

Jacob Riis

Michael Burgan

Jacob Riis:

Jacob A. Riis Jacob August Riis, Alexander Alland, 1975 **Jacob Riis** Janet B. Pascal, 2005-12-02 Jacob Riis 1849 1914 was born in Denmark and emigrated to America at the age of 21 After several years of poverty he found work as a police reporter which took him into the worst of New York's ghettos and tenements Appalled by the conditions he found there he began to use the primitive new flash technology to photograph the dark places that had never before been so graphically exposed The resulting book *How the Other Half Lives* brought to life an entire reform movement Riis was a staunch ally in the young Theodore Roosevelt's battle to reform the New York police breaking the brutal system of corruption and graft that had prevented the possibility of any real change in poor neighborhoods Riis's activism involved him in such vital current controversies as hostility toward immigration the growing gulf between rich and poor the relative importance of heredity and environment the need for adequate public schools conflicts between social reform and personal freedom and police brutality But at the same time his life raises some thought provoking moral questions because his compassion was flawed by an underlying prejudice his writings are marred by a clear underlying conviction of the superiority of white Protestants and he speaks with condescension and occasional scorn of other races and religions He remained an active reformer all his life founding a settlement house writing several more books most notably *The Children of the Poor* and maintaining a taxing schedule of lecture tours This biography includes a picture essay of Riis photographs as well as 35 black and white illustrations a chronology further reading and an index Oxford Portraits are informative and insightful biographies of people whose lives shaped their times and continue to influence ours Based on the most recent scholarship they draw heavily on primary sources including writings by and about their subjects Each book is illustrated with a wealth of photographs documents memorabilia framing the personality and achievements of its subject against the backdrop of history **Jacob A. Riis** Lewis Fried, John Fierst, 1977 **The Other Half** Tom Buk-Swienty, 2008 A portrait of the late nineteenth century social reformer draws on previously unexamined diaries and letters to trace his immigration to America work as a police reporter for the New York Tribune and pivotal contributions as a muckraker and progressive **Rediscovering Jacob Riis** Bonnie Yochelson, Daniel Czitrom, 2014-08-18 Before publishing his pioneering book *How the Other Half Lives* a photojournalistic investigation into the poverty of New York's tenement houses home to three quarters of the city's population Jacob Riis 1849 1914 spent his first years in the United States as an immigrant and itinerant laborer barely surviving on his carpentry skills until he landed a job as a muckraking reporter These early experiences provided Riis with an understanding of what it was like to be poor in the immigrant communities that populated New York's slums and it was this empathy that would shine through in his iconic photos With *Rediscovering Jacob Riis* art historian Bonnie Yochelson and historian Daniel Czitrom place Jacob Riis's images in historical context even as they expose a clear sightline to the present In the first half of their book Czitrom explores Riis's reporting and activism within the gritty specifics of Gilded Age New York its new immigrants its

political machines its fiercely competitive journalism its evangelical reformers and its labor movement In delving into Riis's intellectual education and the lasting impact of *How the Other Half Lives* Czitrom shows that though Riis argued for charity not sociopolitical justice the empathy that drove his work continues to inspire urban reformers today In the second half of the book Yochelson describes for the first time Riis's photographic practice his initial reliance on amateur photographers to take the photographs he needed his own use of the camera and then his collecting of photographs by professionals who by 1900 were documenting social reform efforts for government agencies and charities She argues that while Riis is rightly considered a revolutionary in the history of photography he was not a photographic artist Instead Riis was a writer and lecturer who first harnessed the power of photography to affect social change As staggering inequality continues to be an urgent political topic this book illustrated with nearly seventy of Riis's photographs will serve as a stunning reminder of what has changed and what has not

How the Other Half Lives Jacob A. Riis, 2023-01-06 Riis is considered one of the first representatives of undercover investigative journalism For example he worked in a meat factory under a different name Riis's fame is based on his book publications *How the Other Half Lives* a powerful documentation of life in the New York slums His works helped improve housing conditions in New York tenements as well as school reforms In connection with his social documentary reportages he developed a friendly relationship with Theodore Roosevelt who was New York's police commissioner back in 1895

Jacob Riis's Camera Alexis O'Neill, 2020-03-18 This revealing biography of a pioneering photojournalist and social reformer Jacob Riis shows how he brought to light one of the worst social justice issues plaguing New York City in the late 1800s the tenement housing crisis using newly invented flash photography Jacob Riis was familiar with poverty He did his best to combat it in his hometown of Ribe Denmark and he experienced it when he immigrated to the United States in 1870 Jobs for immigrants were hard to get and keep and Jacob often found himself penniless sleeping on the streets or in filthy homeless shelters When he became a journalist Jacob couldn't stop seeing the poverty in the city around him He began to photograph overcrowded tenement buildings and their impoverished residents using newly developed flash powder to illuminate the constantly dark rooms to expose the unacceptable conditions His photographs inspired the people of New York to take action Gary Kelley's detailed illustrations perfectly accompany Alexis O'Neill's engaging text in this STEAM title for young readers

The Making of an American Jacob August Riis, 1920 **Jacob Riis** Bonnie Yochelson, 2001-10-10 The 55 Series This is one of the most unique monograph series in the history of photography The 55 Series represents the work of many of photography's most important figures Each book contains 55 of the photographer's key works presented chronologically and through them tells the photographer's own story These books are small but surprisingly rich in content and reproduction quality They are a most economical way to bring the world of photography into your home Each book is 128 pp 6 1/4 x 5 3/4 softbound

Exposing Hidden Worlds Michael Burgan, 2017-09-15 President Theodore Roosevelt called Jacob Riis the best American I ever knew The pioneering photojournalist an immigrant from

Denmark drew attention to the poverty and evils of slum life in the late 1800s Riis won national acclaim when his photos illustrated his bestselling book *How the Other Half Lives* The book focused on the difficult time immigrants faced as thousands of newcomers flooded into the United States each year Riis called for reform and hoped to prod government officials to help the poor people who were forced to live under horrible conditions The impact of Riis photos came from capturing the poor and homeless as they lived and worked with the subjects eyes often staring directly into the camera The great photographer Ansel Adams called them magnificent achievements in the field of humanistic photography But the reforms that came from Riis work have not eliminated urban poverty and homelessness and important work remains to be done

The Complete Photographic Work of Jacob A. Riis Jacob August Riis, Robert J. Doherty, 1981 **Jacob Riis, How the Other Half Lives** Amanda Jenkins, 2014 Muckraking photojournalist Jacob Riis brings his camera and pen into the slums of New York City's Lower East Side in the late 1880s and meets some hardened young immigrants who help him persevere in his quest to turn an urban eyesore into a welcome patch Jacob Riis's Camera Alexis O'Neill, 2020-06-30 This revealing biography of a pioneering photojournalist and social reformer Jacob Riis shows how he brought to light one of the worst social justice issues plaguing New York City in the late 1800s the tenement housing crisis using newly invented flash photography Jacob Riis was familiar with poverty He did his best to combat it in his hometown of Ribe Denmark and he experienced it when he immigrated to the United States in 1870 Jobs for immigrants were hard to get and keep and Jacob often found himself penniless sleeping on the streets or in filthy homeless shelters When he became a journalist Jacob couldn't stop seeing the poverty in the city around him He began to photograph overcrowded tenement buildings and their impoverished residents using newly developed flash powder to illuminate the constantly dark rooms to expose the unacceptable conditions His photographs inspired the people of New York to take action Gary Kelley's detailed illustrations perfectly accompany Alexis O'Neill's engaging text in this STEAM title for young readers *Jacob Riis. Social Activist or Muckraker?*, 2020-03-18 Seminar paper from the year 2017 in the subject Didactics for the subject English Literature Works grade 1-3 University of Tübingen language English abstract In the following paper the author examines the debate if Riis was a Social Activist who wanted to enhance the New York slums in the late 19th century or a Muckraker who aspired to become famous at any price The primary source of this debate will be Jacob Riis most famous work *How the Other Half Lives* Moreover this debate will be developed in respect to both Riis biography and *How the Other Half Lives* content its structure its language and its style in general Jacob August Riis *How the Other Half Lives* Studies among the Tenements of New York which was first published in 1890 is an early work of photojournalism It deals with the tenement and slum conditions in New York in the late 19th century *How the Other Half Lives* is a documentation and not a fictional story All 25 chapters report on occurrences which the author has researched and experienced Jacob Riis uses numerous photographs sketches and ground plans in each chapter to visualize his words to the reader Some photographs are recorded by the author himself who makes

use of new innovations Riis usage of the flashlight was one of the newest and groundbreaking methods to take pictures at the end of the 19th century He intensely experimented with flash and refined the work with his camera Since Riis put a lot of time active work and effort in both the photography and the text component he was regarded as a Social Activist Riis states that his publication of photojournalism is based on changing and fighting against the social injustice in New York by providing for every man a clean and comfortable home In opposition to that Riis was also regarded as a Muckraker A Muckraker looks for information about people s private lives that they do not wish to make public Oxford Dictionary in order to scandalize Since he indeed uncovered unknown details of the slums the lives of the tenants and the power of the landlords Riis could be labeled as a Muckraker who scraped up the covert filth of the society with the muck rake Roosevelt Jacob Riis Jacob Riis,1971 *How the Other Half Lives* Jacob August Riis,1890 Jacob Riis s illustrated tour of New York s slums had an immediate and extraordinary impact on society inspiring reforms that changed the face of the city In 1890 when the book was published the Lower East Side was a landscape of teeming streets and filthy tenements crowded with immigrants living in dreadful conditions How the Other Half Lives brings them to life the Italians Jews Bohemians Czechs and Slovaks Blacks and Chinese in precise descriptions of their habits and traditions jobs and wages rents paid and meals eaten and explores the effects of crime poverty alcohol and lack of education and opportunity on adults and children alike Riis s reliance on specific hard facts as the tools and weapons of social criticism pioneered the style of crusading journalism that continues today His use of photographs to put faces to his stories was a landmark in photojournalism From publisher s description a later edition A Ten Years' War Jacob August Riis,1900 **How the Other Half Lives** Jacob A. Riis,1996-04-15 Jacob Riis s famed 1890 photo text addressed the problems of immigration technological innovation industry and urban life at the dawn of the twentieth century American studies instructor and freelance photographer David Leviatin edited this edition to be as faithful to the original text as possible all interior photos are uncropped reprints made from Riis s original negatives lantern slides and prints **American Jewish Orthodoxy in Historical Perspective** Jeffrey S. Gurock,1996 American freedom opportunity and voluntarism has created challenges to the traditional faith and practice of all religious denominations Jeffrey S Gurock s pathbreaking work on the history of Jewish Orthodoxy in America has identified and explored the many ways that one religious group responded to those challenges His model and influential studies of the American Orthodox rabbinate and synagogue have shown that attitudes favoring religious reconciliation and accommodation to the American environment were not less important than Orthodoxy s staunch resistance to that same environment His seminal work has challenged scholars to understand that Orthodoxy is composed of a spectrum of approaches and has demonstrated that merely labelling a person or institution as Orthodox is only the first step towards understanding a particular stance on the most contentious of issues American Jewish Orthodoxy in Historical Perspective brings together fifteen of Professor Gurock s most important essays with a new introduction that places his work in historiographical

perspective Beginning with his now classic *Resisters and Accommodators* and *The Orthodox Synagogue* which provide the general viewpoint for what follows this collection proceeds to individual case studies that examine the ways in which Orthodox Jews understood Christian religious threats the challenges of modern Zionist ideologies the varieties of Orthodox lay behavior profiles of influential Orthodox rabbis the styles of American Orthodox synagogues and a description of one type of Orthodox day school education *How the Other Half Lives* Jacob August Riis, David Leviatin, 1996

Jacob Riis Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has are more apparent than ever. Its capability to stir emotions, provoke thought, and instigate transformation is truly remarkable. This extraordinary book, aptly titled "**Jacob Riis**," published by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound affect our existence. Throughout this critique, we shall delve to the book is central themes, evaluate its unique writing style, and assess its overall influence on its readership.

Jacob Riis Introduction

In today's digital age, the availability of Jacob Riis books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Jacob Riis books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Jacob Riis books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Jacob Riis versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Jacob Riis books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Jacob Riis books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Jacob Riis books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer

academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Jacob Riis books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Jacob Riis books and manuals for download and embark on your journey of knowledge?

FAQs About Jacob Riis Books

What is a Jacob Riis PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Jacob Riis PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Jacob Riis PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Jacob Riis PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Jacob Riis PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression

reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
