*International Handbook of the Religious, Moral and Spiritual Dimensions in Education* Marian de Souza, Gloria Durka, Kathleen Engebretson, Robert Jackson, Andrew McGrady, 2007-06-04 In today's pluralistic world many cultures feel a shift in the relationship of people with religious traditions. A corresponding movement is a resurgence of interest in human spirituality. This Handbook presents the views of education scholars who engage these concepts every day in a collection of essays reflecting the international state of the discipline. Out of these rises a vision for the emergence of a just and peaceful world.

[The Prayer Book Guide to Christian Education, Third Edition](#) Sharon Ely Pearson, Robyn Szoke, 2009-05-01 While this one-volume guide is especially useful for Christian educators showing them how to teach week by week according to the ethos and tradition of the Episcopal Church, it also provides a valuable and useful reference tool for all church leaders and members in connecting Christian faith to daily life. This new guide to Christian education and formation is based on the Book of Common Prayer, the cornerstone of Anglican liturgy and theology. Keyed to the Revised Common Lectionary, all activities and lessons are structured on the seasons and lessons for Years A, B, and C. The guide stresses the major themes of baptismal theology and shows how teachers, parents, and children can live the liturgical cycle in Christian formation ministries at church and at home.
