Hangmans Row:

Hangman's Row Aaron Marc Stein,1982 **The Hangman's Row Enquiry** Ann Purser,2010-05-04 A new series and a new sleuth from Ann Purser author of the Lois Meade mysteries Ivy Beasley the beloved cantankerous spinster from the Lois Meade mysteries has found a silver lining in her golden years as an amateur sleuth She teams up with Gus a mysterious newcomer to the small English village of Barrington who can't resist a little excitement even as he strives to keep his past a secret and her own cousin a widow with time on her hands and money in her purse Together they're determined to solve the murder of Gus's elderly neighbor **The Hangman's Replacement** Taona D. Chiveneko,2013-01-15 If you had to interview the candidates for a country's new hangman what questions would you ask them If your family was on the verge of starvation and becoming a hangman was the only job available would you apply If you were hired what would you do if the prisoners looked like your loved ones If you knew that another good man was taking the job out of desperation would you do anything to prevent him from getting it What if that man's recruitment would somehow guarantee your own survival would you encourage his candidacy All these questions were asked of people who never thought they would find themselves in such a position until they became mired in the chaos surrounding the hangman's replacement *Hangman's Creek* Matt Braun,2002-03-15 From a master storyteller of frontier history the saga of a rancher who goes undercover to chase horse thieves and discovers his true destiny Elmer Kelton award winning author of *The Good Old Boys* Texas rancher Ben Langham hired Luke Starbuck for his loyalty and toughness gained by riding with Rip Ford's Texas volunteers But when Langham sent Starbuck after a band of horse thieves a loyal man left behind the only home he had ever known and met the stranger in himself One man found a home To track down a thief Starbuck posed as an outlaw misled his woman and killed to protect his own life Then he rode into a kingdom of vicious horse thieves and entered into a fierce duel with a criminal mastermind hiding behind a respectable life Somewhere along the line honest hardworking Starbuck discovered that he was a changed man one who had forged himself a freedom and a future in a place where other men died Braun is one of the best Don Coldsmith author of the *Spanish Bit* series Matt Braun is head and shoulders above all the rest who would attempt to bring the gunmen of the Old West to life Terry C Johnston author of *The Plainsman* series Matt Braun has a genius for taking real characters out of the Old West and giving them flesh and blood immediacy Dee Brown author of *Bury My Heart at Wounded Knee* **Hangman's Journal** Shashi Warriar,2009-02-20 They say that the hangman's job is an art Positioning the knot under the prisoner's ear is the most important part of the job get it exactly right and there's not a quiver from the rope except for that little jerk at the drop when his neck breaks A few millimetres off and the man's neck does not break he dies of strangulation slowly painfully Written with rare power and unflinching directness this is a compelling often unsettling account of a life of great psychological and moral complexity The real life story of the Hangman working for the king of Travancore a small pre independence South Indian kingdom unfolds in full detail Each time he returned from the gallows he

told himself that it would be the last time But he went back a hundred and seventeen times He did what he was ordered to do and shut out difficult memories till an encounter with a writer almost a quarter century after his last hanging forced him to confront his past This Book takes us into the mind of a Man struggling to come to terms with his Dharma his conscience and his shame *The Hangman's Lair* Simon Cheshire,2008-10-24 Three wise cracking mysteries in one where YOU are the supersleuth Saxby Smart private detective is back with three more puzzling cases a terrifying visit to The Hangman s Lair to recover stolen money blackmail is threatened in The Diary of Fear and in Whispers from the Dead Saxby must unravel the mystery surrounding a stranger s unearthly powers In this fourth exciting book Saxby Smart schoolboy detective gives you clues which help solve the mystery Are you smart enough to work out the answers **Hangman's Bridge** Curtis Bent,2021-12-07 Through a variety of activities ranging from pulling weeds in Delta asparagus and sugar beet fields to playing hang tag during a two a day summer football practices on Delta bridges Curtis shares vivid experiences with the reader that the Delta and the San Joaquin Valley offer All is not simply fun and games in Curtis rite of passage as he becomes aware of the profound impact that water holds on his family and environment of the state of California Through personal experiences Curtis shares basic facts with the reader such as the following it takes five gallons of water for a walnut to reach market a levee is reinforced with junked cars for eight miles to save the agricultural fields or there is only one river in the U S that has not been dammed the Yellowstone Through the supportive enlivened narrative of his family friends and acquaintances Curtis weaves a compelling story that includes his establishing a school for challenged youth As the main character Lou processes the gathered information Lou takes a radical stand to confront the abuses that impact our socioeconomic culture The novel culminates in a violent conclusion to which the reader is asked What would you do *The Veritas Project: Hangman's Curse* , **Hangman's Game** Bill Syken,2015-08-18 After losing his starting position as a college quarterback to a shoulder injury Nick Gallow has remade himself as a punter Now in his fifth year in the pros with the Philadelphia Sentinels Nick spends most of his time on the sidelines He no longer makes winning plays and when the team visits a hospital the sick kids would rather talk to the players they ve actually heard of But Nick is unexpectedly thrust back into the spotlight when he witnesses the murder of the new all star draft pick on the eve of the team s summer minicamp Nick has no plans to get involved Despite the murder his focus is squarely on an uppity rookie player eyeing his roster spot But after a second attack hits closer to home and the police go after the wrong man Nick finds himself driven by the chance to be a hero again In Hangman s Game Syken offers a seasoned sportswriter s take on the contemporary culture of football and the will to play on despite the game s toll on the body and mind *Hangman's Brae* Colin Duncan,Norman Adams,2013-02-21 Hangman s Brae is a vividly written account of the blood curdling crimes and brutal forms of punishment of north east Scotland The book explores the area s underworld and features the grave robbers jail breakers rioters and other lawbreakers whose crimes led them to premature deaths at the end of a rope or at the not so delicate hands of The Maiden a

gruesome decapitating device predating the French guillotine The stories of the men who enforced the law and meted out sentences to the ne'er-do-wells who broke it can be just as interesting and memorable as those of the criminals and Norman Adams introduces the reader to some of them Here you'll find some real characters such as the Aberdeenshire sheriff and criminal officer who always got his man once spending two chilling nights chained to a brutal murderer and rapist And it wasn't just hangings that these men had to perform their grisly work also involved execution by beheading and drowning often with some witch burning for good measure The many true crime cases in this book shed new light on just how violent and bloody the north east of Scotland's past was Hangman's Creek / Jury of Six Matt Braun,2007-10-30 Luke Starbuck poses as an outlaw in order to infiltrate a dangerous gang of cattle rustlers *The Hangman's Secret* Laura Joh Rowland,2019-01-08 Intrepid photographer Sarah Bain and her motley crew of detectives are back to hunt criminals in the seedy underbelly of Victorian London but little do they know the darkness may lurk closer than they first divined Photographer Sarah Bain and her friends Lord Hugh Staunton and sometime street urchin Mick O'Reilly are private detectives with a new gig photographing crime scenes for London's Daily World newspaper The Daily World is the latest business venture of their sole client Sir Gerald Mariner a fabulously wealthy and powerful banker One cold snowy January morning Sarah Hugh and Mick are summoned to the goriest crime scene they've ever encountered A pub owner named Harry Warbrick has been found hanged and decapitated amid evidence of foul play His murder becomes a sensation for being England's top hangman but was met with the same fate that he inflicted on hundreds of criminals Sir Gerald announces that the Daily World meaning Sarah and her friends will investigate and solve Harry Warbrick's murder before the police do The contest pits Sarah against the man she loves Police Constable Barrett She and her friends discover a connection between Harry Warbrick's murder and the most notorious criminal he ever executed Amelia Carlisle the Baby Butcher who murdered hundreds of infants placed in her care Something happened at Amelia's execution The Official Secrets Act forbids the seven witnesses present to divulge any information about it But Harry had a bad habit of leaking tips to the press Sarah and her friends suspect that one of the other witnesses killed Harry to prevent him from revealing a secret related to the execution What is the secret and who hanged the hangman From award winning author Laura Joh Rowland *The Hangman's Secret* builds suspense about the darkness that lurks within and the deadly secrets that beg to be revealed **Dark-Light** D.T. Reece,2022-07-15 Everybody wants the truth until they hear it Well what if everything we were taught about creation heaven and hell aliens angels and of course demons was completely wrong worse than it is already The Dark Light created us to blend together and live in a wonderful harmony but the Dark alone wanted total control as most evil does so the Light must fight to keep the scales even This is the real story of the Earth After Dark Light split into Adem and Lilith they could not fight each other so they decided to create a champion known as a Brielle to fight in their spot The Righteous fights for the Light and for truth and justice whereas Armageddon fights for the Dark and all that follows evil Lilith and Adem each create seven

subordinates known as Murmuhdons but we call them the seven deadly sins and the seven righteous virtues who serve the Brielle on Earth as they battle for control of the world and the universe If we could just come together as one we would be a prosperous and gorgeous world but as always you can t have good without bad Not all people are bad Those are who the Righteous the world s first superhero is fighting for Destroying the Light is all that Armageddon is fighting for and our way of life depends on the winner **Munsey's Magazine** ,1897 *Premeditated* Josin L.
