The Problem of the Christian Master Matthew Elia, 2024-05-28 A bold rereading of Augustinian thought for a world still haunted by slavery Over the last two decades scholars have made a striking return to the resources of the Augustinian tradition to theorize citizenship virtue and the place of religion in public life However these scholars have

not sufficiently attended to Augustine's embrace of the position of the Christian slaveholder. To confront a racialized world, the modern Augustinian tradition of political thought must reckon with its own entanglements with the afterlife of the white Christian master. Drawing Augustine's politics and the resources of modern Black thought into extended dialogue, Matthew Elia develops a critical analysis of the enduring problem of the Christian master even as he presses toward an alternative interpretation of key concepts of ethical life: agency, virtue, temporality, against and beyond the framework of mastery. Amid democratic crises and racial injustice on multiple fronts, the book breathes fresh life into conversations on religion and the public square by showing how ancient and contemporary sources at once clash and converge in surprising ways. It imaginatively carves a path forward for the enduring humanities inquiry into the nature of our common life and the perennial problem of social and political domination.

Profiling Serial Killers Micki Pistorius, 2012-10-02 Profiling can be described as an educated attempt to provide investigative agencies with specific information about the type of individual who could have committed a particular crime. Today it is used in conjunction with other investigative techniques. *Profiling Serial Killers and other crimes in South Africa* contains a comprehensive introduction to the subject followed by chapters on serial killers, pyromaniacs, rapists, child molesters, stalkers, and white collar crime and intelligence profiling.

Shades of Deceit Mary Larkin, 2013-10-02 When her mother leaves the family home in Belfast for her lover, Louise McGuigan is left feeling betrayed. It is up to Louise to look after her brother and sister while her father loses himself to alcohol. Returning to work at the local linen factory, she has to endure the cruel gossip about her so-called righteous mother, and when Conor O'Rourke, the man of her dreams, continues to drag his heels about their future together, Louise doesn't know how much more she can take. Louise's luck appears to change when she finds alternative employment in a local bookshop, but her family troubles still weigh heavy on her mind. And when she seeks solace in the arms of a man who isn't Conor, things become even more complicated. Can Louise find happiness with the right man, or will she be tied to her troubled family for ever? Set in Belfast in the 1920s, *Shades of Deceit* is a gripping story of heartbreak, loyalty, and hope from much-loved bestselling author Mary Larkin.
