Ironside, 2014-04-02 It will be observed that my object has been not merely to give a chronological outline of events or a series of biographical sketches but to trace throughout lessons and warnings for any who today as those in the days of Nehemiah have sought to return to and obey the word of God in separation from the infidelity and apostasy of the times Such are exposed to similar dangers though of a spiritual character as those which confronted the Jews From their history we may therefore obtain valuable suggestions and by carefully considering the causes of their failures be preserved from falling into the same snares      [The Four Hundred Silent Years \(from Malachi to Matthew\)](#) H. *The Four Hundred Years* Harry A. Ironside,2018-12-01 With the publication of *The Four Hundred Years Silent Years* in 1914 author Henry A Ironside himself stated that he sought to trace the history to the same people through the years of waiting that elapsed from the time when the voice of inspiration ceased until the heavens resounded with the glad announcement of Glory to God in the highest and on earth peace goodwill toward men thus heralding Messiah s long promised advent It will be observed that my object has been not merely to give a chronological outline of events or a series of biographical sketches but to trace throughout lessons and warnings for any who today as those in the days of Nehemiah have sought to return to and obey the word of God in separation from the infidelity and apostasy of the times Such are exposed to similar dangers though of a spiritual character as those which confronted the Jews From their history we may therefore obtain valuable suggestions and by carefully considering the causes of their failures be preserved from falling into the same snares History repeats itself in manifold ways and he who is wise will not

**Who Is “the God of This Age”?** Ivor Poobalan,2024-06-14 How we interpret the god of this age in 2 Corinthians 4 4 has significant implications for Bible translations our doctrines of God and Satan and missiology Is this about God or Satan Dr Ivor Poobalan illuminates this unique Pauline phrase through his comprehensive examination of the history of interpretation and careful exegesis rooted in the historical and literary contexts Entering into centuries of debate this work challenges the two major pillars for the Satan argument Apocalypticism and ancient Jewish views of Satan to highlight the inconsistencies that make these foundations untenable This insightful work brings a fresh voice that returns readers to an interpretation that the god of this age is the sovereign God responding to Jewish unbelief For biblical scholars translators theologians and pastors *Who Is the God of This Age* makes accessible previously difficult sources and opens up the implications of this

interpretation      **New Testament Survey** Robert G. Gromacki, 2008-08-01 Before coming to grips with an individual verse or passage in the New Testament Bible students and expositors must understand how it relates to the theme of the book This nontechnical survey offers readers a working understanding of the New Testament by providing the theological tools necessary to synthesize biblical passages into themes It incorporates historical and cultural backgrounds without becoming a book on manners and customs and deals with the actual text of Scripture without becoming a verse by verse commentary Pictures charts and outlines aid comprehension This classic text which has served students well for many years is now available in paperback      **Here Come The Romans** John Powell, 2019-08-23 Here Come the Romans is a progressive survey on the historical influence of Rome and how it influenced the times events customs religious institutions and specifically the life of Jesus the Jewish people and the New Testament Its progressive style guides the reader through a six hundred and seventy five year period of selected history to educate how Rome fitted the biblical narrative and story The Bible ascribes divine inspiration to the Scriptures but we often forget the human side The birth of prophecy or all Scriptures originated out of human struggles circumstances and situations This book will teach and inform Bible readers on the origins of parties sects authorities and the backgrounds of the times that influenced the writers as they wrote the New Testament books Rome had its starting point before 605 BC viz 753 BC but its presence in the land of Judea and Jerusalem was not solidified until a little more than a half century before the birth of Christ It emerged from a simple monarchy to a senate ruled republic into the world's first major superpower ruled by Caesars and Procurators The presence of Rome with Jews and Christians vastly affected the writings of all twenty seven books of the New Testament as we have them today      *Holman Old Testament Commentary - Daniel* Kenneth Gangel, 2002-01-02 One in a series of twenty Old Testament verse by verse commentary books edited by Max Anders Includes discussion starters teaching plan and more Great for lay teachers and pastors alike      **Speak to My Heart, God** Kay Arthur, 2002-05-01 In Speak to My Heart God bestselling author Kay Arthur looks with warm honesty at the trials we face and the unconditional love of God that sustains us More than a devotional this book offers compassionate advice and biblical direction for believers troubles and longings They will find solace in times when they wonder if life has any purpose when they're tempted not to share the gospel when their heart aches when they must forgive when the future is uncertain With very personal examples from her own life Kay speaks directly to the broken wounded and hurting Through times of disappointment as well as times of renewal and rejoicing she shows readers how to let the pressures of life press them into the likeness of Christ      *Countdown to Christmas* Ryan and Adrienne Nuñez, 2024-11-10 For centuries Christians have celebrated the weeks leading up to Christmas as a time of expectation and waiting Advent simply means arrival It is a season of expectation for the arrival of the birth of Christ a countdown to Christmas that focuses on Jesus So we started a new tradition Each day leading up to Christmas our family sits down and reads a small devotional that tells the story of the coming birth of Jesus The Countdown to Christmas book contains the readings we developed as we put this new tradition into

practice We invite you to take the journey with us this Christmas whether you are taking it alone with your family or with some friends We pray that this Christmas season is more Jesus focused than the last
