Expectorations Volume V Michael Abramson, 2004-05-20 Michael Abramson is a collector of words and thoughts and unique objects of art and old stained glass As a detailed stained glass window reveals a myriad of changing colors and images of light so changes the meaning of this authors thoughts and words whether serious or humorous He is a simple person a physician and a teacher who has spent most of his life showing compassion for others He has a deep respect for women and knows as much as anyone could about them often reflected in his poetry yet he is the first to admit that no one will ever completely discover what drives such beautiful and complex beings His views are indeed his poetic reflections as seen through some sort of colored but very wonderful light He is a raconteur a person of integrity and a portrait of an artist perhaps perhaps not but for sure a portrait of a kind unassuming and humble man willing to share his humor knowledge and love with others This volume contains more spitting images by author Michael Abramson which are exhibited masterfully through his quotations poetry and free associated rambles in this much larger fifth volume of his work containing well over 850 pieces including some of his best words from the other volumes They will make you think make you laugh and maybe even make you cry It contains stories thoughts humor truths and sometimes just words which if read carefully might give you insight into the life and the mind of this clever and sensitive author Space Capitalism Peter Lothian Nelson, Walter E. Rypka, 2013-11-11 Some justification seems to be necessary for the addition of yet another History of Iranian Literature to the number of those already in existence Such a work must obviously contain as many novel features as possible so that a short explanation of what my collaborators and I had in mind when planning the book is perhaps not superfluous In the first place our object was to present a short summary of the material in all its aspects and secondly to review the subject from the chronological geo graphical and substantial standpoints all within the compass of a single volume Such a scheme precludes a formal and complete enumeration of names and phenom ena and renders all the greater the obligation to accord most prominence to matters deemed to be of greatest importance supplementing these with such figures and forms as will enable an impression to be gained of the period in question all this is far as possible in the light of the most recent discoveries A glance at the table of contents will suffice to give an idea of the multifarious approach that has been our aim We begin at the very first traces of evidence bearing on our subject and continue the narrative up to the present day Geographically the book embraces Iran and its neighbouring countries while it should be remarked that Iranian literature in its fullest sense also includes Indo Persian **On an Irish Island** Robert Kanigel, 2013-02-26 On an Irish Island tells the remarkable story of and Judeo Persian works a remote outpost nearly untouched by time in the first half of the twentieth century and of the adventurous men and women who visited and were inspired by it In a love letter to a vanished way of life Robert Kanigel brings to life this wildly beautiful island notable for the vivid communal life of its residents and the unadulterated Irish they spoke well into the twentieth century With the Irish language rapidly disappearing Great Blasket became a magnet for scholars linguists and writers during the Gaelic renaissance As we follow these visitors among them John Millington Synge author of The Playboy of the Western World we are captivated both by the tiny group of islanders who kept an entire country's past alive and by their complex relationships with those who brought the island s story to the larger world Modernism and Poetic Inspiration J. Rasula, 2009-06-08 The sites of inspiration documented in this book range from nineteenth century linguistic theory to postmodern strategies of conceptual writing encompassing well known instances of modernist poetics Mallarm Pound Olson alongside obscure but revealing figures like Otto Nebel and Henri Martin Barzun **Hugo Wolf** Susan Youens, 2024-01-09 A groundbreaking look at one of the great song composers of the late Romantic period In the virtual cottage industry of works on fin de si cle Vienna Hugo Wolf 1860 1903 has been somewhat neglected perhaps because he was the master of a small genre the late Romantic lied and never truly made his mark in the larger forms that command greater public attention But in the realm of song he is among the greatest inheritors of Schubert and Schumann one who was both a traditionalist and a modernist When the Viennese critic Eduard Hanslick disapprovingly dubbed Wolf the Richard Wagner of the lied he was paying oblique homage to Wolf s genius as a song composer in the most modern manner In this book Susan Youens examines five aspects of Wolf's compositional art each exemplifying a different synthesis of traditionalism and modernity and spanning

his entire tragically brief creative life from his first efforts to his lapse into insanity in 1897 She discusses Wolf s youthful imitations of Schumann his genius for comic songs of a kind unlike any of his predecessors his part in the ballad revival of the late nineteenth century Wolf in relation to his contemporaries and his pursuit of operatic fame Youens looks as closely at the poetic texts as she does the music and includes numerous previously unpublished sketches and fragments examples from songs now long out of print and difficult to obtain and citations from Wolf s vivid letters and other sources of the period
