*Images and Shadows* Iris Origo,1974      *Images and Shadows* Iris Origo,1971 Iris Origo was born in 1902 and was instantly catapulted into a life of unfair advantages of birth education money environment and opportunity But she used this birth right wisely and her legacy includes a string of books beloved and admired equally by historians biographers and readers      **Images and shadows** ,1970      *Images and Shadows : Part of a Life* Iris Margaret Origo (Marchesa Origo.),1972      **The Old Devils** Kingsley Amis,2012-10-02 Booker Prize Winner A pub gathering of elderly married couples devolves into booze inflected reminiscing and complaining in this sharp and funny English comedy about marriage aging and friendship The Washington Post Age has done everything except mellow the characters in Kingsley Amis s *The Old Devils* which turns its humane and ironic gaze on a group of Welsh married couples who have been spending their golden years when all of a sudden the evening starts starting after breakfast nattering complaining reminiscing and above all drinking This more or less orderly social world is thrown off kilter however when two old friends unexpectedly return from England Alun Weaver now a celebrated man of Welsh letters and his entrancing wife Rhiannon Long dormant rivalries and romances are rudely awakened as life at the Bible and Crown the local pub is changed irrevocably Considered by Martin Amis to be Kingsley Amis s greatest achievement a book that stands comparison with any English novel of the twentieth century *The Old Devils* confronts the attrition of ageing with rare candor sympathy and moral intelligence      *War, Massacre, and Recovery in Central Italy, 1943-1948* Victoria Belco,2010-01-01 The Second World War wreaked unprecedented devastation throughout Europe necessitating monumental reconstruction efforts that burdened not only governments but the lives of ordinary citizens *War Massacre and Recovery in Central Italy 1943 1948* examines this transitional period in the province of Arezzo by detailing the daily experiences of civilians through the traumas of war and the difficulties of recovery Studying the aftermath of war in a new and insightful way Victoria C Belco shifts the perspective from the national to the local level With this localized focus she provides valuable insight into the ways in which civilians coped with an overwhelming range of problems from adjusting to Allied occupation and widespread displacement to rampant unemployment and the restructuring of local administrations and institutions after fascism Recreating the post war atmosphere of disorder need and political upheaval Belco shows how the competing community interests caused social fragmentations that impeded change while the unity of a shared past prevented civil war      *La Foce* Katia Lysy,2024-09-17 Discover La Foce the Renaissance villa and classically inspired twentieth century garden at the dawn of its hundredth anniversary once a barren Tuscan estate brought to life through the extraordinary vision and determination of Iris and Antonio Origo In 1924 English born biographer and writer Iris Origo 1902 1988 and her husband Antonio purchased La Foce a sprawling estate centered around a half ruined fifteenth century villa with a dream that was as ambitious as it was audacious Guided by a deep seated desire to make a difference the Origos dedicated their lives to transforming an impoverished terrain into a thriving landscape of wheat fields

olive groves and vineyards With English architect Cecil Pinsent they refurbished the house and designed an elegant terraced garden with box hedges a rose garden fountains and a wisteria covered pergola The dramatic story of La Foce from the taming of the wild valley and personal loss to wartime strife is told by the Origos granddaughter Katia Lysy with reminiscences by Benedetta Origo the couple's elder daughter The letters and diaries of Iris Origo weave beautifully into a personal narrative of the creation of the property and the people behind it Newly commissioned photographs by Simon Upton and Matteo Carassale a foldout annotated view of the property and a recently discovered cache of unpublished images of the creation of the garden in the 1920s bring to life the rich history of the magnificent property **The Kindertransport to**

are stressed For millennia Jews were considered outside of normal history passive victims of persecution then suddenly with Emancipation they fell into history and out of their mythical place in the scheme of things Everything seemed to crumble into dust and ashes

**Charisma and Disenchantment: The Vocation Lectures** Max Weber, 2020-02-04 A new translation of two celebrated lectures on politics academia and the disenchantment of the world The German sociologist Max Weber is one of the most venturesome stimulating and influential theorists of the modern condition Among his most significant works are the so called vocation lectures published shortly after the end of World War I and delivered at the invitation of a group of student activists The question the students asked Weber to address was simple and haunting In a modern world characterized by the division of labor economic expansion and unrelenting change was it still possible to consider an academic or political career as a genuine calling In response Weber offered his famous diagnosis of the disenchantment of the world along with a challenging account of the place of morality in the classroom and in research In his second lecture he introduced the notion of political charisma assigning it a central role in the modern state even as he recognized that politics is more than anything a slow and difficult drilling of holes into hard boards Damion Searls s new translation brings out the power and nuance of these celebrated lectures Paul Reitter and Chad Wellmon s introduction describes their historical and biographical background reception and influence Weber s effort to rethink the idea of a public calling at the start of the tumultuous twentieth century is revealed to be as timely and stirring as ever

**Their Other Side** Helen Barolini, 2009-08-25 Our lives are Swiss Emily Dickinson wrote in 1859 So still so cool But over the Alps Italy stands the other side For Dickinson as for many other writers and artists Italy has been the land of light a seductive source of invention enchantment and freedom So it was for Helen Barolini who as a student in Rome after World War II wrote her first poetry and gave birth to her own creative life reinvigorating her mother tongue In this book Barolini celebrates the lives of other women whose imaginations succumbed to the lure of Italy Here Barolini profiles six gifted women transformed by Italy s mythic appeal Unlike Barolini herself they were not daughters of the great Italian diaspora Rather they were drawn to an idea of Italy and its gifts in whose welcome a new self could be created Or discovered Emily Dickinson traveled to Italy only in the imaginative genius of her verse Margaret Fuller struggled alongside her Italian lover in the political revolutions that gave birth to the Italian Republic while the novelist and short story writer Constance Fennimore Woolson found her home in Venice and Florence Here too is the flamboyant artist Mabel Dodge Luhan entertaining at her villa near Florence and Marguerite Chapin of Connecticut who married an Italian prince and in Rome founded the premier literary review of the mid century Botteghe Oscure Finally here is Iris Cutting Origo the Anglo American heiress who with her Italian nobleman husband built a Tuscan estate where she wrote acclaimed biographies and created a refuge from Mussolini s fascism Linking these lives Barolini shows is the transforming catalyst of change in a new land Their Other Side is a wise warm and deeply felt literary journey that brilliantly captures the enduring effects of Italy as a place a culture and an experience

**Schindlers** Agnes Grunwald-Spier,2010-12-26 Thanks to Thomas Keneally's book Schindler's Ark and the film based on it Schindler's List we have become more aware of the fact that in the midst of Hitler's extermination of the Jews courage and humanity could still overcome evil While 6 million Jews were murdered by the Nazi regime some were saved through the actions of non Jews whose consciences would not allow them to pass by on the other side and many are honoured by Yad Vashem as Righteous Among the Nations for their actions As a baby Agnes Grunwald Spier was herself saved from the horrors of Auschwitz by an unknown official and is now a trustee of the Holocaust Memorial Day Trust She has collected together the stories of thirty individuals who rescued Jews and these provide a new insight into why these people were prepared to risk so much for their fellow men and women With a foreword by Sir Martin Gilbert one of the leading experts on the subject this is an ultimately uplifting account of how some good deeds really do shine in a weary world **Art and the Augustinian Order in Early Renaissance Italy** Louise Bourdua,Anne Dunlop,2007 Art and the Augustinian Order in Early Renaissance Italy views art in the formative period of the Augustinian Hermits an order with a particularly difficult relation to art As a first detailed study of visual culture in the Augustinian order this book will be a basic resource making available previously inaccessible material discussing both well known and more neglected artworks and engaging with fundamental methodological questions for pre modern art and church history from the creation of religious iconographies to the role of gender in art *Abigail* Magda Szabo,2020-01-21 From the author of *The Door* a beloved coming of age tale set in WWII era Hungary *Abigail* the story of a headstrong teenager growing up during World War II is the most beloved of Magda Szabo's books in her native Hungary Gina is the only child of a general a widower who has long been happy to spoil his bright and willful daughter Gina is devastated when the general tells her that he must go away on a mission and that he will be sending her to boarding school in the country She is even more aghast at the grim religious institution to which she soon finds herself consigned She fights with her fellow students she rebels against her teachers finds herself completely ostracized and runs away Caught and brought back there is nothing for Gina to do except entrust her fate to the legendary *Abigail* as the classical statue of a woman with an urn that stands on the school's grounds has come to be called If you're in trouble it's said leave a message with *Abigail* and help will be on the way And for Gina who is in much deeper trouble than she could possibly suspect a life changing adventure is only beginning There is something of Jane Austen in this story of the deceptiveness of appearances fans of J K Rowling are sure to enjoy Szabo's picture of irreverent students eccentric teachers and boarding school life Above all however *Abigail* is a thrilling tale of suspense *Written on Water* Eileen Chang,2023-05-02 Now back in print these witty insightful essays on fashion cinema wartime and everyday life demonstrate why Eileen Chang was and is a major icon of twentieth century Chinese literature Eileen Chang is one of the most celebrated modern Chinese novelists and essayists of the twentieth century First published in 1944 and just as beloved as her fiction in the Chinese speaking world *Written on Water* collects Chang's reflections on art literature war urban culture and her life as a writer and woman in

wartime Shanghai and Hong Kong With her vibrant yet meditative style and her sly sophisticated humor Chang writes of friends colleagues and teachers turned soldiers or wartime volunteers and of her own experiences as a part time nurse She also turns her thoughts to Chinese cinema the aims of the writer Peking Opera Shanghainese food culture and fashion all the while upending prevalent attitudes toward women and painting the self portrait of a daring and cosmopolitan woman bent on questioning pieties and enjoying the pleasures of modernity even as the world convulses in war and a revolution looms The book includes illustrations by the author Italy in the American Imagination Ian J. Bickerton,2023-10-04 It is almost impossible to imagine the United States without making reference to Italy There is scarcely any aspect of American culture untouched by Italy its history art architecture fashion film music the mafia or even more viscerally its food Italy occupies a space of near mythical proportion in the American imagination When many Americans think of or dream about and imagine the good life how and where they would like to live they think most often of Italy the beauty the life style the romance the excitement and sense of adventure that Italy offers By looking at the fluid and multi dimensional imaginative interactions Americans have with Italian culture and society this comprehensive and robust volume offers a new and novel way of exploring the influence of Italy upon the United States University of New South Wales historian Ian James Bickerton argues that if we wish to understand the United States and how Americans define themselves and their nation it is vital to examine how they imagine themselves and he demonstrates that throughout U S history one of the most powerful stimulants shaping the imaginary world of Americans has been Italy **I Used to Be Charming** Eve Babitz,2019-10-08 Previously uncollected nonfiction pieces by Hollywood s ultimate It Girl about everything from fashion to tango to Jim Morrison and Nicholas Cage With Eve s Hollywood Eve Babitz lit up the scene in 1974 The books that followed among them *Slow Days Fast Company* and *Sex and Rage* have seduced generations of readers with their unfailing wit and impossible glamour What is less well known is that Babitz was a working journalist for the better part of three decades writing for the likes of *Rolling Stone* *Vogue* and *Esquire* as well as for off the beaten path periodicals like *Wet* *The Magazine of Gourmet Bathing* and Francis Ford Coppola s short lived *City* Whether profiling Hollywood darlings getting to the bottom of health crazes like yoga and acupuncture remembering friends and lovers from her days hobnobbing with rock stars at the Troubadour and art stars at the Ferus Gallery or writing about her beloved misunderstood hometown Los Angeles Babitz approaches every assignment with an energy and verve that is all her own *I Used to Be Charming* gathers nearly fifty pieces written between 1975 and 1997 including the full text of Babitz s wry book length investigation into the pioneering lifestyle brand Fiorucci The title essay published here for the first time recounts the accident that came close to killing her in 1996 it reveals an uncharacteristically vulnerable yet never less than utterly charming Babitz **The Publishers Weekly** ,1972 *Andy Warhol* Donna M. De Salvo,Jessica Beck (Art museum curator),2018-01-01 A unique 360 degree view of an incomparable 20th century American artist One of the most emulated and significant figures in modern art Andy Warhol 1928 1987 rose to fame in the 1960s with
