Java George A. Fowler, Roggie Cale, Joe C. Bartlett, 1975 *Heifetz as I Knew Him* Ayke Agus, 2005 For the last 15 years of Jascha Heifetz's life Ayke Agus was his closest companion She came to him as a violin student in his master class at the University of Southern California but he singled her out when he heard her play the piano She became his private accompanist and ultimately his assistant and confidante A sensitive and astute observer Agus takes up where previous biographers left off her book is a loving yet unblinking portrait of an aging master by his disciple **Mixed Messages: Materiality, Textuality, Missions** J. Scott, G. Griffiths, 2005-05-05 This collection of essays looks at missions their complicity in European colonialism and their postcolonial aftermath It examines the spread of Christianity ranging over the anthropological textual historical and geographical dimensions of mission enterprises with topics as diverse as the influence of mission printing and record keeping on traditional life in Africa to the role of missions in changing styles of dress in India Also uniquely the collection includes essays analyzing the role of proselytizing in Islam Hinduism and Buddhism as well as American liberal democratic capitalism The volume is interdisciplinary focusing on textual and material aspects of missions

Like Griffiths earlier ground breaking books in postcolonial studies and Scott s well known interdisciplinary work on missions and postcolonial literatures this collection will be fascinating to scholars in postcolonial cultural and mission studies and be useful as a teaching tool as well Mixed Messages was listed among the 15 best books for 2005 in the Jan 2006 issue of The International Bulletin of Mission Studies

Riddles of Belief...and Love: A Story Lin Zhe,2010 Beijing based writer Lin Zhe s novel Waipode Gucheng on which this translation is faithfully based paints an unforgettable picture of an ordinary family caught up in the maelstrom that was China s most recent century Her narrative ranges across the entire length of China to California and back again to the battlefields of the Anti Japanese War of Resistance and the brutal struggle sessions of the Cultural Revolution But it always returns to this family s home in Old Town that archetypical old fashioned and vanishing place steeped in the traditions of South China Ms Lin examines the inner strength that sustains people s lives in their darkest hours when religious and political faith falter And yet a vein of irony and droll humor runs through this powerful story Lin Zhe s novel may be understood as a love story memoir history or allegory For the non Chinese reader it provides a rare and moving insight into Chinese lives in a century of fearsome upheaval
