Jacobs Dream:

Jacob's Dream Zavel Zilberts,1934 **Dream Encounters** Barbie Breathitt,2013-01-15 Uniquely inspired and written to convince the greatest skeptics as well as educate the most ardent believer Dream Encounters will bring God s perspective and understanding to the symbolic visual love letters he gives in the mysterious world of dreams Take a journey into the subconscious night parables of the soul and learn how dream truths impact your waking world by offering direction purpose and destiny Gain valuable keys to success by unlocking the mysteries of your dreams **The Children's Bible in 365 Stories** Mary Batchelor,1995 Tells all the better known stories of the Old and New Testaments Calvin's Christology Stephen Edmondson,2004-07 Stephen Edmondson articulates a coherent Christology from Calvin s commentaries and his Institutes He argues that through the medium of Scripture s history Calvin the biblical humanist renders a Christology that seeks to capture both the breadth of God s multifaceted grace enacted in history and the hearts of God s people formed by history What emerges is a picture of Christ as the Mediator of God s covenant through his threefold office of priest king and prophet This is the first significant volume to explore Calvin s Christology in several decades **Bible Dreams Teach Us** Carol J Oschmann,2015-01-12 Seldom has anyone looked for the lesson in the dreams of the Bible What do Joseph Abraham Jacob and Solomon have to do with us The Bible dreams tell us how to handle different kinds of dreams the meaning of certain symbols when they occur to us the kinds of dreams we can expect to have healing nightmares predictions babies before birth people who have died dreams for others they are all there in the Bible and the authors expected us to learn from them Bible Dreams Teach Us will point these out and help us understand them As said in Job 4 20 21 Between dawn and dusk we are broken into pieces and unnoticed we perish forever Are not the cords of our tent pulled up so that we die without wisdom Begin today **Follow Me** Luke Shackelford,2023-06-14 Follow Me approaches discipleship with the themes of identity and purpose in mind In this book Shackelford examines the identity of God and the teachings of Jesus in order to present a framework through which we can correctly understand discipleship He argues that identity and purpose are only truly found in following Jesus As we follow Jesus we are transformed into the image of God What we find is that to be the image of God means to bring forth restoration to the earth as He did and that we exist to carry on the life and work of Jesus Beyond exploring what it means to be a disciple this book seeks to reveal who we are and why we exist which are in fact synonymous *Joseph* Reverend John B. Alumbaugh,2019-03-27 Ninety seven year old Jacob is a shepherd blessed with several wives and children one of whom is Joseph his son with Rachel One day after Jacob is visited by a messenger from God he decides to return home to Canaan after a twenty year absence Because the King of Cyprus and his soldiers are plundering towns and caravans along the Euphrates River Jacob anticipates his journey will be dangerous After he leaves his herd in capable hands and recruits trained soldiers to accompany him Jacob and all his people set out on a new adventure His son Joseph is just six years old Not long after they begin their journey Jacob has a skirmish with an angel of God who blesses him

and changes his name to Israel As Israel immerses himself in a new life Joseph sits with the women and reluctantly studies But as he matures and eventually learns that God is sending him to Egypt to save his family from famine Joseph realizes just what he will have to sacrifice in order to fulfill God's plan Joseph Son of Jacob shares the tale of a shepherd and his son as they loyally follow the Lord's plan for their lives

The Ladder of Jacob James L. Kugel, 2006 Rife with incest adultery rape and murder the biblical story of Jacob and his children must have troubled ancient readers By any standard this was a family with problems Jacob's oldest son Reuben is said to have slept with his father's concubine Bilhah The next two sons Simeon and Levi tricked the men of a nearby city into undergoing circumcision and then murdered all of them as revenge for the rape of their sister Judah the fourth son had sexual relations with his own daughter in law Meanwhile jealous of their younger sibling Joseph the brothers conspired to kill him they later relented and merely sold him into slavery These stories presented a particular challenge for ancient biblical interpreters After all Jacob's sons were the founders of the nation of Israel and ought to have been models of virtue In The Ladder of Jacob renowned biblical scholar James Kugel retraces the steps of ancient biblical interpreters as they struggled with such problems Kugel reveals how they often fixed on a little detail in the Bible's wording to deduce something not openly stated in the narrative They concluded that Simeon and Levi were justified in killing all the men in a town to avenge the rape of their sister and that Judah who slept with his daughter in law was the unfortunate victim of alcoholism These are among the earliest examples of ancient biblical interpretation midrash They are found in retellings of biblical stories that appeared in the closing centuries BCE in the Book of Jubilees the Aramaic Levi Document the Testaments of the Twelve Patriarchs and other noncanonical works Through careful analysis of these retellings Kugel is able to reconstruct how ancient interpreters worked The Ladder of Jacob is an artful compelling account of the very beginnings of biblical interpretation

The Ordeals of Isaac and Jacob Martin Sicker, 2007 The biblical author had to demonstrate that the founding fathers of the model civilization envisioned in Mosaic legislation intended as a model for emulation by other peoples and nations were recognizably human flawed as all humans are One can empathize with Isaac or Jacob who are seen to be human with their faults and frailties which one cannot do with a superhuman being These stories illustrate dramatically there are no characters of mythic proportions no superheroes only normal people living in dysfunctional families erring doing acts that are occasionally senseless and often embarrassing Yet these same people passed on an intellectual and spiritual heritage that will ultimately find full expression in the teachings found in the remaining books of the Pentateuch *The Ordeals of Isaac and Jacob* focuses on what the biblical texts are telling us explicitly and implicitly about these men the world in which they lived and how they managed to preserve the covenantal heritage left to them by Abraham Since biblical texts are not as clear as one might imagine scholars have struggled for two millennia to comprehend what the texts are actually stating and attempting to convey to the reader In re-examining these Texts the author has consulted a wide range of commentaries and studies which approach the biblical narratives from a variety of perspectives and offers some novel insights of his own
