Existentialphenomenological Readings On Faulkner:

Existential-phenomenological Readings on Faulkner, 1991 William Faulkner John E. Bassett, 2009-05-22 Considered one of the great American authors of the 20th century William Faulkner 1897 1962 produced such enduring novels as *The Sound and the Fury* *Light in August* and *As I Lay Dying* as well as many short stories His works continue to be a source of interest to scholars and students of literature and the immense amount of criticism about the Nobel prize winner continues to grow Following his book *Faulkner in the Eighties* Scarecrow 1991 and two previous volumes published in 1972 and 1983 John E Bassett provides a comprehensive annotated listing of commentary in English on William Faulkner since the late 1980s This volume dedicates its sections to book length studies of Faulkner commentaries on individual novels and short works criticism covering multiple works biographical and bibliographical sources and other materials such as book reviews doctoral dissertations and brief commentaries This bibliography provides an organized and accessible list of all significant recent commentary on Faulkner and the annotations direct readers to those materials of most interest to them The information contained in this volume is beneficial for scholars and students of this author but also general readers of fiction who have a special interest in Faulkner **William Faulkner**

Daniel Joseph Singal, 2000-11-09 Amid all that has been published about William Faulkner one subject the nature of his thought remains largely unexplored But as Daniel Singal's new intellectual biography reveals we can learn much about Faulkner's art by relating it to the cultural and intellectual discourse of his era and much about that era by coming to terms with his art Through detailed analyses of individual texts from the earliest poetry through *Go Down Moses* Singal traces Faulkner's attempt to liberate himself from the repressive Victorian culture in which he was raised by embracing the Modernist culture of the artistic avant garde To accommodate the conflicting demands of these two cultures Singal shows Faulkner created a complex and fluid structure of selfhood based on a set of dual identities one that of a Modernist author writing on the most daring and subversive issues of his day and the other that of a southern country gentleman loyal to the conservative mores of his community Indeed it is in the clash between these two selves Singal argues that one finds the key to making sense of Faulkner William Faulkner Daniel J. Singal, 1997 Through detailed analyses of individual texts from the earliest poetry through *Go Down Moses* Singal traces Faulkner's attempt to liberate himself from the powerful and repressive Victorian culture in which he was raised by embracing the Modernist culture of the artistic avant garde Most important it shows how Faulkner accommodated the conflicting demands of these two cultures by creating a set of dual identities one that of a Modernist author writing on the most daring and subversive issues of his day and the other that of a southern country gentleman loyal to the conservative mores of his community It is in the clash between these two selves Singal argues that one finds the key to making sense of Faulkner

Obscurity's Myriad Components R. Rio-Jelliffe, 2001 On that paradoxical premise Faulkner's theory addresses the writer's dilemma of having only the inadequate word to surmount itself and the practice in fiction seeks to vanquish the

enemy not in the wordless as it is often denoted but in silence past the word

BOOK JACKET *Reading Faulkner* Wesley Morris, Barbara Alverson Morris, 1989 The general argument advanced by the Morrises in this ambitious work revolves around the idea that William Faulkner is deeply critical of the prevailing Southern myth and discourse furthermore that his narratives are an attempt to discover and amplify alternative voices within that dominant milieu Those voices and the stories they tell are most often those of the unprivileged in race class and gender the black the poor white the woman the neurotic and so forth who act out the disintegration of Southern culture even as they may be said to hold it together in a communal act of mythmaking This reading thus makes the case a largely revisionary one for Faulkner as a fully engaged political writer a writer embroiled in the process of the subversion and dissolution not only of dominant Southern myth but of dominant Southern reality as well Structured in the way Faulkner imagined his entire fictional universe as a single narrative Reading Faulkner's incremental design results in a story that has much of the drive and force of Faulkner's story itself

Exploring Space Andrzej Ciuk, Katarzyna Molek-Kozakowska, 2013-02-14 Exploring space Spatial notions in cultural literary and language studies falls into two volumes and is the result of the 18th PASE Polish Association for the Study of English Conference organized by the English Department of Opole University and held at Kamiel ski in April 2009 The first volume embraces cultural and literary studies and offers papers on narrative fiction poetry theatre and drama and post colonial studies The texts and contexts explored are either British American or Commonwealth The second volume refers to English language studies and covers papers on lexicography general linguistics and rhetoric discourse studies and translation second language acquisition foreign language learning and the methodology of foreign language teaching The book aims to offer a comprehensive insight into how the category of space can inform original philological research thus it may be of interest to those in search of novel applications of space related concepts and to those who wish to acquire an update on current developments in English Studies across Poland from the Preface

Yellow Crocodiles and Blue Oranges David MacFadyen, 2005 In 1999 Boris Yeltsin passed a resolution to resurrect the biggest cartoon studio in Eastern Europe Soiuzmul tfil m From the mid 1930s until its forced demise in the mid 1990s the studio had produced more than 1 500 films Yeltsin felt it important that Soiuzmul tfil m be restored to its former glory and even proposed keeping its original name a nationally famous acronym made from the three Russian words for union soiuz animation mul tiplikatsiia and film fil m But the union referred to had vanished in 1991 Was reviving the studio a nostalgic paeon to communism David MacFadyen reveals that Soiuzmul tfil m upon reopening continued doing what it had since its inception in 1936 when it was the only Russian studio able to take cartoons from sketchbook to the silver screen In a historical and theoretical reassessment of animated cinema in Russia since World War Two *Yellow Crocodiles and Blue Oranges* examines a large number of Soviet cartoons to decipher what about them allowed them to survive under communism and continue to survive with equal success under capitalism
