Hollenbeck, 1994 Although CEO selection may be the most important decision an organization makes there is little practical literature available on the subject In this report the author a management psychologist and a former human resources executive reviews selected books and articles on CEO selection and presents his personal views on the topic      **Trends**, 1987      *The American Samurai* Jon P. Alston, 2013-06-10 No detailed description available for The American Samurai      **Empowering Leaders** David A. Ramey, 1991 Comprehensive approach to long term strategic leadership Integrating personal social and organizational elements this is a first rate practical tool      **High Performance Leadership** Philip Robert Harris, 1994      **Leadership for the Twenty-First Century** Joseph Rost, 1993-02-18 This illuminating study critiques the concept of leadership as understood in the last 75 years and looks to the twenty first century for a reconstructed understanding of leadership in the postindustrial era More similarities in past decades were found than had been thought the thread throughout Rost's book is that leadership was conceived of as good management He develops a new definition and paradigm for leadership in this volume that distinguishes leadership from management in fundamental ways The ethics of leadership from a postindustrial perspective completes the paradigm The book concludes with suggestions that can be immediately utilized in helping to transform our understanding of leadership      **Management and the Executive**, 1979      **The Personnel Administrator**, 1982      **In Search of Faithfulness** William E. Diehl, 2001-09-11 Why is Christian faithfulness virtually invisible in American society today Where are God's faithful people and what do they look like In an effort to answer these questions William E Diehl records the results of his own search for faithfulness I decided to look for faithfulness in those very places where it appeared not to be in the world of business for instance And I decided to use exactly the same approach used by Peters and Waterman in their best seller In Search of Excellence Using real life stories to illustrate both the successes and problems of Christian faithfulness in the world community Diehl concludes that the church must do a better job in nurturing growth in faith      **The Managerial Imperative and the Practice of Leadership in Schools** Larry Cuban, 1988-01-01 With this significant new work Larry Cuban provides a unique and insightful perspective on the bridging of the long standing and well

known gap between teachers and administrators Drawing on the literature of the field as well as personal experience Cuban recognizes the enduring structural relationship within school organizations inherited by teachers principals and superintendents and calls for a renewal of their sense of common purpose regarding the role of schooling in a democratic society Cuban analyzes the dominant images moral and technical roles instructional managerial and political and contexts classroom school and district within which teachers principals and superintendents have worked over the last century He concludes that when these powerful images and roles are wedded to the structural conditions in which schooling occurs managerial behavior results thus narrowing the potential for more thoughtful effective and appropriate leadership Cuban then turns to consider this situation with respect to the contemporary movement for school reform identifying significant concerns both for policymakers and practitioners This honest thought provoking book by a leading scholar writer and practitioner in the field represents an invaluable resource an insightful introduction for those just entering the field and a fresh new perspective for those long familiar with its complexities Cuban s ethnographic approach to the development of his own career and viewpoint as well as his highly readable style make this a work of lasting value
