Law As A Gendering Practice:

Law as a Gendering Practice Dorothy E. Chunn, Dany Lacombe, 2000 The goal of the editors in this volume is to build on and empirically flesh out the feminist argument that law cannot be thought of as simply a determining force in the defining of woman it must be thought of as a site of struggle The editors and contributors explore and analyze law as a gendering practice assuming that law is a practice that interacts with other practices to produce meanings about gender

The Ashgate Research Companion to Feminist Legal Theory Professor Margaret Davies, Professor Vanessa E Munro, 2013-11-28 As a distinct scholarly contribution to law feminist legal theory is now well over three decades old Those three decades have seen consolidation and renewal of its central concerns as well as remarkable growth dynamism and change This Companion celebrates the strength of feminist legal thought which is manifested in this dynamic combination of stability and change as well as in the diversity of perspectives and methodologies and the extensive range of subject matters which are now included within its ambit Bringing together contributors from across a range of jurisdictions and legal traditions the book provides a concise but critical review of existing theory in relation to the core issues or concepts that have animated and continue to animate feminism It provides an authoritative and scholarly review of contemporary feminist legal thought and seeks to contribute to the ongoing development of some of its new approaches perspectives and subject matters The Companion is divided into three parts dealing with Theory Concepts and Issues The first part addresses theoretical questions which are of significance to law but which also connect to feminist theory at the broadest and most interdisciplinary level The second part also draws on general feminist theory but with a more specific focus on debates about equality and difference race culture religion and sexuality The Issues section considers in detail more specific areas of substantive legal controversy

Sexual Regulation and the Law, A Canadian Perspective Richard Jochelson, 2019-11-01 Does Canada need any more collections about legal regulation of sex and sexuality Volumes exist dealing with sex work and pornographies Certainly volumes abound dealing with emerging sexualities in Canada and new sexual freedoms This book seeks to do more than tell a story of broad generalities about the law It forges the links between the history of law and modern iterations of judgments pertaining to that law Hence the uncomfortable line between Victorian morality often and modern regulation is thematically explored through the book More modern iterations of sexual regulation in Canada are being deployed and in this book the authors explore the interplay between emerging digital technologies and legal regulation Newer laws in Canada have been drafted to recognize that sexual expression can be a means of violence inherently and thus an exploration of modern sexual digital expression and its emerging jurisprudence represent a new frontier in the regulation of sex and sexuality in Canada We explore how legal regulation has responded to these new crimes

Gendered Practices of Rulership at the Court of Württemberg, 1568-1634

Regine Maritz, 2025-08-14 Gender history has alerted us to the fact that it is misleading to assume transhistorical features when it comes to issues such as childbearing mother and fatherhood and gendered systems of labour division Instead all of these are culturally inflected and thus variable across time Gendered Practices of Rulership at the Court of Württemberg 1568 1634 explores the ways in which socially constructed differences between men and women supported the dynastic practice of power in the early modern duchy of Württemberg The book investigates three generations of the Württemberg ducal family from the late sixteenth to the first half of the seventeenth century In five chapters five gendered practices are examined They include the gendering of courtly space of high ceremonial events and of dynastic marriage and concubinage as well as the gendering of kinship practices The history of the Württemberg dynasty in this period allows for the observation of a range of approaches to the practice of power It is documented by rich archival sources many of which are analysed here for the first time and thus provides opportunities for comparison between different ruling couples Duke Friedrich I rarely saw eye to eye with his wife Duchess Sibylla von Anhalt r 1593 1608 and he engaged in numerous extramarital affairs even seeking to institutionalise concubinage This couple's son Duke Johann Friedrich enjoyed a much more harmonious relationship with his wife Duchess Barbara Sophia von Brandenburg r 1608 1628 with the couple amicably sharing many tasks of rulership The book however does not merely seek to show how individual men women and couples engaged in dynastic rulership through gendered relationships Instead it also seeks to identify the types of gendered work the dynastic system relied on in order to remain functional over a long period of time To do so examples of failed relationships are at least as useful as those of marriages built on common understanding As a result of this methodological shift aspects of life at court emerge that have previously escaped in depth discussion for instance the emotionally cohesive effects of gendered court topography as well as the crucial emotion work dynastic women were expected to perform in their marital relationships and which had wide reaching political consequences

Selling Sex Emily van der Meulen, Elya M. Durisin, Victoria

Love, 2013-05-01 Despite being dubbed the world's oldest profession prostitution has rarely been viewed as a legitimate form of labour Instead it is often criminalized sensationalized and polemicized In Selling Sex Emily van der Meulen Elya Durisin and Victoria Love present a more nuanced view of the sex industry They bring together a vast collection of voices including feminists researchers advocates and sex workers of every stripe to challenge dominant narratives surrounding sex work Presenting a variety of perspectives on such diverse topics as social stigma police violence labour organizing and human

trafficking Selling Sex is an eye opening challenging and necessary book **The Victimology of a Wrongful Conviction** Nicky Ali Jackson, Kathryn M. Campbell, Margaret Pate, 2022-07-07 This book exposes the myriad of victims of wrongful conviction by going beyond the innocent person who has been wrongfully incarcerated to include the numerous indirect victims who suffer collaterally In no way overlooking the egregious effects on the wrongfully convicted this book widens the net to also examine consequences for family friends co workers witnesses the initial victims of the crime and society in general all indirect victims who are often forgotten in treatments of wrongful conviction Utilizing interviews of exonerees and indirect victims the authors capture the tangible and intangible costs of victimization across the board The prison experience is examined through the lens of an innocent person and the psychological impact of incarceration for the exoneree is explored Special attention is given to the often ignored experience of female exonerees and to the impact of race as a compounding factor in a vast number of miscarriages of justice The book concludes with an overview of the victimization experiences that follow exonerees upon release Unique to this book is its interdisciplinary approach to the troubling subject of wrongful conviction combining perspectives from a number of fields including criminal justice criminology victimology psychology sociology social justice history political science and law Undergraduate and graduate students in these disciplines will find this book helpful in their respective areas of study and professionals in the legal system will benefit from appreciation of the far reaching costs of wrongful convictions **Buddhist Nuns and Gendered Practice** Nirmala S. Salgado, 2013-11 Based on extensive research in Sri Lanka and interviews with Theravada and Tibetan nuns from around the world Salgado s groundbreaking study urges a rethinking of female renunciation How are scholarly accounts complicit in reinscribing imperialist stories about the subjectivity of Buddhist women How do key Buddhist concepts such as dukkha samsara and sila ground female renunciant practice Salgado s provocative analysis questions the secular notion of the higher ordination of nuns as a political movement for freedom against patriarchal norms Arguing that the lives of nuns defy translation into a politics of global sisterhood equal before law she calls for more nuanced readings of nuns everyday renunciant practices **Female Citizens, Patriarchs, and the Law in Venezuela, 1786-1904** Arlene J. Diaz, 2004-01-01 Female Citizens Patriarchs and the Law in Venezuela examines the effects that liberalism had on gender relations in the process of state formation in Caracas from the late eighteenth to the nineteenth century The 1811 Venezuelan constitution granted everyone in the abstract including women the right to be citizens and equals but at the same time permitted the continued use of older Spanish civil laws that accorded women inferior status and granted greater authority to male heads of households Invoking citizenship for their own protection and that of their loved ones some women went to court to claim the same civil liberties and protections granted to male citizens In the late eighteenth century colonial courts dispensed some protection to women in their conflicts with men a century later however patriarchal prerogatives were reaffirmed in court sentences Discouraging as this setback was the actions of the women who had fought these legal battles raised an awareness

of the discrepancies between the law and women's daily lives laying the groundwork for Venezuelan women's organizations in the twentieth century Drawing on a wealth of primary sources historian Arlene D az shows how the struggle for political power in the modern state reinforced and reproduced patriarchal authority She also reveals how Venezuelan women from different classes in public and private coped strategically with their paradoxical status as equal citizens who nonetheless lacked power because of their gender Shedding light on a fundamental but little examined dimension of modern nation building *Female Citizens Patriarchs and the Law in Venezuela* gives voice to historic Venezuelan women while offering a detailed look at a society making the awkward transition from the colonial world to a modern one

Gendered Practices in Working Life Tuula Heiskanen, Liisa Rantalaiho, 2016-07-27 Gendered distinctions and differences in working life are produced by often hidden practices What are they like How do they work The book creates through its multidisciplinary approach and rich empirical data a wide perspective on gendered practices in working life from the level of labour market structures to the personal experiences of women and men Some taken for granted assumptions of gender in social sciences and feminist research are challenged by a view through the Nordic window

The Domestication of Human Trafficking Katrin Roots, 2022-11-01 Human trafficking has emerged as one of the top international and domestic policy concerns and is well covered and often sensationalized by the media The nature of the topic combined with various international pressures has resulted in an array of government led mandates to combat the issue The Domestication of Human Trafficking examines Canada's criminal justice approaches to human trafficking with a particular focus on the ways in which the intersecting factors of race class gender and sexuality impact practice Using a wide range of qualitative and empirically grounded research methods including extensive analysis of court documents trial transcripts and interviews with criminal justice actors this book contributes to much needed research that examines specifies and sometimes complicates the narratives of how trafficking works as a criminal offence The Domestication of Human Trafficking turns our attention to the ways in which the offence of human trafficking is made on the front lines of criminal justice efforts in Canada

Research Anthology on Feminist Studies and Gender Perceptions Management Association, Information Resources, 2022-01-21 Global society has always been impacted by the perception of gender While gender roles may differ in certain cultures many cultures around the world have allowed for the disempowerment and objectification of women Women today still struggle for gender equality whether it be professionally socially or even legally To examine feminism thoroughly however thorough analysis must be conducted on all genders and perceptions The Research Anthology on Feminist Studies and Gender Perceptions explores the application of feminist theory and women empowerment in the 21st century and the role that gender plays in society This book analyzes media representation gender performativity and theory to present a comprehensive view of gender and society Covering topics such as masculinity women empowerment and gender equality this two volume comprehensive major reference work is an essential resource for sociologists community leaders human resource managers

The Cunning of Gender Violence Lila Abu-Lughod, Rema Hammami, Nadera Shalhoub-Kevorkian, 2023-06-30 The Cunning of Gender Violence focuses on how a once visionary feminist project has folded itself into contemporary world affairs Combating violence against women and gender based violence constitutes a highly visible and powerful agenda enshrined in international governance and law and embedded in state violence and global securitization Case studies on Palestine Bangladesh Iran India Pakistan Israel and Turkey as well as on UN and US policies trace the silences and omissions along with the experiences of those subjected to violence to question the rhetoric that claims the agenda as a feminist success story Because religion and racialized ethnicity particularly the Muslim question run so deeply through the institutional structures of the agenda the contributions explore ways it may be affirming or enabling rationales and systems of power including civilizational hierarchies that harm the very people it seeks to protect Contributors Lila Abu Lughod Nina Berman Inderpal Grewal Rema Hammami Janet R Jakobsen Shenila Khoja Moolji Vasuki Nesiah Samira

Shackle Sima Shakhsari Nadera Shalhoub Kevorkian Dina M Siddiqi Shahla Talebi Leti Volpp Rafia Zakaria **Gender, Power, and Representations of Cree Law** Emily Snyder, 2018-04-10 Drawing on the insights of Indigenous feminist legal theory Emily Snyder examines representations of Cree law and gender in books videos graphic novels educational websites online lectures and a video game Although these resources promote the revitalization of Cree law and the principle of *miyo w c htowin* good relations Snyder argues that they do not capture the complexities of gendered power dynamics The majority of the resources either erase women s legal authority by not mentioning them or they diminish women s agency by portraying them primarily as mothers and nurturers Although these latter roles are celebrated Snyder argues that Cree laws and gender roles are represented in inflexible aesthetically pleasing ways that overlook power imbalances and difficult questions regarding interpretations of tradition What happens when good relations are represented in ways that are oppressive Grappling with this question Snyder makes the case that educators need to critically engage with issues of gender and power in order to create inclusive resources that meaningfully address the everyday messiness of law As with all legal orders gendered oppression can be perpetuated through Cree law but Cree law is also a dynamic resource for challenging gendered oppression

Gendering Counterinsurgency Synne L. Dyvik, 2016-12-08 This book analyses the various ways counterinsurgency in Afghanistan is gendered The book examines the US led war in Afghanistan from 2001 onwards including the invasion the population centric counterinsurgency operations and the efforts to train a new Afghan military charged with securing the country when the US and NATO withdrew their combat forces in 2014 Through an analysis of key counterinsurgency texts and military memoirs the book explores how gender and counterinsurgency are co constitutive in numerous ways It discusses the multiple military masculinities that counterinsurgency relies on the discourse of cultural sensitivity and the deployment of Female Engagement Teams FETs Gendering Counterinsurgency demonstrates how population centric counterinsurgency doctrine and practice can be captured within a gendered dynamic of killing and caring reliant on physical violence albeit mediated through armed social work This simultaneously contradictory and complementary dynamic cannot be understood without recognising how the legitimization and the practice of this war relied on multiple gendered embodied performances of masculinities and femininities Developing the concept of embodied performativity this book shows how the clues to understanding counterinsurgency as well as gendering war more broadly are found in war s everyday gendered manifestations This book will be of much interest to students of counterinsurgency warfare gender politics governmentality biopolitics critical war studies and critical security studies in general

Sex, Gender and International Human Rights Law Giovanna Gilleri, 2023-12-01 This book investigates the relationship between sex and gender under international human rights law and how this influences the formation of individual subjects Combining feminist queer and psychoanalytical perspectives the author scrutinises the sexed gendered human rights discourse starting from the assumptions underpinning interpretations of sex gender and the related notions of gender identity sex characteristics and

sexual orientation Human rights law has so far offered only a limited account of the diversity of sexed gendered subjectivities being based on a series of simplistic assumptions Namely that there are only two sexes and two genders sex is a natural fact and gender is a social construct gender is the metonymic signifier for women and gender power relations take the asymmetrical shape of male domination versus female oppression Against these assumptions dominative and subordinate postures interchangeably attach to femininities and masculinities depending on the subjects roles their positionalities and the situational meanings of their acts The limits of an approach to gender which is based on rigid binaries are evident in two case studies on the UN human rights treaty bodies vocabulary on medically unnecessary interventions upon intersex children and on the European Court of Human Rights narrative on sadomasochism This examination of the impact of human rights on gendered subjectivities will be of interest to scholars students and researchers in international law gender studies queer studies cultural studies critical race theory and psychoanalysis

Differences that Matter Sara Ahmed, 1998-11-26

Differences That Matter challenges existing ways of theorising the relationship between feminism and postmodernism which ask is or should feminism be modern or postmodern Sara Ahmed suggests that postmodernism has been allowed to dictate feminist debates and calls instead for feminist theorists to speak back to postmodernism rather than simply speak on their relationship to it Such a speaking back involves a refusal to position postmodernism as a generalisable condition of the world and requires closer readings of what postmodernism is actually doing in a variety of disciplinary contexts Sara Ahmed hence examines constructions of postmodernism in relation to rights ethics subjectivity authorship meta fiction and film
