Szajkowski, 1970 **The Judgment of Love** James M. Matarazzo Jr, 2018-10-19 This book seeks to explore the concept of divine judgment in Christian eschatology It contends that this judgment is salvific rather than destructive This notion can be described aphoristically as iudicandus est salvandus to be judged is to be saved The provocation to Christian eschatology is that human beings are not saved from judgment but are saved within it The exploration begins defining the context and moves into a review of the symbols and problems of judgment through a reappraisal of De novissimis concerning the last things the last section found in traditional works of Christian dogmatics This is followed by a critical engagement with the soteriological optimism posited by four twentieth and twenty first century theologians Sergei Bulgakov Hans Urs von Balthasar J A T Robinson and Marilyn McCord Adams The event of the judgment is then defined as the event of absolute recognition that it is within the eschatic recognition of God the self and the other that transformation and glorification of human persons occur in a way that avoids a dual outcome of salvation and damnation The book concludes by proposing that we may approach divine judgment with faith hope and love not only for ourselves but for the human race as a whole The Sketch, 1915 The Dark Side of Discipleship Gary Tyra, 2020-10-21 There is a dark side to Christian discipleship church members ignore to their peril The New Testament has much to say about why and how Christ's followers must deal with the

devil Learning to take the evil one seriously without obsessing over him is crucial to the spiritual endurance training we all need if we are to someday hear Jesus say to us Well done good and faithful servant Specifically pastor theologian Gary Tyra argues in this work that key to overcoming Satan is a balanced Spirit empowered engagement in what he refers to as the four cardinal components of Christian discipleship Understanding the various ways the devil attempts to derail our experiences of worship nurture community and mission can serve to motivate us with respect to them With the help of the Holy Spirit church members can cultivate a lifestyle spirituality that enables them to don the full armor of God and engage in several critical close quarters combat tactics the New Testament encourages In the end *The Dark Side of Discipleship* is a no nonsense yet inspirational New Testament theology of spiritual warfare that can serve Christ's church as a powerful aid to the spiritual moral and ministry formation of contemporary Christians *From Florence to the Heavenly City* ClaireE.

Honess,2017-07-05 Dante's political thought has long constituted a major area of interest for Dante studies yet the poet's political views have traditionally been considered a self contained area of study and viewed in isolation from the poet's other concerns Consequently the symbolic and poetic values which Dante attaches to political structures have been largely ignored or marginalised by Dante criticism This omission is addressed here by Claire Honess whose study of Dante's poetry of citizenship focuses on more fundamental issues such as the relationship between the individual and the community the question of what it means to be a citizen and above all the way in which notions of cities and citizenship enter the imagery and structure of the *Commedia* *Hell's Maw* James Axler,2015-05-01 HOPE'S BATTLEGROUND Earth's secret history of alien occupation is challenged by a powerful alliance of warriors driven to reclaim humanity's birthright But when a cruel vicious ruler spreads a new wave of terror the Cerberus rebels must fight for their lives DEATH BLOOMS Beautiful seductive and deadly she is called Ereshkigal Her flowerlike temple eerie and alien rises out of the desolate sun drenched desert of postapocalyptic Spain The river of blood flowing to her temple doors is just the first sign of the horror to follow With her army of Terror Priests eager to kill for their queen Kane Grant and Brigid must confront her dark power But Ereshkigal's power to control men's lives may prove stronger than anything the Cerberus warriors have ever faced And this evil interloper will not be satisfied until she has annihilated everything between her and total domination of Earth **Exile's Return**

Malcolm Cowley,1994-12-01 The adventures and attitudes shared by the American writers dubbed The Lost Generation are brought to life here by one of the group's most notable members Feeling alienated in the America of the 1920s Fitzgerald Crane Hemingway Wilder Dos Passos Crowley and many other writers escaped to Europe some forever some as temporary exiles As Cowley details in this intimate anecdotal portrait in renouncing traditional life and literature they expanded the boundaries of art *Exile's Valor* Mercedes Lackey,2004-10-05 This stand alone novel in the Valdemar series continues the story of prickly weapons master Alberich Once a heroic Captain in the army of Karse a kingdom at war with Valdemar Alberich becomes one of Valdemar's Heralds Despite prejudice against him he becomes the personal protector of young

Queen Selenay But can he protect her from the dangers of her own heart *Facing the Fiend* Eva Marta Baillie,2014-09-25 Satan is not a theological concept but a literary construct Facing the Fiend places the character within a well defined literary tradition Satan is established to be a highly ambiguous figure who plays a central narrative role in a wide variety of texts Acknowledging that the character of the devil is inherently problematic Eva Marta Baillie deftly argues that the Satan of the Christian faith can be best understood phenomenologically through his roles and functions in stories The author goes on to construct a detailed and wide ranging picture of Satan's depictions in literature presented with persuasive flair and a strong command of the subject matter Discourse similarly touches upon wider issues of evil and how it too is best understood in a literary context Facing the Fiend offers an intriguing insight into the cultural representations of Satan making for a thought provoking and engaging read Such a comprehensive study will appeal to those with an academic interest in the relationship between theology and literature as well as to the general reader curious about the portrayal of religion in works of fiction

The Evangelical Universalist Gregory MacDonald,Robin A. Parry,2012-05-11 Can an orthodox Christian committed to the historic faith of the church and the authority of the Bible be a universalist Is it possible to believe that salvation is found only by grace through faith in Christ and yet to maintain that in the end all people will be saved Can one believe passionately in mission if one does not think that anyone will be lost forever Could universalism be consistent with the teachings of the Bible Gregory MacDonald argues that the answer is yes to all of these questions Weaving together philosophical theological and biblical considerations MacDonald seeks to show that being a committed universalist is consistent with the central teachings of the biblical texts and of historic Christian theology This second edition contains a new preface providing the backstory of the book two extensive new appendices a study guide and a Scripture index **The King of Hell's Palace** Frances Ya-Chu Cowhig,2019-11-27

"Hell's Blade" Series R.L. Pool,2025-01-31 When Holly Kelley joined Pat Langstrom in her return to Estelan she never dreamed she would find answers to conspiracy theories that spurred her imagination from a very early age She and Greg Graisson traveled to the Lost Citadel in search of those answers and found themselves bruised wounded and close to death They also found Illani The little white haired girl led them into secret catacombs within the Lost Citadel and to the library that told of a civilization that came here from another world The research they did there prompted a desire to sail to a land

where Mandarin was the language spoken and the people seemed to be living under ancient Chinese feudalism How did that happen To find the answers Holly Greg and Illani would have to sail west to the continent of Alanis Only there would they finally find the answers to Illani s heritage They would find more than they bargained for They would find what many in our world have searched for dreamed of and sought for ages **Exile's Song** Marion Zimmer Bradley,1997-04-01 Haunted by fleeting nightmarish memories of her childhood on Darkover Margaret Alton flees her home with her uncommunicative brooding father to take a job as assistant to musicologist Ivor Davidson a career that takes her back to Darkover and a terrifying confrontation with the past **Exile's Honor** Mercedes Lackey,2003-10-07 Alberich had spent most of his youth in the Karsite military schools training to be an officer As the son of an impoverished mother he had no other career choice open to him And Alberich had risen in the ranks with almost unnatural speed He developed expertise with many weapons and excelled in academic subjects with an ease that was the envy of his classmates But in fact the reclusive Alberich studied long and hard pushing himself ruthlessly In battle Alberich had always had a sort of sixth sense about things which were about to happen when and from where the enemy would attack Instinctively he his this ability for the Sunpriests kept careful watch for anyone exhibiting demon powers which were the hallmark of Karse s greatest enemy the witch nation of Valdemar Those they caught were cleansed in the fires of Vkandis Sunlord Both Alberich s skill and secret served him well in the army of Karse and when Alberich became one of Karse s youngest captains he received a special gift a powerful white stallion liberated from the enemy But this honor was merely a distraction for the Sunpriests had laid a trap which even Alberich s strange foresight could not predict Saved from burning as a witch when this odd white stallion braved flames and carried him over the border into Valdemar he was healed by the same enemies he had been taught to hate his entire life Though he knew he could never again return to his home Alberich also knew he could never truly become a Valdemaran How could Alberich remain true to his own people and still retain his honor while helping to train the direst enemy of Karse The God Who Doesn't Exist Fergus McGinley,2025-02-01 Welcome to The God Who Doesn t Exist Drawing on insights from parenting education theoretical physics evolutionary philosophy psychology comparative religion biblical exegesis and political theory an eclectic and original approach the author playfully describes as anti theology The amazing story unfolds of two Gods one who doesn t exist whom we created ourselves and one who does exist whom we didn t create The first of these gods is the familiar God of human history the God or gods we believed in just about forever then very recently dumped An unpredictable and judgmental God who seemed occasionally to do right by us but more often went AWOL just when we needed them the most We lived in constant fear of offending them and were terrified that if we didn t play our cards right in this life they d consign us to hell in a handcart in the next Good riddance to the God who doesn t exist The God who exists however is a very different god to the one who doesn t Their primary quality seems to be something vastly more urgent for the human race than providing daily bread saving us from enemies and forgiving our sins it is selfless love teaching Yes the acquisition of the

capacity for intentional selfless cooperation is a fundamental evolutionary imperative essential for our survival and flourishing generally especially critical right now when we seem to be on the brink of self destruction Self destruction yes will we survive the latest threats of global warming nuclear pandemic uncontrolled development of AI Will the selfless love teaching God who exists ride to our rescue just in the nick of time Read on then if you dare and find out [Exile's Gate](#) C.
