Rebozos de Palabras Gabriella Gutiérrez y Muhs,2013-03-14 Helena Mar a Viramontes is a professor scholar activist and renowned author of works of fiction and nonfiction Her work has been anthologized and is read widely in the United States and abroad For many of her readings and speaking engagements she arrives wearing a rebozo a shawl worn by Mexican and Chicana women living on both sides of the US Mexico border Once when asked about her rebozo Viramontes explained that the pre Columbian icon is her security blanket which she embraces in order to find comfort For her readers her writing functions like a rebozo de palabras a shawl woven with words that nurture As Gabriella Guti rrez y

Muhs points out in her insightful introduction not only has Viramontes's work not yet received the broad critical engagement it richly deserves but there remains a monumental gap in the interpretations of Chicana literature that reach mainstream audiences. Rebozos de Palabras addresses this void by focusing on how the Chicana image has evolved through Viramontes's body of work. With a foreword by Sonia Saldaña Hull, this collection addresses Viramontes's entire oeuvre through newly produced articles by major literary critics and emerging scholars who engage Viramontes's writing from multiple perspectives.

The Ancient Maya Virginia Schomp, 2010 Explores the mythology of the ancient Maya, one of history's greatest civilizations.

When the Norns Have Spoken Anthony Winterbourne, 2004 One of the most striking aspects of the process of conversion of paganism into Christianity is the manner in which certain key religious concepts were modified without being totally obliterated from the new religious language. Residual pagan beliefs persevered at least for a time, notably that concerning fate. The argument concludes that only after pagan fate was transformed into the concept of God's Providence could the problem of death and salvation in relation to God's power be made fully manifest. Fate had become linked with death as a new beginning within Christian eschatology and was thus finally temporalized.
