**Variation in the Grammar of Black South African English** Verena Minow, 2010 Black South African English the variety of English used by mother tongue speakers of South Africa s indigenous languages has received considerable attention during the last two decades However so far most of the accounts of this variety have been only qualitative in nature This book reports on one of the first studies offering extensive quantitative analyses of four typical features of Black South African English grammar omission of past tense marking extended use of the progressive aspect article omission and use of left dislocation Drawing on a corpus of spoken data the study s focus lies on the investigation of the stability of the selected features and hence aims to ascertain which of these are characteristic of Black South African English as a whole Speakers exhibiting differing levels of competence in English are compared It is shown that the analysed features are used by speakers of Black South African English regardless of their proficiency level but at the same time there are considerable differences concerning the frequency of occurrence of these features

**Enacting English across Borders** Raqib Chowdhury, Roby Marlina, 2014-09-18 This book houses contemporary theoretical and empirical studies by emergent researchers and scholars in the disciplines of ELT Applied Linguistics and TESOL who address several newly emerged and emerging issues in the field from their own contexts predominantly Asian settings Each chapter in its own unique way challenges unpacks and critiques existing misconceptions and pre conceived assumptions of the use learning and teaching of English in today s fluid and globalised postmodern era While some contributors to the book have brought such issues to the forefront through a critical consideration of histories and policies others have explored how English is enacted practised learned and or taught across a wide range of settings in order to further illustrate the various manifestations of the worldwide expansion of the language Together the chapters of this book highlight the current discrepancies and inconsistencies in different areas of interest in the field of ELT and provide carefully considered suggestions on how to address these issues

**English as an International Language** Farzad Sharifian, 2009-01-08 Collectively the chapters in this volume make a significant contribution to the emerging paradigm of English as an International Language EIL by exploring various aspects of the English language and its pedagogy in the context of the globalization of this language The volume shows great deal of promise in terms of expanding the paradigm and

also establishing new grounds for thinking research and practice      World Englishes Gunnel Melchers, Philip Shaw, Peter Sundkvist, 2019-06-05 The third edition of *World Englishes* provides an engaging overview of the global variations in vocabulary grammar phonology and pragmatics of English as it is used worldwide This book introduces the principles of linguistic variation and provides coverage on the roots of English the spread of English variations of English as a second language and trends for the future Thoroughly updated throughout in line with recent research this third edition now also includes 43 audio examples of speakers of native 17 and of non native 26 English reflecting the global variety of the language available to download from [www.routledge.com/9781138487659](http://www.routledge.com/9781138487659) descriptions of selected twenty first century developing varieties including Chinese English Russian English and Vietnamese English greater linguistic detail on second language English in many areas improved and updated descriptions of first language varieties a new framework for describing lexical variation full discussion throughout of English in social media Offering a thorough and detailed descriptive account of all the main varieties of English across the globe *World Englishes* provides a balanced discussion of political issues and the sociolinguistic background to variation in English spoken and written face to face on paper and online in the twenty first century This book is essential reading for students approaching this topic for the first time      **Ideology and Hegemony of English Foreign Language Textbooks** Ömer Gökhan Ulum, Dinçay Köksal, 2020-01-27 This volume investigates ideological and hegemonic practices in globally and locally written English as a Foreign Language EFL textbooks and explores whether these textbooks reflect the values beliefs and norms of the native speaker society by examining their ideological components and the hegemonic practices by means of which the source society or state seeks to influence learners of the language It also attempts to clarify EFL teachers and students views on the underlying ideology and hegemonic practices in globally and locally written EFL textbooks Studies on the relationship between ideology hegemony and textbooks in applied linguistics have become more prevalent in recent decades as the emergence of critical theory critical pedagogy and critical thinking skills from the 1920s onwards has led scholars to adopt a more critical perspective towards EFL textbooks especially with regard to elements of ideology and hegemony These two terms encompass a plethora of components ranging from nationalism to religion At the same time the importance of metanarratives originating from the tenets of modernism has declined from the 1960s onwards the assumption being that the world has entered a new age called postmodernism and post structuralism that emphasizes the role of individuals and rejects efforts to reinforce post colonialism the effects of which can be seen in EFL textbooks Accordingly taking the elements of ideology and hegemony into account remains a vital aspect in the analysis of EFL textbooks      **The Oxford Handbook of Southeast Asian Englishes** Andrew J. Moody, 2024 This volume describes both the history and the contemporary forms functions and status of English in Southeast Asia The chapters provide a comprehensive overview of current research on a wide range of topics addressing the impact of English as a language of globalization and exploring new approaches to the spread of English in the region      *The Hopes and*

*Experiences of Bilingual Teachers of English* Melinda Kong, 2018-07-20 In this age of internationalisation of higher education many bilingual teachers from non English speaking contexts pursue their postgraduate degrees in English speaking countries Most programmes focus on providing content knowledge to them while neglecting their investments Furthermore not much attention is given to what these bilingual teachers expect to gain from studying abroad as well as their lived experiences and identity construction both inside and outside the classroom in English speaking countries and when they return home Nevertheless these dimensions are crucial to their growth as teachers and users of English This book explores these neglected aspects through case studies of bilinguals from various backgrounds Through these case studies the book examines the hopes struggles and adaptation of bilinguals It provides insights into what international students should realistically expect when studying overseas and how to empower bilingual teachers users and learners of English
