Four Views On Hell:

Four Views on Hell John F. Walvoord, Zachary J. Hayes, Clark H. Disturbing Divine Behavior Eric A. Seibert, How should we understand biblical texts where God is depicted as acting irrationally violently or destructively If we distance ourselves from disturbing portrayals of God how should we understand the authority of Scripture How does the often wrathful God portrayed in the Old Testament relate to the God of love proclaimed in the New Testament Is that contrast even accurate Disturbing Divine Behavior addresses these perennially vexing questions for the student of the Bible Eric A Seibert calls for an engaged and discerning reading of the Old Testament that distinguishes the particular literary and theological goals achieved through narrative characterizations of God from the rich understanding of the divine to which the Old Testament as a whole points Providing illuminating reflections on theological reading as well this book will be a welcome resource for any readers who puzzle over disturbing representations of God in the Bible

A Comedian's Guide to Theology Thor Ramsey,2008-03-03 Thor Ramsey hereafter known as the Jon Stewart of the theological world defends the essentials of the Christian faith in this volume of comedy for the thinking person Armed with only a laptop and a rapier wit he defends the inspiration of the Bible all Scripture is inspired by God in other words when you tell someone off quote the Bible the doctrine of total depravity calling someone out for their sins is a tricky business especially if you don t know how to operate a bullhorn and the supremacy of Christ or why Thor s God is bigger than your god along with a host of other essential doctrines of the

Christian faith Packed with funny stories and hard hitting truths this comprehensive collection of biblical insights and personal anecdotes will surprise readers destroy their misconceptions and leave them wanting more For readers looking alternatives to the conversation of traditional faith or those who have a taste for fearless and hilarious honesty A Comedian s Guide to Theology will permanently change how we all look at Christianity or at least offer a good hearted shove out of the box or back in the box if that s where you need to be What a supreme pleasure to read a book that I find powerfully honest theologically kapow dead on and incredibly and ACTUALLY funny funny funny funny This book is so brilliantly funny and dead on that if I weren t a very mature Christian I might be jealous Eric Metaxas New York Times best selling author of Amazing Grace William Wilberforce and the Heroic Campaign to End Slavery and former editor of The Yale Record Four Views on Moving Beyond the Bible to Theology Zondervan,2009-12-01 Learn to identify evaluate and refine your approach to forming theological conclusions based on the biblical text The Bible has long served as the standard for Christian practice yet believers still disagree on how biblical passages should be interpreted and applied Only when readers fully understand the constructs that inform their process of moving from Scripture to theology and those of others can Christians fully evaluate teachings that claim to be biblical In this book part of the Counterpoints series scholars who affirm an inspired Bible relevant and authoritative for every era present models they consider most faithful to Scripture Walter C Kaiser Jr Principilizing Model Daniel M Doriani Redemptive Historical Model Kevin J Vanhoozer Drama of Redemption Model William J Webb Redemptive Movement Model Each position receives critiques from the proponents of the other views Moreover due to the far reaching implications this topic holds for biblical studies theology and church teaching this book includes three additional reflections by Christopher J H Wright Mark L Strauss and Al Wolters on the theological and practical interpretation of biblical texts The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion Consuming Glory Gannon Murphy,2006-09-22 In the late 1990s Open Theism took the theological world by storm Advocated by several prominent theologians among them Clark H Pinnock the view argues that human beings cannot have a genuine relationship with God if God possesses what classical theology has affirmed to be exhaustive foreknowledge of future events Such foreknowledge open theists claim would make human freedom and salvation itself meaningless and divine power akin to little more than meaningless cosmic puppeteering While several works have taken the important step of addressing open theisms scriptural deficiencies in its denial of Gods foreknowledge none have dealt with the vital issue of divine human relationality and how it can be understood in a classical orthodox framework that maintains such foreknowledge Consuming Glory remedies that lack by first providing a fresh critique of open theism using Clark Pinnock s version of it as representative but then offering a reconstruction of divine human relationality centered on the Biblical principle of Christus in nobis Christ in us Christus in nobis is coupled with

an outworking of meticulous divine providence that serves Gods own self glorifying orientation It reverses the relational ordering advocated in open theism by grounding human love of God theologically rather than anthropologically Love of God and divine human relationality is established precisely because it is Gods own self love that is providentially given to us and thus reciprocated as believers are brought into adoptive communion with the Triune Godhead Drawing on diverse resources throughout the corpus of historical theology Murphy concludes that divine human relationality can be summarized as God delighting in himself in us

Don't Stop Believing Michael E. Wittmer,2009-08-30 Must you believe something to be saved Does the kingdom of God include non Christians Is hell for real and forever These are big questions Hard questions Questions that divide Christians along conservative and liberal lines Conservatives love their beliefs and liberals believe in their love Each pushes the other to opposite extremes Fundamentalists imply that it doesn t matter how we live as long as we believe in Jesus while some Emergent Christians respond that it doesn t matter what we believe as long as we live like him Theologian Michael Wittmer calls both sides out of bounds and crafts a third way that retains the insights of each He examines ten key questions that confront contemporary Christians and shows why both right belief and right practice are necessary for authentic Christianity Here is an urgent reminder that best practices can only arise from true beliefs Genuine Christians never stop serving because they never stop loving and they never stop loving because they never stop believing *Faith Reads* David Rainey,2008-07-30 At last a resource for librarians who wish to build or develop their nonfiction collection and use it to better serve the needs of adult Christian readers Covering the three major branches of Christianity Roman Catholic Protestant and Orthodox the author organizes more than 600 titles into subject categories ranging from biography the arts and education to theology devotion and spiritual warfare Award winning classics are noted Introductory narrative frames the literature and helps librarians better understand Christian literature and learn how to establish selection criteria for building a Christian nonfiction collection
