Priest Jr., Stephen E. Burris, 2012-04-19 River of God is an introduction to world missions aimed at undergraduate students However the readers will soon discover that the book is rich in its content far beyond the editors original plan It serves as a reader for people with various levels of missiological interest and competence and deals with cutting edge issues in missions This book introduces a new paradigm Kingdom Missiology which builds on shalom in the Old Testament and as Jesus applied to the Kingdom of God in the New Testament The first half of the book looks at Kingdom Missiology from the biblical historical and cultural dimensions The second half of the book describes helpful strategies in the implementation of this paradigm The importance of urban ministry is woven throughout the book **Introducing Cultural Studies** David Walton, 2007-11-29 An outstanding entry level text aimed at those with little or no cultural studies knowledge Innovative creative and clever Times Higher Education The ideal textbook for FE and first year HE cultural studies students Its quality and character allow the reader to feel the enthusiasm of its author which in turn becomes infectious instilling in the reader a genuine sense of ebullient perturbation Art Design Media The Higher Education Authority An introduction to the practice of cultural studies this book is ideal for undergraduate courses Full of practical exercises that will get students thinking and writing about the issues they encounter this book offers its readers the conceptual tools to practice cultural analysis for themselves There are heuristics to help students prepare and write projects and the book provides plenty of examples to help students develop their own ideas Written in a creative playful and witty style this book Links key concepts to the key theorists of cultural studies Includes a wide range of references of popular cultural forms Emphasizes the multidisciplinary nature of cultural studies Includes pedagogical features such as dialogues graphs images and recommended readings The book s skills based approach enables students to develop their creative skills and shows students how to improve their powers of analysis generally *Cross-Cultural Leadership Training* Leonard U. Ahanotu PhD EdD, 2020-10-29 The issue of cross cultural movements of professionals within organizations in the 21st century s network style of the global organization has created the question of how to prepare professionals to meet the demands of satisfactory service in a culture different from their home culture The absence of the cross cultural preparation of the professionals is causing cross cultural maladjustments among many professionals and the Nigerian Catholic priests who move from Nigeria to the United States

face this reality Given the shortage of priests in the United States the U S Roman Catholic Church recruits many priests from overseas and a significant number of these priests are being recruited from Nigeria whose culture is very different from the U S culture The work of these well educated priests helps to solve the priest shortage problem but is creating new challenges in some Catholic parishes because of cultural differences The priests continually face cross cultural challenges to succeed in their pastoral work There is little research on the cross cultural challenges and other experiences of these priests in adjustment and in carrying out their duties This qualitative study investigated the cross cultural experiences of Nigerian priests serving in the United States Interviews with some Nigerian priests serving in the four different geographical regions of the United States yielded important discoveries that comprised of some common challenges and some common strategies to facilitate adjustment The findings indicated that a cross cultural preparation before arrival to the United States could reduce the cross cultural maladjustments and its effects on the pastoral works of these awesome priests The discoveries influenced the recommendation of Kolb s Learning Theory to design a pre departure cross cultural training for Nigerian priests The study offers an invaluable contribution to the tools that will help expatriates for cross cultural adjustment and intercultural relations when they work in a foreign environment
