In fact you probably don't know much about Islamic history period. That's how famous and revered Ibn Da'iq was and still is. On the day of his funeral in the fourteenth century the city of Cairo came to a halt and the Egyptian army stood in honor. That's because the world didn't just lose a scholar but lost the scholar of scholars and literally the judge of judges. In his lifetime Ibn Da'iq wrote many books but this has become his most popular. In it he comments on the forty hadiths compiled by Yahya Al Nawawi and known as the Nawawi Forty Hadiths. His commentary has become so popular that it is virtually impossible for any scholar to write a serious book about the forty hadiths without quoting Ibn Da'iq. This is the only book that combines the sagacity of Ibn Da'iq and the vast knowledge of Al Nawawi. The book was written centuries ago but its benefits are everlasting. The book is indispensable to anyone who wants to study Islam thoroughly and laconically from the masters themselves. We translated from Arabic Ibn Da'iq's commentary in its entirety. We listed the text of each hadith in Arabic first and followed it by the English translation of the hadith and commentary. We added a detailed table of contents, explanatory notes, and a thorough index. A short introduction to the science of hadith by the translators is also included. To show you the importance of the hadiths in this book we need to go no further than to state Imam Al Nawawi's own words. It is incumbent on anyone who looks forward to the hereafter to know these hadiths due to the important information that they contain and the attention that they bring to all the pious deeds. [Al-Nawawi Forty Hadiths and Commentary](#) Yahya Al-Nawawi,2010-11-15 Our objective has always been to produce an English language comprehensive but yet compact book of hadith that is easy to read and understand by Muslims and non Muslims alike. Simply put there is no one book of hadith that meets that criterion better than the book written by Imam Al Nawawi in the thirteenth century and known as Al Nawawi Forty Hadiths and Commentary. The book covers all aspects of Islam from the very basic abstract definitions to the most practical daily chores. It contains all the major sharia laws. The book is a horse's mouth for hadith commentary and is the cream of the crop of all hadith books. We translated from Arabic Imam Al Nawawi's book in its entirety including the lines of poetry. We listed the text of each hadith first and followed it by the commentary. If you want to study Islam thoroughly and don't have time to go through endless volumes of esoteric literature this is the book to read. It's a compact standard book that is taught to all Muslim students around the world. It is a reference book that can be kept for many years to come. This English translation by the Arabic Virtual Translation Center is complete, accurate, unfiltered, and unbiased. **The 40 Hadith of Imam Al-Nawawi (HB)** IMAM. AL-NAWAWI,2025-04-11 Known in Arabic simply as the Arba in The Forty this is without question the most widely known and widely read small compilation of Prophetic hadith. Across the world from the east to the west Imam al Nawawi's collection is often the first and sometimes the only Hadith text many Muslims study in their lives. Each hadith in this collection and serves as a foundational proof text in at least one area of

the Islamic sciences Being of such importance these Hadith are also incredibly dense in meaning one of Allah s gifts to His Prophet was the ability to convey volumes in only a few words and the Hadith of the Arba in are among the best examples of this IGI s edition of al Nawawi s Arba in includes New translation of each Hadith Succinct gems to ponder the significance and major themes of each Hadith Short biography of Imam al Nawawi This is a beautiful edition that is easy and pleasurable to read that you will return to again and again and that we hope will live on your shelf for many years to come Foreword by Shaykh Abdullah Anik Misra Translator Talut Dawood Language English and Arabic Publisher Imam Ghazali Publishing
