Kazimiera and Jan Genevieve Wysinski Majka,1998-04-01 *Directory of Officials of the Polish People's Republic*,1983 Adventures in Lithuanian Genealogy Sheriene Saadati,2024-12-18 This newly revised book draws from recently released documents from the Lithuanian archives and insights from newly discovered extended family members These new sources build upon my earlier research which included century old documents from St Petersburg Russia DNA testing various genealogy websites and travel to Lithuania Together they helped me uncover the rich history of my noble Lutkiewicz and Dowgwillo ancestors Born in the Grand Duchy of Lithuania once the largest country in Europe they lived through a tumultuous history enduring Czarist Russian rule Napoleon s invasion uprisings and later Soviet and Nazi occupations At the turn of the 20th century many of my ancestors including my great grandparents immigrated to the United States After World War II another wave of relatives arrived driven by very different circumstances This is a collection of their stories **Die adlige polnische Familie Bardzinski. thousand Polish prisoners during the Second World War Eight days later the president and his wife were laid to rest beneath the Krakow Cathedral on Wawel Hill an ancient necropolis of Polish kings and queens and the most prestigious burial site in all of Poland where only six other meritorious non royal national figures have been enshrined since the demise of the Polish monarchy in the late eighteenth century The decision to bury Lech and Maria Kaczynski in Poland s highest national pantheon sparked an emotional debate about its symbolic appropriateness and underscored the question of how such burial decisions are actually made It also raised a whole host of questions about the historical significance and pantheonic function of Wawel the bedrock of sacred memory for the Polish nation as Stanislaw Staszic put it in the early nineteenth century in modern Polish consciousness Until now these questions have received surprisingly little attention beyond Polish historians of Krakow Here All Is Poland excavates and builds upon the extant scholarly discourse of Wawel to plot the evolution of a pantheonic funeral tradition over two hundred years thus providing a context and a clue for interpreting the historical significance of the 2010 burial

 Anderson,Reinhard Eisendle,Suna Suner,2025-09-22 Diplomacy is a performance The stage is set on the streets and palaces
 that centre upon the spaces of political power As this volume explores diplomacy as spectacle is no mere metaphor for
 political interaction but an elevation of how it was practiced as performance No other activity in the early modern world
 yielded to such an intensive flow of cultural exchange artistic endeavour to be patronised or expense to be lavished on the
 aggrandisement of events entertainments and festivities Indeed these efforts were orchestrated the ambassadors were both
 impresarii and lead actors Understanding the ambassador as a cultural mediator is the recognition of the power of diplomatic
 activity to transform culture through the process of mediation and more the appreciation of the sphere of diplomatic
 mediation as a most fertile ground for cultural invention *Shadow Journeys* Kathleen Olson,2021-09-14 Jen s headaches
