Handgunners Guide:

Handgunner's Guide Chic Gaylord, 2024-04-29 Chic Gaylord's Handgunner's Guide first published in 1960 is the definitive manual on modern handguns and their use written by a man who was a quick draw record holder and an expert on combat shooting. This guidebook gives you step by step analysis and advice on choosing a handgun, adapting a gun to your individual needs, drawing and firing for speed and for accuracy, self defense and combat methods, holsters and ammunition for handguns, the psychology of gun fighting. And there is a fascinating chapter on the great gun fighters of the Old West. The copious illustrations clarify every detail of the text. Chic Gaylord 1914-1992 was famous across the country for the holsters that he hand made in his shop on the west side of New York City. Equally well known for his speed and accuracy with many types of handguns, he demonstrated his prowess in public exhibitions and on television shows. His tips and advice on guns, holsters and ammunition evoked grateful praise from scores of police officers and interested citizens. The essence of Gaylord's accumulated hand gun wisdom is distilled between the covers of this book. [Handgun Buyer's Guide](#) Brad Fitzpatrick, 2015-11-17 The one stop shop for prospective handgun buyers. The market for new handguns is expanding rapidly and that's good news for consumers. Each year more and more new models break cover and there has never been a better time to be in the market for a new handgun. Whether you're a recreational shooter, a concealed carry permit holder, a hunter, or a serious competitive shooter. Today's handguns offer superb machining and utilize some of the most technologically advanced alloys, polymers, and finishes to help make the current crop of handguns lightweight, accurate, durable, and affordable. This increase in product offerings stem from new interest in handguns primarily as a result of nationwide issuance of concealed carry permits. As laws have been enacted that protect the rights of gun owners and defend our personal liberties, more and more new shooters are showing up on the range. But first time shooters and new concealed carry permit holders are not the only segment of the

handgun market that is seeing growth and interest Pistol competitions have become more popular and more advanced evolving from slow fire matches at local gun clubs to modern IPSC IDPA and 3 gun competitions Handgun Buyer's Guide will help both the bewildered new shooter find their feet and purchase a handgun find the best accessories and locate a place to practice on hone their skills You'll find all you need for owning a handgun in the Handgun Owner's Guide Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts We publish books about shotguns rifles handguns target shooting gun collecting self defense archery ammunition knives gunsmithing gun repair and wilderness survival We publish books on deer hunting big game hunting small game hunting wing shooting turkey hunting deer stands duck blinds bowhunting wing shooting hunting dogs and more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home
