## **Keith Miller:**

**Compelled to Control** J. Keith Miller, 2010-01-01 this exciting book breaks new ground in identifying the major cause of relationship failure as the need to control in marriages and families with friends and within organizations **Compelled to Control** reflects Miller's sweeping knowledge as a thinker, a speaker, and a writer. Going far beyond how to control a controller, Miller speaks from the perspective of experience and personal change. When a controller has the sense of life being out of control, he says, he or she reacts with an even stronger need to get things under control, usually with the negative result of alienating the people who matter the most. Miller tackles this deeply denied, seemingly universal phenomenon with compassion and offers a way out of the dilemma. He tells who to approach, broken relationships in new ways, leaving behind destructive patterns of perfectionism and self-justification. Keith Miller is one of those rare writers who can combine intellectual acuity with deeply felt insight, born of his own struggle for authenticity. **Compelled to Control** is an impressive contribution to the literature of recovery and personal change. **Keith Miller** Mihir Bose, 1980 Keith Miller Roland Perry, 2007 Keith Miller was perhaps the greatest all-rounder Australian cricket has ever seen and one of its most loved and legendary figures. In both the UK and Australia, Perry has had full access to Miller's papers and to his family members to produce the definitive biography. **The Lost Pilots** Corey Mead, 2018-05-08 Corey Mead's **The Lost Pilots** is the saga of two star-crossed pilots who soar to the greatest heights of fame, tailspin into scandal and crime, and go the ultimate lengths for a chance at redemption. During the height of the roaring twenties, Jessie Miller longs for adventure. Fleeing a passionless marriage in the backwaters of Australia, twenty-three-year-old Jessie arrives in London and promptly falls in with the Bright Young Things: those gin-soaked boho-chic intellectuals draped in suits, flapper dresses, and pearls. At a party, Jessie meets Captain William Lancaster, married himself and fresh from the Royal Air Force with a scheme in his head to become as famous as Charles Lindbergh, who has just crossed the Atlantic. Lancaster will do anything to win back former glory. He convinces Jessie to fly from London to Melbourne and in Jessie, he finds the perfect co-pilot. Within months, the two embark on a half-year journey across the globe, hopping from one colonial outpost to the next. But like world records, marriage vows can be broken, and upon their landing in Melbourne, Jessie and William are not only international celebrities but also deeply in love. Yet the crash of 1929 catches up to even the fastest aviator, and the couple finds themselves in dire straits at their rented house on the outskirts of Miami. The bright glare of the limelight fades quickly. To make ends meet, Jessie agrees to write a memoir and picks the dashing Haden Clarke to be her ghostwriter. It's not long before this toxic mix of bootleg booze and a handsome interloper leads to a shocking crime, a trial that rivets and scandalizes the world, and a reckless act of abandon to win back former glory. **The Lost Pilots** is an extraordinary true story brought to vivid life by Corey Mead. Based on years of research and full of adventure, forbidden passion, crime, scandal, and tragedy, it is a masterwork of narrative nonfiction that firmly restores one of aviation's leading female pioneers to her rightful place in history. **California.
