

A promotional image for the Japanese hip-hop group EXILE's second album, 'Twilight Cinema'. Five members of the group are posed in a row against a vibrant, red and gold background that resembles a stylized, illuminated marquee or stage. They are all wearing black shirts and white trousers. The member on the far right is wearing a black hat. The title 'EXILE SECOND' is prominently displayed in the center in a large, red, marquee-style font with gold outlines. Below it, the subtitle 'Twilight Cinema' is written in a pink, cursive script. The entire image is framed by ornate, gold-colored decorative elements.

Cold War Exiles and the CIA Benjamin Tromly, 2019-09-19 At the height of the Cold War in the 1950s the United States government unleashed covert operations intended to weaken the Soviet Union As part of these efforts the CIA committed to supporting Russian exiles populations uprooted either during World War Two or by the Russian Revolution decades before No one seemed better prepared to fight in the American secret war against communism than the uprooted Russians whom

the CIA directed to carry out propaganda espionage and subversion operations from their home base in West Germany Yet the American engagement of Russian exiles had unpredictable outcomes Drawing on recently declassified and previously untapped sources *Cold War Exiles* and the CIA examines how the CIA's Russian operations became entangled with the internal struggles of Russia abroad and also the espionage wars of the superpowers in divided Germany What resulted was a transnational political sphere involving different groups of Russian exiles American and German anti communists and spies operating on both sides of the Iron Curtain Inadvertently CIA's patronage of Russian exiles forged a complex sub front in the wider Cold War demonstrating the ways in which the hostilities of the Cold War played out in ancillary conflicts involving proxies and non state actors

A Prison Without Walls? Sarah Badcock, 2016-09-22 *A Prison Without Walls* presents a snapshot of daily life for exiles and their dependents in eastern Siberia during the very last years of the Tsarist regime from the 1905 revolution to the collapse of the Tsarist regime in 1917 This was an extraordinary period in Siberia's history as a place of punishment There was an unprecedented rise of Siberia's penal use in this fifteen year window and a dramatic increase in the number of exiles punished for political offences This work focuses on the region of Eastern Siberia taking the regions of Irkutsk and Yakutsk in north eastern Siberia as its focal points Siberian exile was the antithesis of Foucault's modern prison The State did not observe monitor and control its exiles closely often not even knowing where the exiles were Exiles were free to govern their daily lives free of fences and free from close observation and supervision but despite these freedoms Siberian exile represented one of Russia's most feared punishments In this volume Sarah Badcock seeks to humanise the individuals who made up the mass of exiles and the men women and children who followed them voluntarily into exile *A Prison Without Walls* is structured in a broad narrative arc that moves from travel to exile life and communities in exile work and escape and finally illness in exile The book gives a personal human empathetic insight into what exilic experience entailed and allows us

to comprehend why eastern Siberia was regarded as a terrible punishment despite its apparent freedoms

Exile and the Circulation of Political Practices Catherine Brice, 2020-08-27 During the 18th century visitors would come and attend the British Parliament sessions in order to understand how a representative assembly could technically function because politics is not only about ideas but also a lot about practices and techniques A great deal has been written on the circulation of political ideas during the 19th century and on the part played by exiles refugees and military volunteers in this intellectual mobility However less is known of what constitutes in the end politics not only ideas but practices the material implementation of politics How does one debate vote or demonstrate What is political representation How does one start a political party and run it All the political engineering of the 19th century the period of the birth of modern politics has been the result of an intense circulation of exiles which along with bringing in new ideas borrowed new ways of making politics This is what this book contemplates through a wide range of examples showing how exile turned out to be during the century of the revolutions the laboratory of a new political grammar and of political practices resulting in the cross fertilization between host countries and exiled communities

The Making of Exile Cultures Hamid Naficy, 1993-01-01 Using Iranian television as a case study *The Making of Exile Cultures* explores the seemingly contradictory way in which immigrant media and cultural productions serve as the source both of resistance and opposition to domination by host and home country s social values while simultaneously acting as vehicles for personal and cultural transformation and the assimilation of those

values South African Political Exile in the United Kingdom Mark Israel,1999-05-19 After 1948 many opponents of apartheid were forced out of South Africa This accessible and readable account draws upon interviews with many of those involved to examine how those activists who came to the United Kingdom developed political organisations social networks ideologies and identities that supported their time in exile It examines the Anti Apartheid Movement and the African National Congress in exile and documents the violent attempts by the South African government to control exile activity Finally it investigates how exiles came to terms with the possibility that they might return **The Tibetan Government-in-Exile** Stephanie Römer,2008-05-15 This book provides a detailed account of the structure and political strategies of the Tibetan government in exile the Central Tibetan Administration CTA in northern India Since its founding in 1959 it has been led by the 14th Dalai Lama who struggles to regain the Tibetan homeland Based on a theoretical approach on exile organizations and extensive empirical studies in Asia this book discusses CTA s political strategies to gain national loyalty and international support in order to secure its own organizational survival and the ultimate goal the return to Tibet The book is organized around the two fundamental questions firstly how the CTA fosters its claims to be the sole representative of all Tibetans over the last decades in exile and secondly which policies have been carried out in order to regain the homeland The book is divided into four substantial chapters the historical background providing a review of pre 1959 political Tibet a theoretical section which covers the critical position of exile organizations an examination of the exile Tibetan community and government from the early years an analysis of crucial CTA policies Innovative and unique this book combines a political science approach with Tibetan studies to analyse exile Tibetan politics in particular and exile governments in general The Social Organization of Exile Margaret E. Kenna,2013-12-19 Illustrated with prints from a unique archive of glass and celluloid negatives from the Aegean island of Anafi this book deals with the life of people who were sent into internal exile under the Metaxas dictatorship 1936 1942 Like others before and after this regime used imprisonment internal deportation and exile as a means of containing and isolating a wide variety of people who were thought to be public dangers Drawing on published and unpublished memoirs and on firsthand accounts of former exiles it gives a vivid picture of a by no means unified collection of people facing a common set of problems on an island at the borders of the Greek State During the Occupation the Anafi exiles faced privation hunger and finally the dissolution of the commune This is a human drama which will interest a wide range of readers **The Concept of Exile in Ancient Israel and its Historical Contexts** Ehud Ben Zvi,Christoph Levin,2010-10-19 In ancient Israelite literature Exile is seen as a central turning point within the course of the history of Israel In these texts the Exile is a central ideological concept It serves to explain the destruction of the monarchic polities and the social and economic disasters associated with them in terms that YHWH punished Israel Judah for having abandoned his ways As it develops an image of an unjust Israel it creates one of a just deity But YHWH is not only imagined as just but also as loving and forgiving for the exile is presented as a transitory state Exile is deeply intertwined with its

discursive counterpart the certain Return As the Exile comes to be understood as a necessary purification or preparation for a renewal of YHWH's proper relationship with Israel the seemingly unpleasant Exilic conditions begin discursively to shape an image of YHWH as loving Israel and teaching it Exile is dystopia but one that carries in itself all the seeds of utopia The concept of Exile continued to exercise an important influence in the discourses of Israel in the Second Temple period and was eventually influential in the production of eschatological visions Russian Nihilism and Exile Life in Siberia James William Buel, 1883

The House of the Dead Daniel Beer, 2017-01-03 Winner of the Cundill History Prize The House of the Dead tells the incredible hundred year long story of the vast prison without a roof that was Russia's Siberian penal colony From the beginning of the nineteenth century until the Russian Revolution the tsars exiled more than a million prisoners and their families east Here Daniel Beer illuminates both the brutal realities of this inhuman system and the tragic and inspiring fates of those who endured it Siberia was intended to serve not only as a dumping ground for criminals and political dissidents but also as new settlements The system failed on both fronts it peopled Siberia with an army of destitute and desperate vagabonds who visited a plague of crime on the indigenous population and transformed the region into a virtual laboratory of revolution A masterly and original work of nonfiction The House of the Dead is the history of a failed social experiment and an examination of Siberia's decisive influence on the political forces of the modern world The Pastoral Prophet Steve

Kruschel, Steven Kruschel, 2020-05-11 When the Lord called Jeremiah to be his prophet he called a man grappling with insecurities and weaknesses He made a prophet out of a struggling sinner God strengthened Jeremiah to preach to his family who betrayed him his king who wanted him dead and to false prophets trying to drown out his message His words speak to you too These devotions based on Jeremiah's words and experiences are meant to help encourage you as a pastor a teacher a church leader and a parishioner Watch as Jeremiah holds the mirror of God's law up to your heart and witness God's beautiful gospel message as his prophet speaks it directly to you **Cultures of Exile and the Experience of**

Refugeeness Stephen Dobson, 2004 Refugee research and debate have focused on international agreements border controls and the legal status of asylum seekers The lived daily life of refugees in different phases of their flight has thus been unduly neglected How have refugees experienced policies of reception and resettlement and how have they individually and collectively built up their own cultures of exile To answer these questions the author of this study has undertaken long term fieldwork as a community worker in a Norwegian municipality Refugees from Chile Iran Somalia Bosnia and Vietnam were on occasions subjected to exclusionary and discriminatory practices Nevertheless resistance was seen in the form of a Somali women's sewing circle the organisation of a multi cultural youth club running refugee associations and printing their own language newspapers Moreover in activities such as these refugees addressed and came to terms with a limited number of shared existential concerns morality violence sexuality family reunion belonging and not belonging to a second generation Drawing upon these experiences a general theory of refugeeness is proposed It states that the cultures refugees create in
