His Masterpiece [L'oeuvre] Émile Zola,1902 *Le Corbusier - Œuvre complète Volume 1: 1910-1929* Willy Boesiger,Oscar Stonorov,2015-04-24 This exceptional Complete Works edition documents the enormous spectrum in the oeuvre of one of the most influential architects of the 20th Century Published between 1929 and 1970 in close collaboration with Le Corbusier himself and frequently reprinted ever since the eight volumes comprise an exhaustive and singular survey of his work His Masterpiece Émile Zola,2017-11-21 The Masterpiece is the tragic story of Claude Lantier an ambitious and talented young artist who has come from the provinces to conquer Paris but is conquered instead by the flaws of his own genius Set in the 1860s and 1870s it is the most autobiographical of the twenty novels in Zola s Rougon Macquart series It provides a unique insight into Zola s career as a writer and his relationship with Cezanne a friend since their schooldays in Aix en Provence It also presents a well documented account of the turbulent Bohemian world in which the Impressionists came to prominence despite the conservatism of the Academy and the ridicule of the general public **OEuvres Complètes de H. de Balzac** Honoré de Balzac,1877 **The Space of Literature** Maurice Blanchot,1982 Maurice Blanchot the eminent literary and cultural critic has had a vast influence on contemporary French writers among them Jean Paul Sartre and Jacques Derrida From the 1930s through the present day his writings have been shaping the international literary consciousness The Space of Literature first published in France in 1955 is central to the development of Blanchot s thought In it he reflects on literature and the unique demand it makes upon our attention Thus he explores the process of reading as well as the nature of artistic creativity all the while considering the relation of the literary work to time to history and to death This book consists not so much in the application of a critical method or the demonstration of a theory of literature as in a patiently deliberate meditation upon the literary experience informed most notably by studies of Mallarmé Kafka Rilke and Hölderlin Blanchot s discussions of those writers are among the finest in any language **Emile Zola** Harold Bloom,2009 A collection of critical essays on Émile Zola s work **Copyright in Cyberspace** International Literary and Artistic Association,1997 *Art Books* Wolfgang M. Freitag,1997 Expanded to twice as many entries as the 1985 edition and updated with new publications new editions of previous entries titles missed the first time around more of the artists own writings and monographs that deal with significant aspects or portions of an artist s work though not all of it The listing is alphabetical by artist and the index by author The works cited include analytical and critical biographical and enumerative their formats range from books and catalogues raisonnées to exhibition and auction sale catalogues A selection of biographical dictionaries containing information on artists is arranged by country Annotation copyrighted by Book News Inc Portland OR

Caring for the Socially Marginalised in Interwar Europe, 1919-1939 Michele Mioni,Stefano Petrungraro,2024-11-07 This book investigates the mixed economy of welfare that assisted socially marginalised people in interwar Europe namely the state local authorities and a combination of voluntary and informal actors While literature has traditionally emphasised the

key role of the state the cooperation between public authorities and private actors has always been a staple of social policy in Europe throughout history The interwar years prominently featured these entanglements between the increased public sphere of action and the voluntary sector Focusing on three thematic areas warfare and its effects boundaries of aid and institutional segregation and gender and religion the authors present case studies from various European countries between 1919 and 1939 All contributions explore the variegated world that composed the so called mixed economy of welfare By shifting the emphasis to the collaborations and frictions between social marginals non state actors and public authorities on a local national and transnational level the book challenges too simplistic distinctions between public and private initiatives and reveals the cultural political and practical common traits that featured in European care for marginals across a variety of geographical variations and socio political contexts *Oeuvres Complètes de J. de Maistre* Joseph Marie comte de

Maistre,1924 **The Problem of Democracy in Postwar Europe** Pepijn Corduwener,2016-08-25 The current perception of democratic crisis in Western Europe gives a renewed urgency to a new perspective on the way democracy was reconstructed after World War II and the principles that underpinned its postwar transformation This study accounts for the formation of the postwar democratic order in Western Europe by studying how the main political actors in France West Germany and Italy conceptualized democracy and strove over its meaning Based upon a wide range of librarian and archival sources from these countries it tracks changing conceptions of democracy among leading politicians political parties and leaders of social movements and unveils how they were deeply divided over key principles of postwar democracy such as the political party the free market economy representation and civic participation By comparing three national debates on the question what democracy meant and how it should be institutionalized and practiced this study argues that only in the 1970s conceptions of democracy converged and key political actors accepted each other as democrats with similar conceptions of democracy This study thereby deconstructs the myth of the quick emergence of one consensual Western European model of democracy after 1945 demonstrates that its formation was a long and contentious process in which national differences were often of crucial importance and contributes to an enhanced understanding of the historical roots of the current sentiment of democratic crisis **Law, Norms and Freedoms in Cyberspace / Droit, normes et libertés dans le cybermonde** Cécile de Terwangne,Elise Degrave,Séverine Dusollier,Robert Queck,2018-05-29 Professeur chercheur directeur de centre doyen et

Intellectual Property, Competition & New Technologies Alexandre Dias Pereira, This book brings together a series of legal studies on intellectual property competition and new technologies published in international journals and other publications mainly in English The book is aimed at students of intellectual property competition and digital law but it can also be useful to those interested in teaching and research as well as in forensic practice and management of these rights Intellectual property has developed to a large extent in line with the challenges of new technologies especially in the digital age New technologies are challenging other areas of law from contracts to the protection of personal data cybersecurity and cybercrime as well as regulation and competition in the digital market This work also includes some studies on the legal issues of the new economy providing an opportunity to study the broader context of the information society and the digital economy

Courtly Literature International Courtly Literature Society. Congress, 1990-01-01 The International Courtly Literature Society aims to promote the study of courtly literature primarily but not exclusively of medieval Europe The 45 articles selected here from the papers presented at the 5th Congress center around three themes rhetoric and courtly literature the audience of courtly literature and courtly literature in a comparative perspective There are contributions by specialists in Old French Literature on such diverse topics as Adenet le Roi René d'Anjou Le Bel Inconnu and 15th century prose chronicles by Provençalists on the eternal topic of courtly love by Anglicists on Chaucer Henryson Malory and others by Germanists on Heinrich von Morungen der Schwanritter and Walther von der Vogelweide by Hispanists on La Celestina

and the *Historia Troiana* there are also articles on Italian Dutch and Scandinavian literature and two relating to Persian and Arabic courtly texts Cultural Hermeneutics of Modern Art Eldert Willems, Hubert Dethier, 2023-07-24 Ibsen at the Theatrical Crossroads of Europe Gianina Druta, 2024-02-05 While Ibsen's plays were seldom performed in Romania in the first half of the 20th century historical sources highlight his strong impact on the national theatre practice To address this contradiction Gianina Druta approaches the reception of Ibsen in the Romanian theatre in the period 1894-1947 combining Digital Humanities and theatre historiography This investigation of the European theatre culture and the way in which the foreign acting and staging traditions influenced the Romanian Ibsenites provides new insights into mechanisms of aesthetic transmission Thus this study presents a European theatre landscape whose unpredictability and uniqueness cannot be confined to essentialist interpretations Neither Right Nor Left Zeev Sternhell, 1996 Few books on European history in recent memory have caused such controversy and commotion wrote Robert Wohl in 1991 in a major review of *Neither Right nor Left* Listed by *Le Monde* as one of the forty most important books published in France during the 1980s this explosive work asserts that fascism was an important part of the mainstream of European history not just a temporary development in Germany and Italy but a significant aspect of French culture as well Neither right nor left fascism united antibourgeois antiliberal nationalism and revolutionary syndicalist thought each of which joined in reflecting the political culture inherited from eighteenth century France From the first Sternhell's argument generated strong feelings among people who wished to forget the Vichy years and his themes drew enormous public attention in 1994 as Paul Touvier was condemned for crimes against humanity and a new biography probed President Mitterand's Vichy connections The author's new preface speaks to the debates of 1994 and reinforces the necessity of acknowledging the past as President Chirac has recently done on France's behalf
