**Keeping in Touch** Raymond Hickey, 2019-11-28 The current volume presents a number of chapters which look at informal vernacular letters written mostly by emigrants to the former colonies of Britain who settled at these locations in the past few centuries with a focus on letters from the nineteenth century Such documents often show features for varieties of English which do not necessarily appear in later sources or which are not attested with the same range or in the same set of grammatical contexts This has to do with the vernacular nature of the letters i e they were written by speakers who had a lower level of education and whose speech and hence their written form of language does not appear to have been guided by considerations of standardness and conformity to external norms of language Furthermore the writers of the emigrant letters examined in the current volume were very unlikely to have known of still less have used manuals of letter writing Emigrant letters thus provide a valuable source of data in tracing the possible development of features in varieties of English in the USA Canada South Africa Australia and New Zealand *Keeping in Touch* Carballo, Leni Ramos, 2000 *Keeping in Touch: The Role of Organelle Dynamics and Contacts in Health and Disease* Du Feng, Yusong Guo, Min Li, Laura Lackner, Liang Ge, Marta Giacomello, Nuno Raimundo, Timothy Wai, 2021-09-23 *Keeping in Touch* SJ Michael Ivens, 2007 Both an original work by and a tribute to one of the most distinguished English language experts on the Spiritual Exercises of St Ignatius Loyola this book combines a series of essays exploring key terms used by Ignatius and a collection of reminiscences of Michael Ivens His earlier commentary *Understanding the Spiritual Exercises* followed by his own translation of the Exercises had established his reputation but he was unable to include in his commentary the glossary of distinctive Ignatian terms that many find elusive or recondite An understanding of such terms provides new avenues of approach and also displays the theological and spiritual substructure of the Exercises Written during the final years of Michael's life these essays are poignant in their sensitivity to the death he could see fast approaching His notes on My medical history are included along with some candid and revealing memories from his friends The figure of this great Jesuit comes alive in these pages and his usual parting words to his visitors Do keep in touch take on a new meaning Michael Ivens 1933 2005 joined the Society of Jesus in 1951 straight from school and received the usual training at that time with degrees in Oxford and Lyons spending fifteen years before ordination to the priesthood in 1966 an exceptional public speaker gifted with an original mind he worked mainly in the field of spirituality writing regularly for *The Way* and gaining an international reputation as a retreat giver Appointed to help train his fellow Jesuits he spent nearly thirty years at St Beuno's North Wales for almost half of this time from 1990 he was plagued with ill health a brain tumour that eventually turned him blind but he inspired many by his insight tenacity and good humour Joseph A Munitiz SJ was a friend and colleague of Michael Ivens his professional work has involved him mainly in editorial work English Spanish and Greek publications now retired he is based at the Jesuit novitiate in Birmingham *Keeping in Touch with the Other Side* Pauline DiBenedetto, 2020-02-04 Pauline Di Benedetto who was

**Global Identity in Multicultural and International Educational Contexts** Nigel Bagnall,2015-03-27 The increased movement of people globally has changed the face of national and international schooling Higher levels of mobility have resulted from both the willing movement of students and their families with a desire to create a better life and the forced movement of refugee families travelling away from war famine and other extreme circumstances This book explores the idea that the complex connections created by the forces of globalisation have led to a diminishing difference between what were once described as international schools and national schools By examining a selection of responses from students attending international schools in Brazil the United Kingdom France Germany the Philippines and Switzerland the book discusses key issues surrounding identity and cosmopolitan senses of belonging Chapters draw from current literature and recent qualitative research to highlight the concerns that students face within the international school community including social psychological and academic difficulties The interviews provide a rich and unique body of knowledge demonstrating how perceptions of identity and belonging are changing especially with affiliation to a national or a global identity The notion that international students have become global citizens through their affiliation to a global rather than a national identity exhibits a changing and potentially irreversible trend *Global Identity in Multicultural and International Educational Contexts* will be of key interest to
