Summing Up at Age 90 Raphael Israeli, 2024-07-15 This volume looks back at my approaching 90 years of age and the beginning of my 10th and assuredly last decade on this earth I use my long and diversified scholarly life experience to leave behind a final and I hope lasting impression of an Israel where I have lived since age 14 completed my studies taught thousands of students and written dozens of books on a variety of topics mostly related to the Islamic world and some on China I am departing an Israel that has been traumatized following the sudden deadly attack by Hamas on October 7 2023 on 1 300 Israelis and the abduction of 240 more into captivity in Gaza including babies the elderly and women all of whom were abused one way or another Only a revolutionized Israel in all domains which is acutely expected by all Israelis in its military political social cultural and economic fields is likely to start mending these long term wounds that have caused dislocation refugees misery and destruction on both the directly related Gaza border where 22 village communities have been annihilated and the Lebanese border where similar carnage and ruin are looming unless the Hizbullah which has gratuitously joined the fray is tamed or defeated
