L.A. Freeway, an Appreciative Essay David Brodsly, 1981-01-01 Traces the history of the Los Angeles Freeway looks at the effect it has had on the community and considers the modern parkway as a unique environment Heidegger, Art, and Postmodernity Iain D. Thomson, 2011-04-29 Heidegger Art and Postmodernity offers a radical new interpretation of Heidegger's later philosophy developing his argument that art can help lead humanity beyond the nihilistic ontotheology of the modern age Providing pathbreaking readings of Heidegger's *The Origin of the Work of Art* and his notoriously difficult *Contributions to Philosophy From Enowning* this book explains precisely what postmodernity meant for Heidegger the greatest philosophical critic of modernity and what it could still mean for us today Exploring these issues Iain D Thomson examines several postmodern works of art including music literature painting and even comic books from a post Heideggerian perspective Clearly written and accessible this book will help readers gain a deeper understanding of Heidegger and his relation to postmodern theory popular culture and art *Black Arts West* Daniel Widener, 2010-03-08 A social and cultural history of African American arts activity in Los Angeles between the Second World War and the 1992 riots

*Rebozos de Palabras* Gabriella Gutiérrez y Muhs, 2013-03-14 Helena Mar a Viramontes is a professor scholar activist and renowned author of works of fiction and nonfiction Her work has been anthologized and is read widely in the United States and abroad For many of her readings and speaking engagements she arrives wearing a rebozo a shawl worn by Mexican and Chicana women living on both sides of the US Mexico border Once when asked about her rebozo Viramontes explained that the pre Columbian icon is her security blanket which she embraces in order to find comfort For her readers her writing functions like a rebozo de palabras a shawl woven with words that nurture As Gabriella Gutiérrez y Muhs points out in her insightful introduction not only has Viramontes's work not yet received the broad critical engagement it richly deserves but there remains a monumental gap in the interpretations of Chicana literature that reach mainstream audiences *Rebozos de Palabras* addresses this void by focusing on how the Chicana image has evolved through Viramontes's body of work With a foreword by Sonia Saldívar Hull this collection addresses Viramontes's entire oeuvre through newly produced articles by major literary critics and emerging scholars who engage Viramontes's writing from multiple perspectives *ReFocus: The Films of Paul Schrader* Michelle E. Moore, 2020-05-28 Offers the first comprehensive academic text to explore Paul Schrader's film career through analysis of his directing screenwriting and film criticism Contains a chapter length interview in which Schrader examines the arc of his career for the first time and revises previous statements about filmmaking and film criticism Provides a valuable update to previous texts on Schrader Considers Schrader's overlooked films and provides new insight into their connections with Schrader's better known films Contains chapters on Schrader's work since 2008 the publication date of the last book on his filmmaking Paul Schrader's unique relationship to the role of the author as screenwriter director and critic has long informed his cinema and raises complicated questions about the definition of the

auteur This volume of essays one of the first collections to assess Schrader s contributions to directing screenwriting and criticism includes the first original appraisals of his much lauded masterpiece *First Reformed* 2017 as well as a chapter length interview with Schrader himself conducted by the editors Providing a comprehensive exploration of his groundbreaking achievements in cinema the book considers Schrader s more overlooked films and provides new insights to their connection with his celebrated work in direction and screenwriting such as *Taxi Driver* 1976 *Cat People* 1982 and *The Comfort of Strangers* 1990

*Divided Highways* Tom Lewis, 2013-04-19 In *Divided Highways* Tom Lewis offers an encompassing account of highway development in the United States In the early twentieth century Congress created the Bureau of Public Roads to improve roads and the lives of rural Americans The Bureau was the forerunner of the Interstate Highway System of 1956 which promoted a technocratic approach to modern road building sometimes at the expense of individual lives regional characteristics and the landscape With thoughtful analysis and engaging prose Lewis charts the development of the Interstate system including the demographic and economic pressures that influenced its planning and construction and the disputes that pitted individuals and local communities against engineers and federal administrators This is a story of America s hopes for its future life and the realities of its present condition It is an engaging history of the people and policies that profoundly transformed the American landscape and the daily lives of Americans In this updated edition of *Divided Highways* Lewis brings his story of the Interstate system up to date concluding with Boston s troubled and yet triumphant Big Dig project the growing antipathy for big federal infrastructure projects and the uncertain economics of highway projects both present and future

*Autopia* Peter Wollen, Joe Kerr, 2002 The reach of the car today is almost universal and its effect on landscapes cityscapes cultures indeed on the very fabric of the modern world is profound Cars have brought benefits to individuals in terms of mobility and expanded horizons but the cost has been very high in terms of damage to the environment and the consumption of precious resources Despite the growing belief that a Faustian price is now being paid for the freedom cars have bestowed on us we are none the less manufacturing them in ever greater numbers *Autopia* is the first book to explore the culture of the motor car in the widest possible sense Featuring newly commissioned essays by writers critics historians artists and film makers as well as reprinting key texts it examines the effect of the car throughout the world including the USA Western and Eastern Europe Japan China Cuba India and South Africa In this book the car is treated neither as a technological fetish object nor as an instrument of danger Instead it is examined as a hugely important determinant of 20th century culture neither wholly good nor an unmitigated disaster and certainly endlessly fascinating Contributors include Michael Bracewell Ziauddin Sardar Al Rees Martin Pawley Donald Richie and Peter Hamilton Key texts by Marshall Berman Jane Jacobs Roland Barthes Marc Auge and others

*The Political Economy of Smog in Southern California* Jeffry Fawcett, 2017-10-19 This study first published in 1990 explores the ways in which institutions can succeed or fail at environmental improvement The author first takes a look at the nature of environmental

politics and the history of air pollution control in Southern California He then develops a political economic model that asks the question what effect have the dramatic changes that have occurred throughout the history of air pollution control in Southern California had on air quality Jeffry Fawcett uses the information gathered to both evaluate the relationship between air quality and institutional change and to evaluate how political economists explain how state environmental institutions work This title will be of interest to students of environmental economics and policy      *Set the Night on Fire* Mike Davis, Jon Wiener, 2021-04-13 Los Angeles Times Bestseller This riveting tour through 1960s Los Angeles is a history from below in the very best sense as it celebrates the grassroots heroes and struggles of the social movements of the era Barbara Ehrenreich author of *Natural Causes* Authoritative and impressive Los Angeles Times Monumental Guardian Los Angeles in the sixties was a hotbed of political and social upheaval The city was a launchpad for Black Power where Malcolm X and Angela Davis first came to prominence and the Watts uprising shook the nation The city was home to the Chicano Blowouts and Chicano Moratorium as well as being the birthplace of Asian American as a political identity It was a locus of the antiwar movement gay liberation movement and women s movement and of course the capital of California counterculture Mike Davis and Jon Wiener provide the first comprehensive movement history of L A in the sixties drawing on extensive archival research and dozens of interviews with principal figures as well as the authors storied personal histories as activists Following on from Davis s award winning L A history *City of Quartz* *Set the Night on Fire* is a historical tour de force delivered in scintillating and fiercely beautiful prose      **Global Cities** Robert Gottlieb, Simon Ng, 2017-05-19 How Los Angeles Hong Kong and China deal with such urban environmental issues as ports goods movement air pollution water quality transportation and public space Over the past four decades Los Angeles Hong Kong and key urban regions of China have emerged as global cities in financial political cultural environmental and demographic terms In this book Robert Gottlieb and Simon Ng trace the global emergence of these urban areas and compare their responses to a set of six urban environmental issues These cities have different patterns of development Los Angeles has been the quintessential horizontal city the capital of sprawl Hong Kong is dense and vertical China s new megacities in the Pearl River Delta created by an explosion in industrial development and a vast migration from rural to urban areas combine the vertical and the horizontal All three have experienced major environmental changes in a relatively short period of time Gottlieb and Ng document how each has dealt with challenges posed by ports and the movement of goods air pollution Los Angeles Hong Kong and urban China are all notorious for their hazardous air quality water supply all three places are dependent on massive transfers of water and water quality the food system from seed to table transportation and public and private space Finally they discuss the possibility of change brought about by policy initiatives and social movements      *The Elusive Eden* Richard B. Rice, William A. Bullough, Richard J. Orsi, Mary Ann Irwin, Michael F. Magliari, Cecilia M. Tsu, 2019-09-13 California is a region of rich geographic and human diversity *The Elusive Eden* charts the historical development of California beginning with landscape and climate and the

development of Native cultures and continues through the election of Governor Gavin Newsom. It portrays a land of remarkable richness and complexity settled by waves of people with diverse cultures from around the world. Now in its fifth edition, this up-to-date text provides an authoritative, original, and balanced survey of California history, incorporating the latest scholarship. Coverage includes new material on political upheavals, the global banking crisis, changes in education and the economy, and California's shifting demographic profile. This edition of *The Elusive Eden* features expanded coverage of gender, class, race, and ethnicity, giving voice to the diverse individuals and groups who have shaped California. With its continued emphasis on geography and environment, the text also gives attention to regional issues, moving from the metropolitan areas to the state's rural and desert areas. Lively and readable, *The Elusive Eden* is organized in ten parts. Each chronological section begins with an in-depth narrative chapter that spotlights an individual or group at a critical moment of historical change, bringing California history to life.

**Golden Dreams** Kevin Starr, 2011-09-09. A narrative tour de force that combines wide-ranging scholarship with captivating prose, Kevin Starr's acclaimed multi-volume *Americans and the California Dream* is an unparalleled work of cultural history. In this volume, Starr covers the crucial postwar period, 1950 to 1963, when the California we know today first burst into prominence. Starr brilliantly illuminates the dominant economic, social, and cultural forces in California in these pivotal years. In a powerful blend of telling events, colorful personalities, and insightful analyses, Starr examines such issues as the overnight creation of the postwar California suburb, the rise of Los Angeles as Super City, the reluctant emergence of San Diego as one of the largest cities in the nation, and the decline of political centrism. He explores the Silent Generation and the emergent Boomer youth cult, the Beats, and the Hollywood Rat Pack; the pervasive influence of Zen Buddhism and other Asian traditions in art and design; the rise of the University of California and the emergence of California itself as a utopia of higher education; the cooling of West Coast jazz; freeway and water projects of heroic magnitude; outdoor life and the beginnings of the environmental movement. More broadly, he shows how California not only became the most populous state in the Union but in fact evolved into a mega-state en route to becoming the global commonwealth it is today. *Golden Dreams* continues an epic series that has been widely recognized for its signal contribution to the history of American culture in California. It is a book that transcends its stated subject to offer a wealth of insight into the growth of the Sun Belt and the West and indeed the dramatic transformation of America itself in these pivotal years following the Second World War.

**Los Angeles and the Automobile** Scott L. Bottles, 1987-08-11. More comprehensive than any other book on this topic, *Los Angeles and the Automobile* places the evolution of Los Angeles within the context of American political and urban history.
