Greenfield, Letizia Paoli, 2022 This book examines the principle of harm as a basis for crime control policy and the prioritization of criminalized activities as well as providing a systematic evidence based framework to assess the harms of crime to improve the allocation of resources to crime prevention

and law enforcement Managing Intelligence John Buckley, 2017-07-27 Managing Intelligence A Guide for Law Enforcement Professionals is designed to assist practitioners and agencies build an efficient system to gather and manage intelligence effectively and lawfully in line with the principles of intelligence led policing Research for this book draws from discussions with hundreds of officers in different agencies roles and ranks from the UK United States Australia New Zealand and Canada Highlighting common misunderstandings in law enforcement about intelligence the book discusses the origins of these misunderstandings and puts intelligence in context with other policing models *Dictionary of Policing* Tim Newburn, Peter Neyroud, 2013-06-17 Contemporary policing is developing rapidly and is becoming increasingly professionalized For practitioners National Occupational Standards Skills for Justice and the the new PDLP Police Development and Learning Programme have brought a new emphasis on skills standards and knowledge Training for police officers and civilian staff working in policing is being significantly upgraded At the same time it has become more rigorous with universities and other higher educational institutions playing an increasingly important part in police training as well as expanding the range of policing courses for undergraduate and postgraduate students Key features approximately 300 entries of between 500 and 1500 words on key terms and concepts arranged alphabetically designed to meet the needs of both students and practitioners entries include summary definition main text and key texts and sources takes full account of emerging occupational and Skills for Justice criteria edited by the UK's leading academic expert on policing and the Chief Executive of the National Policing Improvement Agency Entries contributed by leading academic and practitioners in policing

A Handbook for Psychological Fitness-for-Duty Evaluations in Law Enforcement Cary D. Rostow, Robert D. Davis, 2014-03-18 While some books about police psychology contain a chapter on the fitness for duty question this is the first comprehensive publication focused exclusively on psychological fitness for duty evaluations FFDEs for law enforcement personnel This handbook is ideal for professionals and for coursework designed to prepare individuals for careers as police or municipal officials psychologists students behavioral science specialists human rights advocates and attorneys A helpful glossary makes the book even more useful for students and those who do not have extensive academic or formal training in psychology or public administration A Handbook for Psychological Fitness for Duty Evaluations in Law Enforcement describes in detail the mechanics of setting up a fitness for duty methodology and examines the effectiveness of FFDEs in law enforcement You ll find clear instructions for developing a FFDE system from the law enforcement executive's viewpoint valuable for attorneys police psychologists and civil service board members as well and an extensive bibliography with particular emphasis on laws and cases that provide guidance to psychological and law enforcement professionals Several appendices provide examples of documentation that can be used in the evaluation process This book brings you reliable information on legal precedents with a review of legal cases in language appropriate for law enforcement executives and psychologists the interaction between police culture psychological assessment and therapy federal laws that impact FFDEs

including the HIPAA the Americans with Disabilities Act the Family Medical Leave Act and the Fair Credit Reporting Act case law and FFDEs with emphasis on civil rights laws labor issues professional ethical dilemmas and the psychologist as a potential expert witness the proper uses and the misuses of the FFDE approach police departmental civil liability and the role that the FFDE plays in addressing legal risks In addition this book contains a succinct review of psychological testing psychometrics and the technicalities of employing a professional psychologist to determine the fitness of commissioned officers A Handbook for Psychological Fitness for Duty Evaluations in Law Enforcement proposes a model law that could be used to improve the utility and effectiveness of FFDEs and presents a forward looking discussion of FFDE issues that may become controversial in the near future

Critical Caribbean Perspectives on Preventing Gender-Based Violence Ramona Biholar,Dacia L. Leslie,2022-06-01 This book explores the widespread problem of gender based violence in the Anglophone Caribbean exploring reasons for its perpetuation and proposing viable policy and programming solutions to prevent it Drawing on the work of a multidisciplinary team of Caribbean researchers and practitioners the book explores the ways in which violence victimisation and perpetration have been socially and institutionally shaped and supported by fixed gender codes Key themes in the book include the institutional frameworks and structural inequalities that perpetuate gender based violence the role of the church both in perpetuating the problem and its potential to combat it the role of law access to justice and governmental and non governmental responses to gender based violence The book covers violence against women but also explores women as perpetrators men and boys as victims and gender based violence against young persons It also demonstrates the ways in which gender based violence can further marginalise already marginalised groups such as members of the LGBTQ community or persons with disabilities Bridging the divide between academia government and civil society this book challenges the normalisation of gender based violence in the Anglophone Caribbean and proposes viable culturally relevant solutions for prevention It will be of interest to researchers and practitioners working on issues related to gender the Caribbean global development criminology and human rights

Proceedings of Integrated Intelligence Enable Networks and Computing Krishan Kant Singh Mer,Vijay Bhaskar Semwal,Vishwanath Bijalwan,Rubén González Crespo,2021-04-23 This book presents best selected research papers presented at the First International Conference on Integrated Intelligence Enable Networks and Computing IIENC 2020 held from May 25 to May 27 2020 at the Institute of Technology Gopeshwar India Government Institute of Uttarakhand Government and affiliated to Uttarakhand Technical University The book includes papers in the field of intelligent computing The book covers the areas of machine learning and robotics signal processing and Internet of things big data and renewable energy sources

Doing Criminological Research Pamela Davies,Peter Francis,Victor Jupp,2011-01-19 The new edition of this bestselling textbook brings criminological research alive for students It introduces the processes and practicalities of preparing doing experiencing and reflecting upon criminological research The success of the First Edition has been its ability to contextualize research accessibly within real

life examples of crime criminology and criminal justice doing interviews with offenders in prison undertaking evaluation on crime related projects using questionnaires to measure fear Its strength continues to lie in its ability to span the process of doing criminological research helping students to understand the journey of the researcher *Knowledge Management Systems in Law Enforcement: Technologies and Techniques* Gottschalk, Petter,2006-07-31 This book presents research and trends in using knowledge management to aid police activities Ideas are presented to bring knowledge to bear in law enforcement and prepare police officers for a more knowledge intensive field **Statistics and the Quest for Quality Journalism** Alessandro Martinisi,Jairo Alfonso Lugo-Ocando,2020-10-29 This book looks at how numbers and statistics have been used to underpin quality in news reporting In doing so the aim is to challenge some common assumptions about how journalists engage and use statistics in their quest for quality news It seeks to improve our understanding about the usage of data and statistics as a primary means for the construction of social reality This is a task in our view that is urgent in times of post truth politics and the rise of fake news In this sense the quest to produce quality news which seems to require incorporating statistics and engaging with data as laudable and straightforward as it sounds is instead far more problematic and complex than what is often accounted for
