Expectant Faith:

Women in the New Testament Mary Ann Getty-Sullivan, 2017-06-15 Much of the history of women in religion as in other fields is lost because it was overlooked or considered unimportant It is therefore surprising that so many fragments of women's stories survive in the New Testament texts composed by men Why did they include so many references to women and why are women as a group treated so positively by the male New Testament writers Women in the New Testament shows how the stories of women are an integral part of the Gospel and its meaning for us It also relays how we can respond to the challenge these women represent whether we are men trying to understand or women trying to find our voices within the tradition of faith found in the New Testament Chapter one discusses three women of expectant faith Chapters two and three deal with women who are changed by Jesus Chapter four focuses on New Testament women of influence Chapters five and six show how women disciples spread and gave shape to the gospel message Chapters are Women of Expectant Faith Women Changed by Jesus More Women Changed by Jesus Women of Prominence Women and Discipleship and More Women and Discipleship Mary Ann Getty Sullivan PhD teaches at St Vincent College and St Vincent Seminary Latrobe Pennsylvania She is the author of First and Second Corinthians from the Collegeville Bible Commentary series author of the God Speaks to Us series of children's books and editor of the Zacchaeus Studies New Testament series published by The Liturgical Press

One Gospel Nathan N. Hoff, 2023-12-18 Is faith in Messiah necessary to the content of saving faith in the Old Testament as it is in the New While the dispensational tradition has been clear that salvation in every age includes a common object God a common basis Christ's death and a common requirement faith it has not always agreed on the content of saving faith across the testaments Written within the dispensational tradition One Gospel seeks to advance the discussion by looking at Paul's use of the Abraham story in Romans 4 This work contends there is continuity between the Old Testament and the New as illustrated by Abraham and Paul The content of saving faith must always include faith in Messiah who in the progress of revelation is identified as Jesus Christ *Expectant Faith* Heather Barrett, 2018-07-14 Prayer is vital to living a Christian life For years we've been blinded by the enemy's lies about what we can and cannot pray for This book will take you on a scriptural journey to expose the deceit that has ensnared Christians and kept them from living the lives God intended them to live We will seek out the evidence that proves God wants His children to pray big prayers and that He will answer them When your prayer life changes every area of your life will exponentially change with it Religion might tell you what you are allowed to pray but God puts no limits on the prayers of His people He wants you to trust Him with your heart's desires Above all it is His will for you to be blessed and reap a bountiful harvest If you're unsure how to pray big prayers or if it's really what we're supposed to do come along on this journey and see what God Himself has to say **The Power of a True Intercessor** Patricia J. Williams, 2013 Prayer is the most potent force known to humanity Because we have been made partakers in Jesus' victory over sin and death 1 John 4:4 we have the authority as sons and daughters of God to pray for others pushing back the

darkness of sin and oppression In prayer we have a weapon that has divine power to destroy strongholds 2 Corinthians 10 4 That kind of weaponry the power of prayer is something God invites us to use as we seek not only personal transformation but transformation of the world as well An intercessor is one who takes up a burden that goes far beyond his or her own needs and intentions Those who take up the call to intercession come to learn in a deeper way that the sufferings of the present time cannot compare to the joy that will come as God s purposes unfold Intercessors participate in God s magnificent plan to raise humanity to share in divine life This insight moves them to engage in a spiritual battle against the forces that seek to destroy God s plans proving The Power of a True Intercessor About the Author Prophetess Patricia J Williams is the president and founder of Faith In God International Ministries and Patricia J Williams Ministries She is also a woman of Revelation Power and is an Intercessor With a unique style of ministering the Word of God God uses her mightily through Prophecy Visions and Dreams She currently resides in Louisiana where she is working on her next book The Endurance of Pleasing God Breaking the Chains of Tradition Publisher s website <http://sbpra.com/PatriciaJWilliams> *A Minute of Vision for Men* Roger Patterson,2016 Today so many men are living on autopilot instead of engaging the battle of living up to our God given potential We lack a vision for life Too often we settle for less than what is best for us our families and our careers We struggle with pinpointing our purpose in life This book provides an investment in a different sort of life one with vision purpose and integrity helping you connect with your purpose It s written so that you can start your day on the right foot focused on what matters the most Amazon.com **Miracles of Healing in the Gospel of Mark** John I. Penn Sr.,2021-12-01 Early on in my study it became evident that Mark was not simply recounting the healing incidents that Jesus had performed Mark looked at the healing miracles of Jesus through the lens of God s perspective What was significant to Mark and what captured my spiritual imagination was his interpretation of the healing miracles He made it clear to the readers that Jesus clearly understood the redemptive implications of his mission as the Jewish healer redeemer Jesus fully embraced his Messianic mission to bring salvation to the Hebrew people He would become the perfect sacrificial lamb of God to bring about the restoration of fallen humanity In and through him God s good creation would be restored Through Jesus sacrificial death God would create a new covenant of grace which could be acceptable to both Jews and Gentiles The healing miracles demonstrated the defeat of sin sickness death and the evil influence of Satan s demonic forces Jesus did this by not only removing our sins but also taking the consequences of our sins upon himself nailing them to the cross All of Jesus healing miracles were interpreted similarly I found Mark s gospel both inspiring and informative allowing me to see the heart love compassion and mind of God for His creation *The One Year Praying in Faith Devotional* Chris Tiegreen,2021 The faith journey can be hard but it doesn t have to be Abraham Joseph David Paul and even Jesus himself all heroes of the faith who experienced both the soaring grace of answered prayers and crushing sorrow when God seemed unwilling to respond or too far away to hear And yet even in the darkest times God was working writing an unseen story of redemption that would

save the world When we pray how do we see beyond the immediate and into the eternal How do we know when to keep praying and when to give up when to consider something a promise from God and when to recognize that it was from our own imagination Why does silence from God rarely mean no and almost always mean come closer The One Year Praying in Faith Devotional answers these questions and many more taking you through a 365 day journey that will help you experience a prayerful relationship with God like never before **Faith Hounds** William N. Mitchell,2022-05-27 We are all in pursuit of something Faith Hounds A Relentless Pursuit shows what we should pursue and even more how to get it The number one issue people seem to have with the concept of faith is that they think it is ineffective The common phrase is Well I tried to believe but it did not work By using biblically backed truths this book goes into detail on what God says about pursuing him and his promises walking the reader through the process of when they first set their hearts to ask God for something until it finally shows in their life while also addressing the possible hindrances that could be stopping them from seeing their answer If you or someone you know is tired of seeing nothing come from praying or has completely abandoned the concept of God and faith give this book a read It will change your world and set a fire in your belly to be a relentless faith hound and pursue everything the Lord has for you **Reflections on Faith and Prayer** Joseph Carroll,2013-06-03 FAITH IS STRENGTHENED NOT BY STRIVING AFTER IT BUT BY LEARNING TO REST IN THE FAITHFUL ONE What is the essence of faith What common obstacles challenge faith THE PLACE YOU GIVE PRAYER IN YOUR LIFE IS THE PLACE YOU GIVE JESUS CHRIST Why are we commanded to pray What rewards flow from worship praise thanksgiving and petitions These devotional selections come from Mr Carroll s preaching and teaching materials We hope the Lord will use these daily readings to strengthen challenge and develop your Christian walk **Faith Seeking Understanding** Daniel L. Migliore,2014-08-08 A superb standard Christian theology text for nearly a quarter century Daniel Migliore s Faith Seeking Understanding explores all of the major Christian doctrines in freshly contemporary ways This third edition offers new FOR FURTHER READING suggestions at the end of each chapter a substantial expansion of the glossary and new material incorporated throughout including a section on Christians and Muslims Further the three imaginary theological dialogues culminating the book pointedly playful exchanges that have delighted countless readers are here joined by a fourth dialogue between Karl Barth and Friedrich Nietzsche on atheism All in all a new generation of students pastors and Christian educators eager to better understand the rich heritage central themes and contemporary challenges of Christian theology will find both guidance and stimulation in Migliore s updated work **Rationality as Virtue** Lydia Schumacher,2016-03-03 For much of the modern period theologians and philosophers of religion have struggled with the problem of proving that it is rational to believe in God Drawing on the thought of Thomas Aquinas this book lays the foundation for an innovative effort to overturn the longstanding problem of proving faith s rationality and to establish instead that rationality requires to be explained by appeals to faith To this end Schumacher advances the constructive argument that rationality is not only an

epistemological question concerning the soundness of human thoughts which she defines in terms of intellectual virtue Ultimately it is an ethical question whether knowledge is used in ways that promote an individual's own flourishing and that of others That is to say rationality in its paradigmatic form is a matter of moral virtue which should nonetheless entail intellectual virtue This conclusion sets the stage for Schumacher's argument in a companion book Theological Philosophy which explains how Christian faith provides an exceptionally robust rationale for rationality so construed and is intrinsically rational in that sense

THE LOSS OF FAITH Richard Gary Hallmark, 2025-08-13 The death of a child is devastating as those parents who have experienced such a loss can attest With dreams and hopes replaced with pain and anguish and happiness vanquished by heartache such a loss is the start of a journey no parent wants to make In The Loss Of Faith Richard Hallmark endures such a journey A journey where his faith trust and belief in God are tested challenged and all but destroyed almost from the moment of his child's death A journey where he asks the unanswerable seeks the unknowable and wrestles with the unwinnable A journey that begins the day his child died and continues until the day God restores him Yet in The Loss Of Faith is where Richard Hallmark comes to know that truly God loves him and has not abandoned him and that it is during the journey where God teaches restoration occurs lessons are learned and changes are made Richard Hallmark invites you to accompany him through The Loss of Faith as God leads you together But this is not a pleasant nor a happy journey It is a raw and brutal journey One of thoughts observations and prayers to God that are personal unrefined and sometimes severe A journey where nothing is held back and no apologies are made for not doing so as Richard searches for God

A Physicist Examines Hope in the Resurrection John F. Wilson, 2016-12-22 John Polkinghorne ordained member of the Royal Society past President of Queen's College Cambridge Knight Commander of the Order of the British Empire 2002 Templeton Prize winner theoretical physicist and theologian writes in breathless style to unfold core Christian doctrine in dialogue with science His work deftly addresses how one would interpret and commend Christian faith in the contemporary world as he elucidates the key topics in the dialogue of religion with science Polkinghorne's work addresses the hope Christians have present and future in the faithfulness of a loving God who stands alongside them today and for all eternity Eschatological hope enables and empowers Christian life and emerges in God's resurrection of Jesus from the horrific crucifixion Polkinghorne ably supports his thesis with a strong argument for the resurrection built on the kenotic acts of God His thesis sees Christian eschatology as the advent of hope the heart of faith In Christian eschatology as argued by Polkinhorne and supported in the work of Jurgen Moltmann and Nicholas T Wright Christ's presence is not some far off event but present reality

Fire From Heaven Mark I. Bubeck, Craig Bubeck, 2010-01-01 There is a great awakening on the 21st century church's horizon and it depends on you All the signs of history and culture point to the certainty of God bringing about revival to his people one by one and soon Satan knows that to resist broad scope revival the spiritual battlefield is ironically very personal You must understand your vital part in the immanent battle and equip yourself enthusiastically to

answer the call The corporate body of Christ's war is very personal battle it is in a real sense an army of one **Faith for the Journey** Carol Blair, 2016-02-09 When her husband died suddenly on New Year's Eve Carol was left to raise their six boys ages 11 months to 16 years That night she made a promise to God if He provided for her and the boys the way He promised in His Word she would go anywhere He sent her and tell others of His care But if He didn't she would burn her Bible on the front lawn and tell any onlooker that it was just a book of pretty words and pious phrases that wasn't true when you needed it to be God not only provided but had a big surprise He sent her across the globe to share her story Carol was then given an unexpected career in television and radio as host and producer and later a new husband Faith for the Journey tells firsthand the life changing things that can happen when you trust God with all your heart **Taste and See Faith** Marie Wilson, 2001-08 A beautiful blend of seasonal recipes and valuable information tied to the liturgical calendar This delightful book is divided into five sections that include Advent Easter Christmas Lent and Ordinary time with each section beginning with information about the season and ending with a prayer All recipes are easy to make and each page contains a significant scripture verse This book makes a perfect gift for friends family teachers and co workers *Theological Philosophy* Lydia Schumacher, 2016-02-17 For much of the modern period theologians and philosophers of religion have struggled with the problem of proving that it is rational to believe in God Drawing on the thought of Thomas Aquinas Theological Philosophy seeks to overturn the longstanding problem of proving faith's rationality and to establish instead that rationality requires to be explained by appeals to faith Building on a constructive argument developed in a companion book Rationality as Virtue Lydia Schumacher advances the conclusion that belief in the God of Christian faith provides an exceptionally robust rationale for rationality and is as such intrinsically rational At the same time Schumacher overcomes a common tendency to separate spiritual from ordinary life and construes the latter as the locus of proof for the rationality of Christian faith *God and Nature* Curtis L. Thompson, Joyce M. Cuff, 2012-03-29 The current religion and science dialogue begs for greater clarity on the relation of God to nature In God and Nature two scholars who embrace contemporary insights from science and religion explore the complexities of this debate As the narrative unfolds classical and contemporary thinkers are engaged as discussion partners in articulating a philosophical theology of nature Conceptual pairs in which two concepts play off of each other provide the structure for each of the seven chapters with usually the first concept being more scientific in character and the second more religious in tone These pairs of concepts from chronology and creation to creativity and creator help to thematize and structure the progressing narrative Within each chapter the two concepts are first investigated independently then interdependently and finally in relation to the divine At the story's completion nature has emerged as alive with possibility that is as alluring as the actuality it evokes Envisioned is a divine Creator who works in and through the possibility of creation to lure it into fuller manifestations via creative transformation *Spiritual Needs & Pastoral Services* Larry VandeCreek, 2010-11-01 What do spiritual needs health care pastoral services religious resources

statistics and quantitative research methods have in common Traditional literature in the pastoral care counseling and education movement probably would say Not a great deal Indeed the pastoral arts and sciences have tended to be high on art especially praxis but relatively low on science especially quantitative research That s too bad claims Dr Larry VandeCreek who has gathered together a sample of previously published but widely scattered research reports which he hopes will inform hospital chaplains congregational pastors hospital personnel and theological students on ways in which knowledge gained from carefully designed research can enhance their project of care Selecting only quantitative research reports the volume explores such topics as the role of spirituality in terminally ill hospitalized patients the demonstrated helpfulness of prayer in health crisis the possible impact of hope among women with breast cancer the role and impact of chaplaincy services in general hospitals as well as other studies demonstrating a variety of relationships between spirituality and health care
