Collected Thoughts and Random Reasonings Bob Anderson, Long ago I began a journey It was a journey to find truth learn truth and record truth Sometimes the best way to find and learn was to record the questions and answers I had about truth It was a journey that lasted for years and one day I found the notebooks I had used to record the truths I found I found those books had kept track of me even though I thought they were lost to time and the past It was humbling to read these words again and see the day I first saw or heard them They came at me as I needed to see them or hear them I think they will do the same with you I eventually put some of my own musings in there you now have it all Thoughts that I had for years things I believed I had always believed and thoughts I thought I had always thought were laid bare I saw and remembered when I collected those thoughts and reasonings Then I found something else totally unexpected my journey was not finished the game was not finished not yet Grab a notebook sharpen your pencil and listen to your own truths wherever you find them
