

A scenic landscape featuring a winding asphalt road that curves through a valley. The road is flanked by dry, golden-brown grass and shrubs. In the background, there are rolling hills and mountains under a dramatic sky with soft, warm light from a low sun, creating a hazy, golden glow. The overall mood is peaceful and contemplative.

Choosing stillness in the  
midst of chaos is the path  
toward living in peace.

interrogated and threatened with prison and even a mental asylum But not once did she alter her stance The Lady told her that she could not promise happiness in this life only in the next In the end it was decided that Bernadette was not a liar nor mentally deranged And today more than 160 years after the beautiful Lady asked for the spring the chapel and the processions five million annual pilgrims journey to Lourdes many pilgrims of many faiths And some even arrive with no faith But they all continue to come hoping to find peace of mind heart body and soul For all of the blessings that have stemmed from Lourdes over the years let us all enjoy as we sing together the Ode to Bernadette
