Jackson Rule:

Jackson Rule Dinah McCall, 2023-08-18 Powerful emotion and unforgettable romance between an ex con and a preacher's daughter propel this classic from the New York Times bestselling author Jackson Rule had spent nearly half his life behind bars for murder Now he was starting over or trying to Once he laid hungry eyes on his new employer though his resolve to lead a simple solitary life deserted him replaced by yearnings for fierce forbidden passion Preacher's daughter Rebecca Hill was raised to give folks the benefit of the doubt though maybe this time she'd taken charity a bit too far True Jackson Rule had paid his debt to society and was a hard honest worker What threatened to undo her was the sheer burning desire she felt in his presence and the sinking feeling that her heart would be his captive forever Gut wrenching intense a definite keeper Sala has written a well rounded story of an intense man with a heart of gold All About Romance **Ruling the World?** ,

Cox, 2019-09-12 The Nuremberg War Crimes Trial has become a symbol of justice the pivotal moment when the civilized world stood up for Europe's Jews and ultimately for human rights Yet the world represented at the time by the Allied powers almost did not stand up despite the magnitude of the horrors perpetrated by the Nazis Seeking justice for the Holocaust had not been an automatic or an obvious mission for the Allies to pursue In this book Graham Cox recounts the remarkable negotiations and calculations that brought the United States and its allies to this point At the center of this story is the collaboration between Franklin D Roosevelt and Herbert C Pell Roosevelt's appointee as U S representative to the United Nations War Crimes Commission in creating an international legal protocol to prosecute Nazi officials for war crimes and genocide Pell emerges here as an unheralded force

in pursuing justice and in framing human rights as an international concern The book also enlarges our perspective on Roosevelt s policies regarding European Jews by revealing the depth of his commitment to postwar justice in the face of staunch opposition even from some within his administration What made the international effort especially contentious was a debate over its focus how to punish for aggressive warfare and crimes against humanity Cox exposes the internal contradictions and contortions behind the U S position and the maneuverings of numerous officials negotiating the legal parameters of the trials Most telling perhaps were the efforts of Robert H Jackson the chief U S prosecutor at Nuremberg to circumscribe the scope of new international law for fear of setting precedents that might boomerang on the United States because of its own racial segregation practices With its broad new examination of the background and context of the Nuremberg trials and its expanded view of the roles played by Roosevelt and his unlikely deputy Pell Seeking Justice for the Holocaust offers a deeper and more nuanced understanding of how the Allies came to hold Nazis accountable for their crimes against humanity
