Jean Devanny Romantic Revolutionary:

Iean Devanny Carole Ferrier,1999 Carole Ferrier's biography uses oral history material from people who knew Devanny as well as drawing extensively on unpublished archives and manuscripts Ferrier uses many voices to tell Devanny s story placing them in juxtaposition with each other to produce a rich and fascinating narrative BOOK JACKET Patrick Buckridge, Belinda McKay, 2007 By the Book is an indispensable history of the literature of Queensland from its establishment as a separate colony in the mid nineteenth century through major economic political and cultural transformations to the beginning of the twenty first century Queensland figures in the Australian imagination as a frontier a place of wild landscapes and wilder politics but also as Australia's playground a soft tourist paradise of warm weather and golden beaches Based partly on real historical divergences from the rest of Australia these contradictory images have been questioned and scrutini Socialist Cultures East and West Dubravka Juraga, M. Keith Booker, 2002-06-30 Decades of Western Cold War propaganda were designed to depict socialism as inimical to genuine aesthetic acheivement Now in the wake of the Cold War it is becoming possible to reassess the past and present cultural productions of artists with socialist inclinations The essays in this volume begin such a reassessment finding that socialist cultural production in the 20th century both as the official culture of the socialist East and as an oppositional culture in the capitalist West has been rich and varied The volume focuses on socialist culture in the industrialized world primarily Eastern Europe and the West An introductory essay overviews socialist cultural productions of the 20th century while the chapters that follow address a wide range of topics These include Soviet socialist realist fiction and film musicals the socialist drama of Bertolt Brecht and British and American leftist fiction The volume demonstrates that propagandistic Cold War depictions of socialism as a threat to artistic expression were inaccurate and misleading Transnational Ties Desley Deacon, Penny Russell, Angela Woollacott, 2008-12-01 Australian lives are intricately enmeshed with the world bound by ties of allegiance and affinity intellect and imagination In Transnational Ties Australian Lives in the World an eclectic mix of scholars historians literary critics and museologists trace the flow of people that helped shape Australia's distinctive character and the flow of ideas that connected Australians to a global community of thought It shows how biography and the study of life stories can contribute greatly to our understanding of such patterns of connection and explores how transnationalism can test biography s limits as an intellectual professional and commercial practice **Yarn Spinners** Dymphna Cusack, Florence James, Miles Franklin, 2001 Love life writing and friendship are the intimate subjects of letters between three intelligent witty women who shared a passionate commitment to Australian literature These carefully selected letters tell a story that reads like a novel Their correspondence from the late 1920s to the mid 1950s reveals their public battles as well as their private ones Their personal conflicts are a microcosm of Australian society s struggles over the period **Red Love Across the Pacific Paula** Rabinowitz, Ruth Barraclough, Heather Bowen-Struyk, 2015-09-16 This book examines the Red Love vogue that swept across

the Asia Pacific in the 1920s and 1930s as part of a worldwide interest in socialism and follows its trails throughout the twentieth century Encouraging both political and sexual liberation Red Love was a transnational movement demonstrating The Australian Study of Politics R. readers will be stimulated by a collection that shows political literature s continuing ability to inform enrage and engage readers from around the world The Ivory Tower and Beyond Susan Cochrane, Doug Munro, Max Quanchi, 2009-03-26 There is a tradition of participant history among historians of the Pacific Islands unafraid to show their hands on issues of public importance and risking controversy to make their voices heard This book explores the theme of the participant historian by delving into the lives of J C Beaglehole J W Davidson Richard Gilson Harry Maude and Brij V Lal They lived at the interface of scholarship and practical engagement in such capacities as constitutional advisers defenders of civil liberties or upholders of the principles of academic freedom As well as writing history they made history and their excursions beyond the ivory tower informed their scholarship Doug Munro's sympathetic engagement with these five historians is likewise informed by his own long term involvement with the sub discipline of Pacific History Australian Literary Studies ,2004 **Bodies** and Voices Anna Rutherford, European Association for Commonwealth Literature and Language Studies. Conference, 2008 The articles investigate representations in literature both by the colonizers and colonized Many deal with the effect the dominant culture had on the self image of native inhabitants They cover areas on all continents that were colonized by The Cambridge Companion to Australian Literature Elizabeth Webby, 2000-08-21 An indispensable European countries reference for the study of Australian literature Aboriginal Women, Law and Critical Race Theory Nicole Watson, 2021-12-10 This book explores storytelling as an innovative means of improving understanding of Indigenous people and their histories and struggles including with the law It uses the Critical Race Theory CRT tool of outsider or counter storytelling to illuminate the practices that have been used by generations of Aboriginal women to create an outlaw culture and to resist their invisibility to law Legal scholars are yet to use storytelling to bring the experiential knowledge of Aboriginal women to the centre of legal scholarship and yet this book demonstrates how this can be done by way of a new methodology that combines elements of CRT with speculative biography In one chapter the author tells the imagined story of Eliza Woree who featured prominently in the backdrop to the decision of the Supreme Court of Queensland in Dempsey v Rigg 1914 but whose voice was erased from the judgements This accessible book adds a new and innovative dimension to the use of CRT to examine the nexus between race and settler colonialism It speaks to those interested in Indigenous peoples and the law Indigenous studies Indigenous policy Aboriginal and Torres Strait Islander history feminist studies race and the law and cultural studies Art Was Their Weapon Dylan Hyde, 2019-10-01 The politics art and culture of Perth's Workers Art Guild are detailed in this comprehensive history as well as the personal and professional lives of some of the movement s key figures The Workers Art Guild was a left leaning political force and influential cultural movement of the 1930s and 1940s in Perth Police and intelligence arms kept close tabs on the Guild and its members jailing some and intimidating many others prior to and during the period of the banning of the Communist Party in Australia The book covers the personal and professional lives of key figures such as writer Katharine Susannah Prichard and theatre maverick Keith George while

charting the influence of the Communist Party on Western Australian artists The Great Wrong War Stevan Eldred-Grigg, 2014-08-15 An entirely new look at the shocking impact of the First World War on New Zealand For New Zealand World War One was wholly avoidable wholly unnecessary and almost wholly disastrous Stevan Eldred Grigg believes that the enormous cost of the war to our people was way too high and that we still feel its effects both socially and culturally today This is excellent narrative non fiction analysing our history in a novel way It s very accessible but is backed up by meticulous research Stevan goes against the accepted line and gives us a fascinating look at our social history before during and just after WW1 Why did we go to the war in Europe Was the country united in its desire for war What were the economic and social consequences What has been the impact on the psyches of New Zeland men These and many other questions are answered in this fascinating book In 2007 Harvey McQueen wrote in a review of New Zealand's Great War an anthology of essays that there is a need for a general popular history of our Great War we need a skilled writer in the mould of Sinclair Oliver or King to give an overview and link the various elements into a coherent whole This is that book The Cambridge **History of Australian Literature** Peter Pierce, 2009-09-17 Draws on scholarship from leading figures in the field and spans Australian literary history from colonial origins indigenous and migrant literatures as well as representations of Asia and the Pacific and the role of literary culture in modern Australian society
