Soviet General Staff

Imperial Berlin:

Imperial Berlin Gerhard Masur, 1971-01-21 A reprint with a new preface of Walzer's respected treatment of the morality of war Annotation copyrighted by Book News Inc Portland OR **Berlin Metropolis** Emily D. Bilski, Jewish Museum (New York, N.Y.), 1999 Berlin Metropolis Jews and the New Culture 1890 1918 vividly documents the diverse ways that Jewish artists intellectuals and cultural impresarios participated in this burst of creativity and promoted the emergence of modernism in Berlin and on the international scene BOOK JACKET *Metropolis Berlin* Iain Boyd Whyte, David Frisby, 2012-11-27 Metropolis Berlin 1880 1940 reconstitutes the built environment of Berlin during the period of its classical modernity using over two hundred contemporary texts virtually all of which are published in English translation for the first time They are from the pens of those who created Berlin as one of the world's great cities and those who observed this process architects city planners sociologists political theorists historians cultural critics novelists essayists and journalists Divided into nineteen sections each prefaced by an introductory essay the account unfolds chronologically with the particular structural concerns of the moment addressed in sequence be they department stores in 1900 housing in the 1920s or parade grounds in 1940 Metropolis Berlin 1880 1940 not only details the construction of Berlin but explores homes and workplaces public spaces circulation commerce and leisure in the German metropolis as seen through the eyes of all social classes from the humblest inhabitants of the city slums to the great visionaries of the modern city and the demented dictator resolved to remodel Berlin as Germania *Berlin Cabaret* Peter JELAVICH, 2009-06-30 Step into Ernst Wolzogen's Motley Theater Max Reinhardt's Sound and Smoke Rudolf Nelson's Chat noir and Friedrich Hollaender's Tingel Tangel Enjoy Claire Waldoff's rendering of a lower class Berliner Kurt Tucholsky's satirical songs and Walter Mehring's Dadaist experiments as Peter Jelavich spotlights Berlin's cabarets from the day the curtain first went up in 1901 until the Nazi regime brought it down Fads and fashions sexual mores and political ideologies all were subject to satire and parody on the cabaret stage This book follows the changing treatment of these themes and the fate of cabaret itself through the most turbulent decades of modern German history the prosperous and optimistic Imperial age the unstable yet culturally inventive Weimar era and the repressive years of National Socialism By situating cabaret within Berlin's rich landscape of popular culture and distinguishing it from vaudeville and variety theaters spectacular revues prurient nude dancing and Communist agitprop Jelavich revises the prevailing image of this form of entertainment Neither highly politicized like postwar German Kabarett nor sleazy in the way that some American and European films suggest Berlin cabaret occupied a middle ground that let it cast an ironic eye on the goings on of Berliners and other Germans However it was just this satirical attitude toward serious themes such as politics and racism that blinded cabaret to the strength of the radical right wing forces that ultimately destroyed it Jelavich concludes with the Berlin cabaret artists final performances as prisoners in the concentration camps at Westerbork and Theresienstadt This book gives us a sense of what the world looked like within the cabarets of Berlin and at

the same time lets us see from a historical distance these lost performers enacting the political sexual and artistic issues that made their city one of the most dynamic in Europe

Berlin David Clay Large, 2007-10-15 In the political history of the past century no city has played a more prominent though often disastrous role than Berlin At the same time Berlin has also been a dynamic center of artistic and intellectual innovation If Paris was the Capital of the Nineteenth Century Berlin was to become the signature city for the next hundred years Once a symbol of modernity in the Thirties it became associated with injustice and the abuse of power After 1945 it became the iconic City of the Cold War Since the fall of the Wall Berlin has again come to represent humanity s aspirations for a new beginning tempered by caution deriving from the traumas of the recent past David Clay Large s definitive history of Berlin is framed by the two German unifications of 1871 and 1990 Between these two events several themes run like a thread through the city s history a persistent inferiority complex a distrust among many ordinary Germans and the national leadership of the unloved city s electric atmosphere fast tempo and tradition of unruliness its status as a magnet for immigrants artists intellectuals and the young the opening up of social economic and ethnic divisions as sharp as the one created by the Wall

Constructing Imperial Berlin Miriam Paeslack, 2019-01-15 How photography and a modernizing Berlin informed an urban image and one another in the late nineteenth and early twentieth centuries Since the fall of the Berlin Wall the city that once visually epitomized a divided Europe has thrived in the international spotlight as an image of reunified statehood and urbanity Yet research on Berlin s past has focused on the interwar years of the Weimar Republic or the Cold War era with much less attention to the crucial Imperial years between 1871 and 1918 Constructing Imperial Berlin is the first book to critically assess contextualize and frame urban and architectural photographs of that era Berlin as it was pronounced Germany s capital in 1871 was fraught with questions that had previously beset Paris and London How was urban expansion and transformation to be absorbed What was the city s understanding of its comparably short history Given this short history how did it embody the idea of a capital A key theme of this book is the close interrelation of the city s rapid physical metamorphosis with repercussions on promotional and critical narratives the emergence of groundbreaking photographic technologies and novel forms of mass distribution Providing a rare analysis of this significant formative era Miriam Paeslack shows a city far more complex than the common clich s as a historical and aspiring place suggest Imperial Berlin emerges as a modern metropolis only half heartedly inhibited by urban preservationist concerns and rather more akin to North American cities in their bold industrialization and competing urban expansions than to European counterparts

Gay Berlin Robert Beachy, 2014-11-18 An unprecedented examination of the ways in which the uninhibited urban sexuality sexual experimentation and medical advances of pre Weimar Berlin created and molded our modern understanding of sexual orientation and gay identity Known already in the 1850s for the friendly company of its warm brothers German slang for men who love other men Berlin before the turn of the twentieth century became a place where scholars activists and medical professionals could explore and begin to educate both themselves and

Europe about new and emerging sexual identities From Karl Heinrich Ulrichs a German activist described by some as the first openly gay man to the world of Berlin's vast homosexual subcultures to a major sex scandal that enraptured the daily newspapers and shook the court of Emperor William II and on through some of the very first sex reassignment surgeries Robert Beachy uncovers the long forgotten events and characters that continue to shape and influence the way we think of sexuality today Chapter by chapter Beachy's scholarship illuminates forgotten firsts including the life and work of Dr Magnus Hirschfeld first to claim in 1896 that same sex desire is an immutable biologically determined characteristic and founder of the Institute for Sexual Science Though raided and closed down by the Nazis in 1933 the institute served as among other things a veritable incubator for the science of trans sexuality scene of one of the world's first sex reassignment surgeries Fascinating surprising and informative Gay Berlin is certain to be counted as a foundational cultural examination of human sexuality

Berlin Coquette Jill Suzanne Smith, 2014-05-15 During the late nineteenth century the city of Berlin developed such a reputation for lawlessness and sexual licentiousness that it came to be known as the Whore of Babylon Out of this reputation for debauchery grew an unusually rich discourse around prostitution In Berlin Coquette Jill Suzanne Smith shows how this discourse transcended the usual clichés about prostitutes and actually explored complex visions of alternative moralities or sexual countercultures including the New Morality articulated by feminist radicals lesbian love and the New Woman Combining extensive archival research with close readings of a broad spectrum of texts and images from the late Wilhelmine and Weimar periods Smith recovers a surprising array of productive discussions about extramarital sexuality women's financial autonomy and respectability She highlights in particular the figure of the *cocotte* *Kokotte* a specific type of prostitute who capitalized on the illusion of respectable or upstanding womanhood and therefore confounded easy categorization By exploring the semantic connections between the figure of the *cocotte* and the act of flirtation of being *coquette* Smith's work presents flirtation as a type of social interaction through which both prostitutes and non prostitutes in Imperial and Weimar Berlin could express extramarital sexual desire and agency

The Berlin Operation 1945 Soviet General Staff, 2016-08-19 A study of the Red Army's penultimate offensive operation in the war in Europe The forces of three fronts Second and First Belorussian and First Ukrainian reached the Oder River and surrounded the defenders of the German capital reduced the city and drove westward to link up with the Western allies in central Germany This is another in a series of studies compiled by the Soviet Army General Staff which during the postwar years gave itself the task of gathering and generalizing the experience of the war for the purpose of training the armed forces higher staffs in the conduct of large scale offensive operations The study is divided into three parts The first contains a brief strategic overview of the situation as it existed by the spring of 1945 with special emphasis on German preparations to meet the inevitable Soviet attack This section also includes an examination of the decisions by the Stavka of the Supreme High Command on the conduct of the operation As usual materiel technical and other preparations for the offensive are covered in great detail These include plans for

artillery and engineer support as well as the work of the rear services and political organs and the strengths capabilities and tasks of the individual armies Part two deals with the Red Army s breakthrough of the Germans Oder defensive position up to the encirclement of the Berlin garrison This covers the First Belorussian Front s difficulty in overcoming the defensive along the Seelow Heights which has a direct path to Berlin as well as the First Ukrainian Front s easier passage over the Oder and its secondary attack along the Dresden axis The Second Belorussian Front s breakthrough and its sweep through the Baltic littoral is also covered Part three recounts the intense fighting to reduce the city s defenders from late April until the garrison s surrender on May 2 as well as operations in the area up to the formal German capitulation This section contains a number of detailed descriptions of urban fighting at the battalion and regimental level closing with conclusions about the role of the various combat arms in the operation *Marriage and Divorce, 1867-1906* United States. Census Office,1909

Imperial Berlin Introduction

In the digital age, access to information has become easier than ever before. The ability to download Imperial Berlin has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Imperial Berlin has opened up a world of possibilities. Downloading Imperial Berlin provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Imperial Berlin has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Imperial Berlin. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Imperial Berlin. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Imperial Berlin, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Imperial Berlin has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it

is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Imperial Berlin Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
