty with herself If I were allowed one simple cry to God she wrote in one of her last letters that cry would be I want to be REAL
