Fragile Victory:

Evelyn Schlag Beverley D. Eddy, 2004 This is the first scholarly volume devoted to the works of the prolific Austrian poet and prose artist Evelyn Schlag European and American scholars provide an overview of Schlag's themes as well as detailed analyses of individual works The essayists present a variety of approaches from feminist readings to analyses of Schlag's eroticized language and poetic networking making the book a rich resource for students and scholars alike Additional resources include a new interview with Evelyn Schlag and a comprehensive bibliography

Ancient Tahitian Society Douglas L. Oliver, 2019-09-30 Tahiti is far famed yet too little known Thus wrote J M Orsmond in 1848 and the same assertion can be made in 1972 Thousands of pages had been published about Tahiti and its neighboring islands when Orsmond uttered his judgment and tens of thousands have been published since that time but a unified comprehensive and detailed description of the pre European ways of life of the inhabitants of those Islands is yet to appear in print The present work lengthy as it is makes no such claim to comprehensiveness rather it is concerned mainly with the social relations of those inhabitants and it serves up only enough about their technology their religion their aesthetic expressions and so forth to place descriptions of their social relations in context and render them more comprehensible Volumes 1 and 2 of this work are a reconstruction of the Islanders way of life as it was believed to have been just before it began to be transformed by European influence a period labeled the Late Indigenous Era Volume 3 covers events in Tahiti and Moorea from about 1767 to 1815 a period labeled the Early European Era

Stardom in Postwar France John Gaffney, Diana Holmes, 2008-02-01 The 1950s and 1960s were a key moment in the development of postwar France The period was one of rapid change derived from post World War II economic and social modernization yet many traditional characteristics were retained By analyzing the eruption of the new postwar world in the context of a France that was both modern and traditional we can see how these worlds met and interacted and how they set the scene for the turbulent 1960s and 70s The examination of the development of mass culture in post war France undertaken in this volume offers a valuable insight into the shifts that took place By exploring stardom from the domain of cinema and other fields represented here by famous figures such as Brigitte Bardot Johnny Hallyday or Jean Luc Godard and less conventionally treated areas of enquiry politics de Gaulle literary Francoise Sagan and intellectual culture Lvi Strauss the reader is provided with a broad understanding of the mechanisms of popularity and success and their cultural social and political roles The picture that emerges shows that many cultural articulations remained or became identifiably French in spite of the American mass culture origins of these social economic and cultural transformations

Devils Like Us Lincoln James, 2024-10-07 The city has a heartbeat and they just stepped into its veins It started with a hijacking When two runaway teens stole Jason Murich's car they dragged him into a high speed chase through the streets of L A But when the roads ran out the only place left to hide was underground Beneath the city lay a world of crumbling tunnels buried secrets and something far more dangerous than police sirens And as the three

descended deeper Jason began to realize they weren't just running from something they were running toward it And the further down they went the harder it became to crawl back up

Private Finance, Public Power Peter Conti-Brown, Sean H. Vanatta, 2025-06-24 How regulating the banks became a separate and strange category of government power Banks are unlike most other businesses and over centuries regulating banks has become a category of government power all its own For some the appropriate role of those supervising the banks approximates cops on the beat patrolling for crime for others they should be more like fire wardens responding to emergencies In real life they are compliance officers and auditors risk managers and crisis responders the bane of international drug cartels and the friends of bank CEOs The mandate of supervising the banks is not regulation and it is not the implementation of regulation Rather it is a fundamentally different way that the government exercises power over and sometimes with markets and society The Banker's Thumb tells the history of this unusual form of public power It argues that bank supervision is the institutionalization of discretion exercised by government actors over private banks and eventually the financial system as a whole Authors Peter Conti Brown and Sean H Vanatta show how this supervision developed in fits and starts from roots in state law to become a residual category into which Congress has tossed a hodgepodge of distinct and at times conflicting paradigms of power across a growing group of organizations engaged in interminable conflict Understanding what this system is where it came from and how political actors and financial market participants engage with it can help organize the growing field of financial regulation Conti Brown and Vanatta also show how the history of bank supervision expands and sometimes challenges prevailing historical conceptions of state power and its many twists and turns through the 19th and 20th centuries which can inform broader discussions about politics law finance and the development of state and administrative capacity in the United States

When God Says Yes Chinedu Nnadi, 2025-08-06 In the drought stricken village of Zarephath survival is a daily battle For Mara a widowed mother clinging to the last remnants of hope the future is bleak With only enough flour and oil for one final meal for herself and her young son Eli Mara prepares to face the inevitable until a weary stranger arrives at her door The stranger is Elijah a prophet with a divine message that defies all logic The jar of flour will not be used up and the jug of oil will not run dry Mara's choice seems simple but is weighted with fear can she trust the impossible With a trembling heart she says YES That single word opens the floodgates of the miraculous Provision flows where there was once lack Faith blooms in the parched soil of doubt And when tragedy strikes and her son's breath ceases a desperate cry becomes the doorway to resurrection When God Says Yes is a deeply moving retelling of one widow's encounter with faith obedience and divine intervention Inspired by the biblical story of Elijah and the widow of Zarephath Chinedu Nnadi crafts a powerful tale of trust sacrifice and the relentless mercy of God This is not just a story about provision it's about the courage to believe when everything screams otherwise It's about the YES that births miracles

[Blank Page](#) Brandon Rowell, 2025-02-20 Reality has reached its breaking point The absence of the Architects has left a void and in that void something unknowable is growing

The blank spaces are no longer empty they are consuming Devouring Writing a new world in the absence of order And Chase is the last remnant of the old script the only one who remembers a time before the chaos As they search for a way to stop the unraveling Chase must make the final choice seize control and write the last chapter of existence or let the page remain black open to whatever comes next But if they hesitate too long there may be no reality left to save The final battle is not for survival it is for authorship itself And in the end the only question that matters is who gets to write the last word *The Skilled Killer* J. R. Runnels, Alex Bryant barely twenty two but standing a towering 6 11 and weighing in at a solid 250 lbs of muscle felt the grit of the unforgiving surface grind against his skin Even the coarse fabric of his training uniform chafed a constant minor irritant adding to the overwhelming pressure On a good day this man could bench press 350 lbs a testament to the raw power coiled within his imposing frame This physical prowess however was merely the foundation upon which a far more lethal weapon was being forged The brutal initiation into the clandestine world of the CIA s black ops program was relentless He possessed a chilling almost clinical detachment during these encounters a strange perverse satisfaction in the intricate dance of death a twisted sense of accomplishment in transforming his body into a finely tuned instrument of destruction a killing machine of unparalleled effectiveness His mission The thought sent a cold shiver down his spine He had trained for this prepared for this yet the reality of it felt surreal a nightmarish distortion of the brutal training that had shaped him It was one thing to hone deadly skills in a controlled environment to practice the art of killing on inanimate targets It was another to apply those skills to a real life target a human being with a life a family a history He was hired to eliminate Sarah Stevens He was not prepared to make her daughter Amanda a orphan and she was not old enough to take care of herself Sarah Steven was supposed to be a liability that the CIA did not need to deal with The name a precise and elegant arrangement of syllables echoed in Alex Bryant s mind a stark counterpoint to the brutal faceless anonymity he had cultivated for so long The agency had honed him into a weapon a ghost in the machine trained to eliminate targets with clinical precision leaving no trace but the faintest whisper of absence Sarah was a brilliant pharmaceutical executive a woman of unwavering conviction a devoted mother She lived in a comfortable home in a quiet suburban neighborhood the life he had once dreamt of She could unravel intricate webs of data identify hidden patterns and predict outcomes with an accuracy that was both terrifying and exhilarating She d faced down skepticism ridicule and even outright sabotage her resolve unyielding Her courageous refusal to continue her research on The Devil s Breath the drug she herself had accidentally created a hallucinogenic compound of such terrifying potency that its mere existence sent shivers down the spines of even the most hardened government officials had branded her a traitor an enemy of the state The repercussions of her decision were far reaching and the shadows that now pursued her were far more dangerous than any she had encountered in her academic career Alex had a difficult decision ahead of him The choice clawed at him a visceral rip in his gut Follow orders and eliminate the target a cold calculated equation etched into his very being by years of brutal Agency training Or defy them

protect the innocent Sarah her laugh a ghost in his memory her eyes the color of a storm wracked sea Amanda her smile a fragile bloom against the encroaching darkness His training screamed one course of action a chilling precise symphony of violence But his conscience a treacherous traitor howled a counterpoint a discordant wail of empathy and moral outrage He saw their lives unfurl in his mind s eye with agonizing clarity He decided to fight the sytem and save Sarah and her daughter no matter the cost The would fight not only the CIA but other organization that wish to silence her forever They traveled the world to find the truth the path to the truth would be deemed a long road They would suffer and their journey filled with perils but they would uncover the truth and they would find justice Italian Fascism Alexander J. De Grand,2000-01-01 For the third edition De Grand has substantially revised the discussion of culture and ideology the conclusion and the bibliography BOOK JACKET *Translations of Political and Sociological Information on North Vietnam* ,1966 **Terror in Chechnya** Emma Gilligan,2013-12-01 A riveting history of Russia s crimes in Chechnya Terror in Chechnya is the definitive account of Russian war crimes in Chechnya Emma Gilligan provides a comprehensive history of the second Chechen conflict of 1999 to 2005 revealing one of the most appalling human rights catastrophes of the modern era one that has yet to be fully acknowledged by the international community Drawing upon eyewitness testimony and interviews with refugees and key political and humanitarian figures Gilligan tells for the first time the full story of the Russian military s systematic use of torture disappearances executions and other punitive tactics against the Chechen population In Terror in Chechnya Gilligan challenges Russian claims that civilian casualties in Chechnya were an unavoidable consequence of civil war She argues that racism and nationalism were substantial factors in Russia s second war against the Chechens and the resulting refugee crisis She does not ignore the war crimes committed by Chechen separatists and pro Moscow forces Gilligan traces the radicalization of Chechen fighters and sheds light on the Dubrovka and Beslan hostage crises demonstrating how they undermined the separatist movement and in turn contributed to racial hatred against Chechens in Moscow A haunting testament of modern day crimes against humanity Terror in Chechnya also looks at the international response to the conflict focusing on Europe s humanitarian and human rights efforts inside Chechnya **The Hollowing - Blood and Ashes** Grayson Storm,2025-02-12 They thought they buried their past It came back hunting In the ruins of Project Chimera a government lab that turned orphans into living weapons six mutants reunite to destroy the records of their tortured childhoods But the facility isn t abandoned A hulking gas masked killer called The Hollow stalks its halls a monstrous experiment they left to die years ago Now armed with powers stolen from their fallen friends and a hunger for vengeance he s picking them off one by one Axiom their telepathic leader can predict every move his enemies make except The Hollow s Vesper a shadow wielding rogue fights her terror of confinement to buy the team time Ember haunted by the fire that killed her family races to reignite her fading power before dehydration claims her But as bodies pile up and secrets unravel they realize their greatest enemy is the truth they created The Hollow Trapped in the claustrophobic labyrinth of their childhood

prison the survivors face a brutal choice sacrifice themselves to stop the unkillable monster they unleashed or let his wrath spill into the world But even victory comes at a cost When dawn breaks one hero s dark transformation begins and The Hollow s charred corpse rises again Perfect for fans of The Boys and A Quiet Place this relentless blend of superhero action and body horror suspense pits flawed desperate heroes against a villain who can t be outrun outsmarted or killed The facility s walls hold more than secrets and not everyone will escape alive Praise for The Hollowing Blood and Ashes A claustrophobic nightmare where every power has a price and survival feels as horrifying as death The Hollow is Jason Voorhees meets the Xenomorph terrifying iconic and utterly unstoppable Gory twisty and emotionally brutal You ll root for these mutants even as you dread their next move Content warnings Graphic violence body horror themes of trauma and guilt [Wellington Koo](#)

Jonathan Clements,2008-10-01 Gu Weijun a k a Wellington Koo 1887 1985 Born in Shanghai and raised in the city s International Settlement Koo became fluent in English during his postgraduate studies abroad he got a PhD in Law from Columbia in 1912 He was recalled soon afterwards to become the English Secretary to the newly formed Republic of China and became ambassador to the United States in 1915 He achieved notoriety at the Paris Peace Conference where he sternly resisted Japanese attempts to hold onto seized German colonial territory in mainland China In protest at their treatment the Chinese were the only delegates not to sign the subsequent Treaty of Versailles Koo was China s first representative to the League of Nations and ended up as acting president of Republican China during the unrest of the period 1926 7 He subsequently served briefly as a Foreign Minister during the peak of the Warlord Era before returning to Europe first as a delegate at the League of Nations and then as China s ambassador to France With the Nazi occupation Koo fled to Britain where he became the Chinese ambassador to the UK until 1946 A founder member of the United Nations Koo was instrumental in maintaining the position of Republican China on the Security Council by this time Republican China was limited solely to the island of Taiwan while the Communists proclaimed themselves to be the new rulers of China itself Retiring from the diplomatic service in 1956 the venerable Koo went on to become a judge at the International Court of Justice at the Hague rising to vice president before his retirement aged 80 in 1967 He settled in New York where his final years were tormented by Republican China s loss of its seat on the United Nations Security Council to the Communists following Nixon s famous visit to China

Dirty Books Chinedu Nnadi,2025-08-06 Lucas Mercer thought he was just balancing books Until the books started bleeding A quiet numbers driven accountant buried under student debt and corporate monotony Lucas never imagined his big break would come in the form of a mysterious stranger in a bar Rafael charming dangerous and dressed like trouble offers him the kind of deal most men only fantasize about triple the salary zero bureaucracy and access to a world of untold wealth The catch He ll be laundering millions for the Mendoza Cartel At first it s just numbers shell companies offshore accounts and financial sleight of hand But soon Lucas finds himself deeper than he ever intended The money flows like water and so does the blood As he rises through the cartel s ranks his life transforms into

one of luxury privilege and paranoia When the cartel asks for more than numbers Lucas hesitates They don't want just a money man anymore they want a fixer A cleaner A killer Caught between a ruthless kingpin a relentless DEA agent and his own unraveling conscience Lucas makes one fatal mistake he tries to disappear But the cartel doesn't let its accountants go From the shimmering skylines of Miami to the humid shadows of Central America Dirty Books is a taut unflinching thriller about greed loyalty and how far a man will fall when the numbers stop adding up In the end everyone's accountable Some debts just can't be erased **Economic Growth, the Environment and International Relations** Stephen J.

Purdey,2010-01-04 This book critically examines the deep origins and rise to prominence of the idea of economic growth and uses a neo Gramscian approach to explore the environmental consequences of this paradigm **Making Political Choices**

Harold D. Clarke,Allan Kornberg,Thomas J. Scotto,2009-01-01 A timely and important contribution to voting literature Both Canadians and Americans will develop a better understanding of their neighbours elections but will also gain many new insights into the politics of their own country Larry LeDuc University of Toronto *VIRUS Containment on Rails* Adrian

Ferruelo,2025-06-05 When a deadly virus breaks out on a high speed train Dr Laura Bennett and Conductor Michael Harris must work together to contain the outbreak and keep the passengers alive As governments along the route refuse to allow the train to stop fear and panic spread faster than the virus itself Trapped onboard with dwindling resources the passengers must confront their deepest fears and make impossible choices Set against the backdrop of a claustrophobic and high stakes environment this is a story of survival humanity and the lengths we go to protect those we love *To See Ourselves as*

Others See Us Ole R. Holsti,2008-06-30 Drawing on public opinion surveys conducted in 30 nations this book documents an anti American sentiment It suggests that the war in Iraq human rights violations and unpopular international policies are largely responsible Presidential Greatness Marc Landy,Sidney M. Milkis,2000-03-01 When a new president is elected in

November someone will be called to greatness But it remains to be seen whether that call will be answered In the wake of the Clinton scandal the upcoming election presents an opportunity for candidates and citizens alike to reaffirm their belief that the office of the president demands greatness But Marc Landy and Sidney Milkis suspect that the public will be disappointed once again because the demand for greatness far exceeds the supply In fact they claim that we have had no great presidents in the last half of this century In this provocative new book they explain why Landy and Milkis look to the past to show how five presidents Washington Jefferson Jackson Lincoln and Franklin Roosevelt set the standards for presidential leadership and achievement These were men who left genuine legacies whose vision expanded the office of the presidency as they inaugurated momentous and far reaching change They were leaders who knew how to reconcile innovation with constitutional tradition and were able to both educate the people about their agendas and win their allegiance They were also great builders and leaders of their parties amid times of political realignment Searching for common threads in these five presidencies Landy and Milkis enable us to better understand both the possibilities and the

limitations of the office They show how presidents after FDR have never risen to true greatness not even Lyndon Johnson an overreacher whose Great Society was a failed revolution or Ronald Reagan an underachiever whose conservative revolution never fully got under way Our greatest presidents they argue sought to profoundly change the nature of the regimes they inherited and had the luck to assume office under conditions that allowed such renovation today's leaders have lacked either the ambition the opportunity or both Perhaps the authors observe the older our country gets the harder greatness is to come by Our next great president might be sworn in next year but he or she will face a daunting task in matching the stature of past leaders Landy and Milkis's book is an evenhanded assessment of our national icons that reestablishes our understanding of presidential greatness and demonstrates the importance and reality of inspired democratic leadership *The Public Insult Playbook* Ruth Colker, 2021-10-26 When they go low we learn an examination of mudslinging in contemporary American politics and how the left can find its footing to achieve structural reform in this mess The rules of the public discourse game have changed and *The Public Insult Playbook* argues that the political left needs to account for the power of vitriol in crafting their theories for social and political change With this book noted constitutional law expert and disability rights advocate Ruth Colker offers insights into how public insults have come to infect contemporary public discourse a technique not invented by but certainly refined by Donald Trump and importantly highlights lessons learned and tools for fighting back Public insults act as a headwind and dead weight to structural reform By showcasing the power of insults across a number of civil rights battlegrounds *The Public Insult Playbook* uncovers the structural nature of personal attacks and offers a blueprint for a legal and political strategy that anticipates the profound but poorly understood damage they can inflict to whole movements Illustrating how completely the tactic has been adopted and embraced by the American right wing the book catalogues how public insults have been used against people with disabilities immigrants people seeking abortions individuals who are sexually harassed members of the LGBTQ community and of course Black Americans These examples demonstrate both the pervasiveness of the deployment of insults by the political right and the ways in which the left has been caught flat footed by this tactic She then uses the Black Lives Matter movement as a case study to consider how to effectively counter these insults and maintain an emphasis on structural reform

The Top Books of the Year Fragile Victory The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. Fragile Victory : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Fragile Victory : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
