**Experiencing Spiritual Growth** Focus on the Family, 2005-03-01 One of the greatest joys of being a child of God is that He asks us to grow in Him When we nurture a deeper relationship with our Father we cultivate the spiritual fruit described in Galatians 5 22 23 love joy peace patience kindness goodness faithfulness gentleness and self control These attributes are what make stronger women stronger Christians and stronger testaments to the grace and glory of God The Focus on the Family Women's Series is exactly what women's ministries are looking for a complete program designed to meet the needs of women of all ages The In Touch Study Series Charles F. Green, 2008-03-01 This is a presentation of a research project on the effect of classical spiritual disciplines on the spiritual and psychological well being of participants Eighteen persons studied and practiced thirteen different spiritual disciplines over a period of six months Pretests and posttests measured the resultant change Foundational chapters survey

the literature of the disciplines and discuss the potential benefits and dangers of the spiritual practices considered. Stanley, 2009-08-31 Looking for a church with modern spiritual disciplines? Stop. God has something to say about Bible study, prayer, witnessing, church attendance, service, and obedience, but many churches are unknowingly losing what God wants in an effort to become more relevant and increase attendance. Dr. Charles Stanley helps you take another look at what the Bible says concerning the age-old tools presented in the Scriptures and lets you decide if your church is still doing it right. **THE SHEKINAH GLORY** Ahmed Musa, 2024-12-17 The Shekinah glory represents a divine invitation to relationship. God's desire has always been to be with His people, to walk with them, and to reveal Himself to them. The overwhelming splendor of His glory is not just an overwhelming display of power, but a manifestation of His love and His longing to be near. In the garden of Eden, He walked with Adam and Eve, and that was His heart's desire for all of creation. However, sin created a barrier that made such intimacy impossible. The rest of Scripture is in many ways the unfolding of God's plan to restore that intimacy. From the sacrificial system that allowed for atonement to the sending of His Son to die for our sins, God's ultimate desire is to reconcile us to Himself, to bring us back into fellowship, and to reveal His glory once again. The Spiritual Practices of South African Clergy Shaun Joynt, 2024-12-15 Clergy play an important role in the spiritual wellbeing of their congregation. They are entrusted by the Great Shepherd to shepherd his flock, which entails leading them to green pastures and still waters, for example, pastoral care and defending them from predatory animals, for example, heresy. However, clergy are sheep before they are shepherds and are also in need of the green pastures and still waters of meditation, prayer, fasting, and Bible study. These are known as inward spiritual disciplines, exercises, and have been practiced for centuries. Spiritual Practices of South African Clergy State of the Clergy discusses these inward spiritual disciplines, mental, physical, spiritual, and social benefits. The volume explores how clergy from five diverse denominations practice these specific inward spiritual disciplines. They include the Methodist, Netherdutch, Pentecostal, Presbyterian, and Roman Catholic faith traditions. This book focuses on clergy in the Global South and how they practice these spiritual disciplines within their context. Clergy, congregants, academics, and lay persons alike will benefit from the research conducted. Spiritual Formation for the Global Church Ryan A. Brandt, John Frederick, 2021-10-19 The church is a global body of believers called to grow in Christ. Yet too often it privileges a few voices and ignores the practical dimensions of the faith. Offering a multi-denominational, multi-ethnic vision, this volume brings together biblical scholars, theologians, and practitioners from around the world to pursue a theology and praxis of spiritual formation for the global church. *The Spirituality of Paul* Leslie Hardin, 2016 The traditional venues for making sense of the complicated apostle Paul are history and theology. Indeed, one cannot understand him apart from either. However, something is still missing from our portrait of

Paul Rather than thinking of Paul as a theologian and an apostle Leslie Hardin argues there is great benefit in approaching him as a disciple a Spirit filled man who wanted to pass vibrant spirituality on to those he encountered In The Spirituality of Paul Hardin uncovers the things Paul practiced in his own life and those he taught his followers in order to attempt to live an authentic Spirit filled Christian life Hardin points out that in order to foster the power of the Spirit Paul like each of us had to dedicate himself to everyday routines and practices What were those spiritual disciplines How did they help him And how might they be applied in our modern lives to bring us closer to Christ Whether a general reader or mature believer the reader of this book will find Paul to be a true brother a fellow sinner receiving grace **Psychology and Spiritual**
