Excerpt from *Imaginary Interviews* When the common sense of most shall hold a fretful realm in awe And the kindly earth shall slumber lapt in universal law About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Impossible Conversations Carla Wilson, 2015-08-02 Imagined interviews with 15 world famous artists Yoko Ono Andy Warhol Alfred Hitchcock Vincent Van Gogh Paul Gauguin Georgia O Keeffe Louise Bourgeois Man Ray Marcel Duchamp Salvador Dali Leonora Carrington Madge Gill Balthus Bela Lugosi Agatha Christie and yes even Anonymous Carla M Wilson cleverly penetrates the facade of celebrity and brings us closer to the human being behind the brand This quirky experimental work mixes fact fiction and will amuse educate demystify and delight By way of Wilson s splendid imagination curious encounters guaranteed Edith Doove In IMPOSSIBLE CONVERSATIONS Carla Wilson performs with great aplomb the impossibly perilous feat of the imagined interview She has selected some of the most difficult interview subjects possible artists and imagines how meetings between an interviewer who has done her research and really wants to engage these oddballs in conversation might play out The results are delightful perhaps even more for the agonies the interviewer has to endure than for the eccentricities of the artists themselves Pity the poor interviewer especially since the voices in this book are so well heard that one can actually imagine these troublesome characters to be in the room making life for the interviewer uncomfortably difficult What a sublime achievement Eckhard Gerdes

Cataloging Policy and Support Office,2007 **Imaginary Interviews** William Dean Howells,2015-09-15 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The SAGE Handbook of Interview Research* Jaber F. Gubrium,James A. Holstein,Amir B. Marvasti,Karyn D. McKinney,2012-02-11 The second edition of this landmark volume emphasizes the dynamic interactional and reflexive dimensions of the research interview Contributors highlight the myriad dimensions of complexity that are emerging as researchers increasingly frame the interview as a communicative opportunity as much as a data gathering format The book begins with an overview of the history and conceptual transformations of the interview which is followed by chapters that discuss the main components of interview practice Taken together the contributions to the handbook encourage readers to simultaneously learn the frameworks and technologies of interviewing and reflect on the epistemological foundations of the interview craft The handbook has been updated to address recent developments especially in qualitative interviewing Twenty six chapters are completely new the remaining twelve chapters have been substantially revised to give readers access to the state of the art of interview research Three entirely new sections include Logistics of Interviewing Self and Other in the Interview and Ethics of the Interview **MasterClass in Music Education** John Finney,Felicity Laurence,2013-02-28 MasterClass in Music Education provides vivid topical reflective and above all real accounts from existing teachers researching in the field together with theoretical insights and a guided view of the relevant existing literature Students embarking upon research will gain a many faceted understanding of the possibilities for using action research and other research methods to explore the interesting and challenging issues confronting music education At the same time they will be able to develop an understanding of how to carry out research from the real life case study accounts written by their peers John Finney and Felicity Laurence provide overarching support drawing on their own experiences as supervisors of MA Music Education students to frame the debates and reflections which arise *The Black Skyscraper* Adrienne Brown,2017-11-15 How did writers and artists view the intersection of architecture and race in the

modernist era Winner of the MSA First Book Prize of the Modernist Studies Association With the development of the first skyscrapers in the 1880s urban built environments could expand vertically as well as horizontally Tall buildings emerged in growing cities to house and manage the large and racially diverse populations of migrants and immigrants flocking to their centers following Reconstruction Beginning with Chicago's early 10 story towers and concluding with the 1931 erection of the 102 story Empire State Building Adrienne Brown's *The Black Skyscraper* provides a detailed account of how scale and proximity shape our understanding of race Over the next half century as city skylines grew American writers imagined the new urban backdrop as an obstacle to racial differentiation Examining works produced by writers painters architects and laborers who grappled with the early skyscraper's outsized and disorienting dimensions Brown explores this architecture's effects on how race was seen read and sensed at the turn of the twentieth century In lesser known works of apocalyptic science fiction light romance and Jazz Age melodrama as well as in more canonical works by W E B Du Bois F Scott Fitzgerald Aaron Douglas and Nella Larsen the skyscraper mediates the process of seeing and being seen as a racialized subject From its distancing apex reducing bodies to specks to the shadowy mega blocks it formed at street level the skyscraper called attention Brown argues to the malleable nature of perception A highly interdisciplinary work *The Black Skyscraper* reclaims the influence of race on modern architectural design as well as the less well understood effects these designs had on the experience and perception of race

Theorising the Artist Interview Lucia Farinati, Jennifer Thatcher, 2024-08-29 Reflecting on the relationship between artists and their audiences this book examines how artists have presented themselves publicly through interviews and sought to establish a critical voice for themselves Considering the interview as a form of cultural production contributors explore the criteria for determining the artist interview as a distinct field of research in relation to other cultural fields Structured in four parts History and Historiography Subverting the Biographical Model Interviews as Practice and Materiality and Technology the book takes an interdisciplinary approach that encompasses the fields of art history fine art oral history curating media studies and museum conservation By theorising the artist interview as a form of cultural production and embracing it as a co constructed critical practice this volume aims to show and encourage an approach to art history which dismantles old hierarchies in favour of valuing dialogue and collaboration The book will be of interest to scholars working in art history museum studies oral history and historiography

Inspecting the Interview Carsten Junker, 2024-09-03 Interviews are omnipresent in scholarship and public discourses They play a crucial role in various spheres from collecting research data to providing persons in the public eye a platform in print and online media Interviews do not only capture a dialogue they provide a framework in which dialogue gets staged As such a framework the interview protocols experiential knowledge and personal experience in certain ways according interlocutors different degrees of authority to speak The volume contributes state of the art research on what conclusions can be drawn from these and further reflections for a general assessment of the interview as method and form it offers

fundamental conceptualizations of the interview as a structured and mediated site of knowledge production Theoreticians and practitioners assembled here conceptualize the interview from perspectives in different fields of the humanities and social sciences such as linguistics literary and cultural studies musicology psychology and philosophy **Literature and the Rise of the Interview** Rebecca Roach, 2018-11-21 Today interviews proliferate everywhere in newspapers on television and in anthologies as a method they are a major tool of medicine the law the social sciences oral history projects and journalism and in the book trade interviews with authors are a major promotional device We live in an interview society How did this happen What is it about the interview form that we find so appealing and horrifying Are we all just gossips or is there something more to it What are the implications of our reliance on this bizarre dynamic for publicity subjectivity and democracy Literature and the Rise of the Interview addresses these questions from the perspective of literary culture The book traces the ways in which the interview form has been conceived and deployed by writers and interviewing has been understood as a literary critical practice It excavates what we might call a poetics of the interview form and practice In so doing it covers 150 years and four continents It includes a diverse rostrum of well known writers such as Henry James T S Eliot Ezra Pound Djuna Barnes William Burroughs Philip Roth J M Coetzee and Toni Morrison while reintroducing some individuals that history has forgotten such as Betty Ross Queen of Interviewers and Julian Hawthorne Nathaniel's profligate son Together these stories expose the interview's position in the literary imagination and consider what this might tell us about conceptions of literature authorship and reading communities in modernity Basic Business Communication ,

Sociology Through Emotions Scott R. Harris, 2025-02-19 Offering an accessible and intriguing look at emotions in society Sociology Through Emotions collects together contemporary qualitative research that illuminates many of sociology's central concepts and topics from culture socialization and inequality to family crime healthcare religion and social movements This book appeals to instructors who want to highlight the social factors that shape emotions as well as the impact of emotions on social life It is an attractive supplement for courses on introduction to sociology self and society social psychology and others focused on interaction culture and meaning making *The Malady of the Century* Max Simon Nordau, 2019-12-06 In *The Malady of the Century* Max Simon Nordau explores the pervasive malaise that afflicted late 19th century Europe characterizing it as a moral and spiritual crisis rooted in the decline of established norms and values Using a blend of psychological analysis and social critique Nordau addresses themes such as the rise of decadence the erosion of individual will and the proliferation of neuroticism His incisive literary style employs a rich array of philosophical discourse and empirical evidence situating the work within the broader context of fin de siècle literature which often grappled with the tensions between modernity and tradition Nordau a prominent figure in the early Zionist movement and a noted critic of aestheticism was deeply influenced by the sociopolitical currents of his time particularly the challenges posed by rapid industrialization and shifting cultural paradigms His experiences as a physician and his keen observations of society's

ailments uniquely positioned him to address the psychological and social complexities that shaped the perceptions of his contemporaries This background imbues the text with a profound gravitas permeating Nordau s analysis with both urgency and relevance This compelling work is a vital read for anyone seeking to understand the psychological undercurrents of societal transformation It offers valuable insights into the human condition urging readers to confront the maladies that persist in our modern age With its blend of rigorous analysis and poignant narrative The Malady of the Century remains an essential text for scholars and general readers alike who are drawn to questions of identity culture and existential discontent

The Library and Society: Reprints of Papers and Addresses Various, 2019-12-12 The Library and Society Reprints of Papers and Addresses is a comprehensive anthology that gathers seminal essays and addresses reflecting on the pivotal role libraries play in societal development This collection traverses various themes including information accessibility the evolution of public libraries and their impact on education and culture The scholarly yet engaging style of the papers encourages critical thought and discussion illuminating the often overlooked intersection between libraries and civic engagement in a rapidly digitizing world Each piece not only offers insight into the historical context of libraries but also contemplates their future amid ongoing technological advancements Compiled by various authors this work draws on the diverse expertise of librarians scholars and advocates who underscore the profound importance of libraries The contributors illuminate how their own experiences with libraries shaped their perspectives on community service literacy and information equity This rich tapestry of voices reflects a collective understanding of the library as a cornerstone of democratic society and a bastion of knowledge This anthology is invaluable for library practitioners educators and those interested in the cultural and social implications of access to information It invites readers to consider how libraries can continue to evolve and serve as vibrant community hubs making it essential reading for anyone passionate about the future of public knowledge
