Hand, 2012-09 This is a story of Jeremiah s rescue of the last Judean king s daughters It has elements of espionage action and adventure It may read like a modern thriller but it is based on the life of the biblical Jeremiah and the histories and traditions of other nations It operates on the assumption that Jeremiah did exactly what God told him that he would do God told Jeremiah that he would see the destruction of his nation but also the replanting and rebuilding in a different land that he did not know The history uses modern dates There are many espionage characteristics because while he loudly proclaimed Gods message of the consequences to his nation of their choices he also had to use secrecy The survival of the culture in the captives taken to Babylonia depended on it Finally he would use secrecy to protect the last descendants of King David The main characters in this story besides Jeremiah are his partner Baruch a black royal guard captain Ebed Meleck and of course the king s daughters It does not conflict with the Bible but get ready to be entertained enlightened and inspired **The Drama Magazine** ,1923 *At the Center of the Human Drama* Kenneth L.
