Arie W. Kruglanski, E. Tory Higgins

Handbook Of Social Comparison Theory And Research:

Handbook of Social Comparison Jerry Suls, Ladd Wheeler, 2013-11-11 Comparison of objects events and situations is integral to judgment comparisons of the self with other people comprise one of the building blocks of human conduct and experience After four decades of research the topic of social comparison is more popular than ever In this timely handbook a distinguished roster of researchers and theoreticians describe where the field has been since its development in the early 1950s and where it is likely to go next

Handbook of Social Comparison Jerry Suls, Ladd Wheeler, 2014-01-15 *Social Comparison and Social Psychology* Serge Guimond, 2006 Much of our knowledge about ourselves and about the world in which we live is based on a process of social comparison Our tendency to appraise events objects people and social groups by making comparisons has captured the interest of social psychologists for over half a century This volume provides an up to date synthesis of the latest theoretical and empirical developments in social psychology through research on social comparison processes With chapters by leading theorists and internationally renowned researchers it provides invaluable information on the role of this process of comparison as it occurs within a single individual over time between individuals and between social groups It also features an original international study testing the universality of the effects of social comparison on the self This book will appeal to scholars and students alike and will serve as an important reference for the study of cognition intergroup relations and culture

Social Comparison, Judgment, and Behavior Jerry M. Suls, Ladd Wheeler, Rebecca L. Collins, 2020 Comparison with other people a core element of social life influences self concept attitudes conformity psychological and physical well being achievement educational outcomes and social movements This volume presents classic and state of the science chapters by leading experts that survey the major areas of social comparison theory and research

Communal Functions of Social Comparison Zlatan Krizan, Frederick X. Gibbons, 2014-03-21 This volume identifies research relevant to communal functions of social comparisons and organizes this research within a coherent conceptual framework

The SAGE Encyclopedia of Industrial and Organizational Psychology Steven G. Rogelberg, 2016-09-27 The well received first edition of the Encyclopedia of Industrial and Organizational Psychology 2007 2 vols established itself in the academic library market as a landmark reference that presents a thorough overview of this cross disciplinary field for students researchers and professionals in the areas of psychology business management and human resources Nearly ten years later SAGE presents a thorough revision that both updates current entries and expands the overall coverage adding approximately 200 new articles expanding from two volumes to four Examining key themes and topics from within this dynamic and expanding field of psychology this work offers a truly cross cultural and global perspective

Advances in Experimental Social Psychology Mark P. Zanna, 2011-07-29 Advances in Experimental Social Psychology continues to be one of the most sought after and most often cited series in this field Containing contributions of major empirical and theoretical interest this series represents the best and the brightest in new research theory and practice

in social psychology This serial is part of the Social Sciences package on Science Direct Visit www.info.sciencedirect.com for more information Advances Experimental Social Psychology is available online on ScienceDirect full text online of volumes 32 onwards Elsevier book series on ScienceDirect gives multiple users throughout an institution simultaneous online access to an important compliment to primary research Digital delivery ensures users reliable 24 hour access to the latest peer reviewed content The Elsevier book series are compiled and written by the most highly regarded authors in their fields and are selected from across the globe using Elsevier s extensive researcher network For more information about the Elsevier Book Series on ScienceDirect Program please visit <http://www.info.sciencedirect.com/bookseries>

Theories in Social Psychology Derek Chadee, 2022-03-14 THEORIES IN SOCIAL PSYCHOLOGY Theories in Social Psychology develops a deeper more robust understanding of the theoretical framework underlying the field Providing rich insights into the central theories and perspectives that continue to shape the discipline this edited volume brings together a panel of distinguished scholars to address thirteen social psychological theories relating to social cognition social comparison social reinforcement and self In depth critical discussions examine topics including cognitive dissonance reactance attribution social comparison relative deprivation equity interdependency social identity and more The expanded second edition fills a substantial gap in current literature by articulating the important psychological theories rather than placing emphasis on applied research New and revised content helps students understand the construction and complexity of key theories while inspiring researchers of social behavior to reflect on their current work and consider future areas of investigation This comprehensive resource Identifies and discusses the theoretical perspectives and specific theories that form the foundation of the study of social psychology Features work from leading scholars including Bertram F Malle Paul R Nail Richard E Petty Thomas Mussweiler Faye J Crosby and Miles Hewstone Helps students move from introductory concepts to multifaceted theoretical frameworks Theories in Social Psychology Second Edition remains the perfect textbook for academics and students wanting to study and discuss important social psychological perspectives and theories and attain a deeper understanding of the theoretical framework This book will be a very valuable tool for students and professionals alike who wish to learn theories in social psychology and the role they have played in the development of the discipline It is comprehensive in its coverage and covers the theories in an objective and engaging way Robert J Sternberg Professor Department of Psychology College of Human Ecology Cornell University Honorary Professor of Psychology University of Heidelberg Germany In this wonderful new edition of compilation of theories at the core of modern social psychology presented to us by Derek Chadee we are given a special gift that enriches scholars teachers and students of psychology in social and general psychology We are treated to a clear exposition of these theories some of the research and controversy that each has generated and are given some guidelines to new paths for future exploration of their implications My research career has benefitted from working in the domains of dissonance attribution and social comparison theories but my teaching and textbook writing has relied on all of

the theories and their concepts so elegantly orchestrated here Phillip G Zimbardo Ph D Professor Emeritus Stanford University

Individual Self, Relational Self, Collective Self Constantine Sedikides, Marilynn B. Brewer, 2015-12-22 This edited volume addresses key issues relating to the concept of self an increasingly researched area of social psychology The self concept consists of three fundamental self representations the individual self the relational self and the collective self That is people seek to achieve self definition and self interpretation i e identity in three fundamental ways in terms of their personal traits in terms of dyadic relationships and in terms of group membership Contributions from leading international researchers examine the interrelations among three self representations A concluding commentary identifies running themes synthesizes the extant literature and points to future research directions

The Role of Teacher Interpersonal Variables in Students' Academic Engagement, Success, and Motivation Ali Derakhshan, Reza Pishghadam, Anna Mystkowska-Wiertelak, 2022-07-05

Social Psychology Graham M Vaughan, Michael A Hogg, 2013-10-16 The 7th edition of this best selling social psychology text by Graham Vaughan and Michael Hogg Social Psychology retains the structure and approach of the previous edition but has been revised to reflect the changes in the field with the material thoroughly updated throughout Social Psychology 7e continues to capture the scope and detail of contemporary social psychology as an international scientific enterprise and at the same time deals with the subject in a way that is relevant to university teaching and social psychology research in Australia and New Zealand

An Introduction to Social Psychology Miles Hewstone, Wolfgang Stroebe, Klaus Jonas, 2012-05-14 The fifth edition of this highly successful text An Introduction to Social Psychology has been fully revised and updated Accessibility for students has been improved including better illustrations greater use of colour and a more approachable format as well as a wealth of online resources Combining its traditional academic rigour with a contemporary level of cohesion accessibility pedagogy and instructor support the fifth edition of An Introduction to Social Psychology provides the definitive treatment of social psychology

The Psychology of Group Perception Vincent Yzerbyt, Charles M. Judd, Olivier Corneille, 2004 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company

Theory Construction in Social Personality Psychology Arie W. Kruglanski, E. Tory Higgins, 2016-02-04 This special issue features papers that offer deeply felt valuable perspectives on diverse aspects of theory construction in social personality psychology The goal is to furnish a basis for starting a discussion about the considerable challenges of theorizing the ways of meeting those challenges and the great rewards that successful theorizing offers to the discipline as a whole

Subjective Well-Being and Life Satisfaction James E. Maddux, 2017-12-15 The quality of people s relationships with and interactions with other people are major influences on their feelings of well being and their evaluations of life satisfaction The goal of this volume is to offer scholarly summaries of theory and research on topics at the frontier of the study of these social psychological influences both interpersonal and intrapersonal on subjective well being and life satisfaction The chapters cover a variety of types of relationships e g romantic relationships friendships

online relationships as well as a variety of types of interactions with others e g forgiveness gratitude helping behavior self presentation Also included are chapters on broader social issues such as materialism sexual identity and orientation aging spirituality and meaning in life Subjective Well Being and Life Satisfaction provides a rich and focused resource for graduate students upper level undergraduate students and researchers in positive psychology and social psychology as well as social neuroscientists mental health researchers clinical and counselling psychologists and anyone interested in the science of well being *Advances in Motivation Science* ,2015-08-18 Advances in Motivation Science Elsevier s new serial focuses on the ways motivation has traditionally been one of the mainstays of the science of psychology not only playing a major role in the early dynamic and Gestalt models of the mind but also playing an integral and fundamental part of the behaviorist theories of learning and action The cognitive revolution in the 1960 and 70 s eclipsed the emphasis on motivation to a large extent but it has returned in full force prompting this new serial on a hot topic of the contemporary scene that is once again firmly entrenched as a foundational issue in scientific psychology This volume brings together internationally recognized experts who focus on cutting edge theoretical and empirical contributions relating to this important area of psychology Focuses on the ways motivation has traditionally been one of the mainstays of the science of psychology Inclusive text for a variety of interests including motivation psychology self regulation strivings needs and motives Presents a hot topic that is once again firmly entrenched as a foundational issue in scientific psychology Provides an overview of important research programs conducted by the most respected scholars in psychology Includes special attention on directions for future research

Understanding Social Anxiety Vera Sonja Maass,2017-01-26 This powerful book explains the debilitating effects of social anxiety and the development of the disorder emphasizing the need for a resolution of this disorder and identifying common but unhelpful coping mechanisms as well as true methods to change and live life unafraid of social situations It is estimated that some 15 million Americans suffer from social anxiety disorder For these individuals parties sporting events and even workplaces or public shopping environments evoke anxiety and fear People who suffer from social anxiety disorder the most common of all anxiety disorders fear being scrutinized and judged by others in social or performance situations They know their fear is unreasonable but are powerless against the anxiety This book provides comprehensive coverage of social anxiety disorder by covering its history explaining the symptoms and root causes and presenting information on how to make the key changes in thought that can help sufferers find relief and be more comfortable in the modern world The author uses case histories and dialogue in therapeutic settings to provide a realistic depiction of social anxiety that makes the topic more relevant and understandable to clinicians students and friends and family members of sufferers who want to help the socially anxious individual The emphasis on people s resistance to changing or even examining the basis of their underlying beliefs illustrates the importance of this topic to the overall foundation of social anxiety and the urgency of addressing belief systems in the process of resolution and recovery **Social Psychology and Theories of Consumer Culture** Matthew

McDonald, Stephen Wearing, 2013 In Social Psychology and Theories of Consumer Culture McDonald and Wearing present a critical analysis of social psychology from the perspective of classical and contemporary theories of consumer culture

Social Psychology Karen A. Hegtvedt, Cathryn Johnson, 2017-07-12 Social Psychology takes a sociological approach to the study of the individual in relationship to society Its main purpose is to highlight how social psychology provides varied yet inter related explanations for individuals experiences in groups
