Kosher Bridge:

Kosher Bridge David Bird, Ron Klinger, 1998-06-01 This is a collection of bridge stories with a Jewish flavor The kindly and considerate Rabbi the star performer has a gentle sense of humor which is counterpointed by the uproarious exchanges between his companions as some remarkable sequences unfold at the bridge table New York Court of Appeals. Records and Briefs. New York (State)., **The Jews of Wales** Cai Parry-Jones, 2017-06-01 This study considers Welsh Jewry as a geographical whole and is the first to draw extensively on oral history sources giving a voice back to the history of Welsh Jewry which has long been a formal history of synagogue functionaries and institutions The author considers the impact of the Second World War on Wales s Jewish population as well as the importance of the Welsh context in shaping the Welsh Jewish experience The study offers a detailed examination of the numerical decline of Wales s Jewish communities throughout the twentieth century and is also the first to consider the situation of Wales s Jewish communities in the early twenty first arguing that these communities may be significantly fewer in number and smaller than in the past but they are ever evolving The Rabbi's Magic Trick David Bird, Ron Klinger, 2017-09-01 David Bird the world s leading humorous bridge writer joins forces again with Ron Klinger one of the world s best known bridge teachers and authors The result is a scintillating new collection of stories about the bridge playing Rabbi Where else would you find an unnervingly plausible account of a Rabbi gambling his holiday money in a high stake rubber game against three wealthy Arabs And where might you chance upon a parable such as the Synagogue team facing a team of Catholic priests and nuns hired professionals as part of the St Benedict Commemoration celebrations As readers of KOSHER BRIDGE and THE RABBI AND THE WEAKER SEX previously KOSHER BRIDGE 2 will expect the humour is sparkling and the bridge brilliant Sit back hold tight and enjoy this vastly entertaining book *The Encyclopedia of New York City* Kenneth T.
