Exits And Entrances:

Entrances and Exits Michael Richards, 2024-06-04 The man who brought the kavorka to the Seinfeld show through one of the most remarkable and beloved television characters ever invented Kramer shares the extraordinary life of a comedy genius the way he came into himself as an artist the ups and downs as a human being the road he has traveled in search of understanding The hair so essential symbolizes the irrational that was and is and always will be the underlying feature not only of Kramer but of comedy itself This seemingly senseless spirit has been coursing through me since childhood I've been under its almighty influence since the day I came into this world I felt it all within myself especially the physical comedy the body movements so freakish and undignified where I bumped into things knocked stuff down messed up situations and often ended up on my ass This book is a hymn to the irrational the senseless spirit that breaks the whole into pieces a reflection on the seemingly absurd difficulties that intrude upon us all It's Harpo Marx turning us about shaking up my plans throwing me for a loop Upset and turmoil is with us all the time It's at the basis of comedy It's the pratfall we all take It's the unavoidable mistake we didn't expect It's everywhere I go It's in the way that I am both light and dark good and not so good It's my life Michael Richards from *Entrances and Exits*
